President's Message

One of the nice things about The Hideout is that it is a four-season recreational community, so there is always something to do here year-round. We are now in the winter season, which is second only to the summer season for activities and participation at our amenities.

The Ski Hill is under the oversight and supervision of George Reinhold, Manager, who makes the Ski Hill into a winter wonderland every year. The Ski Hill has added new features to a successful amenity. This year is no exception and improvements are in the final stages for a great year at the Ski Hill. The tubing run has been extended over 100 feet back and higher up the mountain. Moreover, the designated number of tubing lanes has been expanded from two (2) to three (3) lanes, thus, offering more thrilling and exciting fun for the entire family.

Another improvement is a newly designed Progression Terrain Park, which has been constructed alongside the existing Easy Rider Trail. With this newly constructed terrain park, a new Raised Box/Table Top and 2-Log Rails have been added to further enhance the dynamic challenge and excitement of this new feature!

Also, a new state-of-the-art lighting has been installed along the Boomerang Trail that will now facilitate fully operational night time skiing for all members and their guests to enjoy. This new wide dispersion source cuts light pollution while the snow on the ground seems to just glow.

Last year was the grand opening of the Hideout Ski Hill Skating Rink, so don't forget to bring your ice skates and if you don't own a pair, rentals are available. Also available is a great ski school. Instructors under the supervision of Robert Duffey, Ski School

Manager, offers lessons for regular skiers and snowboarders. It's the best and fastest way to enjoy the Ski Hill. The Ski Hill Lodge/ Snack Bar will once again be available for all of your food and beverage needs during and after your Ski Hill experience.

If the Ski Hill is not your thing, remember we have cross-country skiing on the Hideout Golf Course when there is six inches or more on the ground. Also on the golf course there is sledding, which is permitted on the 10th hole and once again, when there is six inches or more on the ground.

For the indoor individuals, the indoor tennis courts are state-of-the-art courts with lighting that is truly second to none. Also available on the courts at different times of the week is basketball. In the same building we have a great gym with a wide selection of gym equipment to meet any level of workout you're looking for. The Art Center is also a great place to discover or use your artistic skills in a great environment, with an energetic staff to assist you and to give you help or suggestions.

Finally, to revitalize your body, visit the Clubhouse for lunch and dinner, and order that special beverage you earned from a full day workout in The Hideout. Also, on Sundays, brunch is available from 9:00 A.M. until 12:00 P.M. at the Hideout Main Lodge. The food is scrumptious and there is a selection of goodies you won't believe. Also a nice feature is that the kids eat half-price!

So enjoy The Hideout and all it has to offer this winter. Happy Holidays!

WILLIAM F. ROONEY

General Manager's Message

As we wind down 2014 and start looking ahead to 2015 I feel that you, as members, will see some new and exciting changes that we are working on. One of these changes is in our Food and Beverage Department, with two new additions being our Food and Beverage Manager, Suzy Kearns, and Amanda DiPierro, our new chef at the Clubhouse. This month at the Clubhouse we will be rolling out a new menu which we feel will be an intriguing change. A few of the other ideas we are working on will be theme nights for adults, as well as children. As we finalize these events, more information will be provided.

This time of year also brings the budget period for the following year. All department managers, Donna Kiely, and myself, have been working on this diligently for the past few months. The 2015 budget will be posted online as well as throughout the Community.

With the approaching winter months some amenities like golf, swimming, and outdoor tennis are closed until spring, but for the diehard outdoor fans we have the Ski Hill, which with the help of Mother Nature will be opening this month. During the off season the Ski Hill had a mini face lift with the lengthening of our Tube Run as well as the addition of a Terrain Park. We also offer cross country skiing to anyone interested. This will be held at the golf course with skis being available at the Recreation Center, if you are in need of them. So, get out there and enjoy the winter season sports available here in your community.

In closing, I hope that your Thanksgiving holiday was a wonderful one and that the rest of this Holiday Season is safe and joyous.

Joe Acla

The Chairman's Corner

Holiday Choice

Thanksgiving 2014 is now just the latest memory of holidays past and it's time to get ready for our year-end holidays (Christmas is my favorite). As we each start to prepare for unique celebrations, whether we continue traditional activities or are creating new ones, we need to take a moment to do some self-calibration! We have a choice to make; will we set our mood to dread and slip into a "Scrooge-like" persona or will we capture the "Holiday Season Spirit" and be part of this wonderful time of the year? I personally choose to enjoy and cherish this special season. I embrace the "Holiday Season Spirit" and feel the best gift we can give or receive from each other, whether it is family, friends, or a stranger, is time. It's important that we give our time: to help someone less fortunate, to listen and smile as the same story is told once again by an elderly relative, to let the children share and learn the true meaning of the Holidays as we all make new memories. We are fortunate that our community provides us with a wide spectrum of amenities and activities, each offering great opportunities for creating memories.

All our departments have worked tirelessly getting our community ready. They have completed their critical year-end activities and are ready for the challenges of 2015! The Recreation Department holiday plans include robust indoor and outdoor activities, and events set to challenge and amuse our members, families and friends. This year's Ski Hill improvements (new trail lighting and extended tubing runs) are ready and as long as it is cold, we will have snow. Our skating rink and our heated tent will be ready. We are excited and looking forward to a great winter sports season.

Our maintenance team is ready to meet Mother Nature's winter challenges (hopefully less than last year's record setting weather), our Public Safety team is set to support our members' needs, and our Food and Beverage Department has several creative events planned throughout the season.

I started by saying we have a choice on how we approach this special time of the year. I choose to live in the spirit, be a little kinder, be a better listener, help a little harder, and smile more. It is a wonderful time of year to take a moment and reflect on what is truly important in our lives, and take time to enjoy it with family and friends. I figured out that even if we take an optimistic view of our time on Earth, if we are lucky we may have 100 holiday seasons to celebrate; I plan on not wasting a single one! I wish each and every one a healthy, happy and safe holiday season.

Choose wisely!

Arnie

By: Joe Kozuch, Public Safety Manager

Are you in the Holiday Spirit? Do you have the best decorated house in the Hideout? Put your skills to the test and be part of the 1st Annual Hideout Public Safety Department

Holiday Home Decorating Contest. All members of the Hideout Community are invited to participate and to join us this Holiday season to show off your community pride and light up this special time of year. It's a great way to spend some time with your family and get in the Holiday spirit.

So, pull out your Santa sled, reindeer, wreath and those beautiful lights! The contest is open to all resident homes within the Hideout. All decorated homes in the Hideout will be eligible to win. There is no registration required, the only condition is

that any of the finalists must be members in good standing. Hideout Public Safety

Department Patrols will be doing the judging. Homes will be judged on the basis of unique design, creative use of lights, animated objects, display and placement of decorations and overall presentation. 1st, 2nd & 3rd place prizes will be awarded to the top three decorated homes. Winners will be notified prior to December 25, 2014. The winners will also be featured in the January edition of the Hideabout as well as

the Hideout website. It's a perfect project for the entire family to enjoy! So get out there and start decorating. Judging will begin on December 1, 2014.

Have guests coming to The Hideout for a visit? Now you can register your guest online or using your mobile device including Apple, Android and Blackberry.

To register please visit the Hideout website <http://www.hideoutassoc.com> and click on "On-line Guest Registration" to fill out the form. Once signed up, you will receive an email with directions.

Attention Members

When your guests come to visit, please make sure that they know your lot number when registering at the gate.

This will expedite entrance into the community.

Permit Reminder.....

As a reminder we ask that you please pick your permits up at the Administration Office and have them posted on your property. Once the work is completed, sign and return to the Administration Office. This step is necessary in closing out projects. I appreciate this immensely. Below is a list of lots with permits yet to be picked up. I would like to remind you that the permit is to be posted before the WORK begins.

Summary of Accomplishments 2014

Facilities Department

Maintenance, Roads, Grounds, Fleet Management, Trash/ Recycling and Housekeeping

This year in Facilities we as a TEAM have accomplished the following goals for the department.

Operational Projects

- **Budget** - when I first arrived in February I found errors from 2013 that were carried over and contributed to the department reflecting a \$50,000 deficit. As of the end of October we have been capable of not only bringing the budget back in line, but managed to bring the budget under by \$29,000. I expect by year-end to be approximately \$30,000-\$35,000 under budget position in the Maintenance (030) Department, on or slightly under in Grounds (032) and Trash/ Recycling (031).
- **Contractor Daily Construction Report** - this report documents the day, date, weather condition, people on site, work performed and any issues. This report becomes key information if any issues arise, or if legal actions are needed, created, and in use.
- **Project Management Books** - we now have a Project management system that tracks all aspects of a project. The sections of the book are, bid information, bond requirements, pre-construction paperwork, communications, meeting notes, pay applications, submittals, addendums, contractor daily construction report, weekly summary to the GM, and regulatory reports. This book has been created and is in use for all projects. The size varies depending on the complexity of the project. These books record data to be used in future projects.
- **Preferred Contractor Address Book** - the preferred contractor address book provides one central location for all preferred contractors. The book is electronic and can be searched by profession, company name or contact information. The book is utilized when going out to bid or if a minor problem arises and an outside contractor is need - pre-established "Quick Reference."
- **Capital Project Control Log** - the capital project control log is designed to log all capital projects, schedule projects throughout the year allowing a more efficient flow of projects. The log also tracks project#, GL code, funds, budgeted dollars, type of project, estimated start schedule, invitation sent date, pre-bid date, bid return date, tabulation, award letter sent date, contract sign date, pre-construction meeting date, actual start date, contracted completed date, actual completed date, and final cost. The log allows data about a projects flow to be viewed all on one form.
- **Department Organizational Chart, Work Schedule & Coverage Plan, Job Descriptions** - were created and updated.
- **Electronic Service Board (CMMS)** - after months of review, I selected a cost appropriate software program (ESC). This program allows all Management and their designee the ability to enter work orders directly from their computer. A record of the work order is emailed to the manager that entered the request. The program emails the Facilities Supervisor notifying them of a new call, these features all happen automatically. The program has an easy to use service board showing all service calls in one location, who is scheduled to handle and when, documents information about what was done on the call and shows past history for reference. It also allows for pre-scheduling and reminders of items that are done on a weekly, monthly or yearly basis. The program also collects an array of other data which will be a useful tool when making decisions in the future.
- **Departmental Policies and Procedures** - Policies and procedures have been created, documented and on file. The Policies & Procedures Book will be updated as new policies are created.
- **Building Deficiencies Log and Plan** - a plan to be proactive in maintaining our resources (buildings). A building information data base has been built in ESC, highlighting the buildings characteristics, square footage, roof pitch & material etc. The plan includes a pre-design checklist to perform preventative maintenance. Any deficiencies found are turned into a service call.

Capital Projects

- **Recreational Sports Complex** - Beam Stabilization - the Recreation Center when designed and built used an undersized beam. This project consisted of reinforcing and stabilizing the beam thereby creating a safe environment for our members. This project was completed under budget.
- **Roamingwood Stormwater Project** - This project had several design flaws and had to be redesigned and redone. But the system did get completed, only \$2,000 over budget. The property owners involved in the project are all very happy with the outcome.
- **Emergency Generator Replacement/Upgrade at POA** - this project was successfully completed on budget and on time. This project protects the community by allowing the POA building to be utilized as a central command center during an extended power outage situation.
- **Emergency Generator Installation Stock Farm Gate** - this project was done in sync with the POA generator and was completed on budget and on time. The project will benefit the members during a power outage.
- **Tiki Bar - Plumbing Installation** - the Tiki Bar at the Main Lodge was in need of upgrading to their plumbing system. Originally the project was going to be done by an outside contractor and budgeted at \$3,000. Facilities decided to perform the work in-house and was capable of also providing new countertops and sinks. The project came in under budget by over \$2000.00

Environmental Corner

By: John Gigliotti, Land & Environmental Planning Manager

Land and Environmental Planning:

I honestly cannot believe that the holidays are here upon us.

Our outdoors now take on a whole new view with beautiful winter vistas of our lakes and forested landscape that truly enhance the traditions and warmth inherent with the holiday season. Please try the newly enhanced Ski Hill amenity with expanded tubing run, along with a new progression and terrain park feature! [Snowboarders, Go for it!!](#)

- Another ECC citation matter that we stepped up enforcement on this past year was unregistered motor vehicles. [Consolidated Rules and Regulations, General Rule#15: all motorized vehicles must be operated by a licensed driver and have a valid State registration.](#) We will stay vigilant regarding this matter and appreciate your cooperation. If there is a hardship that will entail a short term placement of the vehicle on the premises, please contact our office in presenting the matter and we will do what we can to assist.
- In partnership with RS&W, aerial flyover coverage of the community was conducted during the early spring season. We are now in the process of obtaining mapping data that would entail very comprehensive and detailed topographic data, along with layers of other site feature data, including roads, fire hydrants, lakes, etc... We truly are excited about ascertaining this detailed information as we consider both short and long-term land planning strategies for our community. [Special thanks to Jack Lennox and his team at RS&W for their insight and support in organizing and helping to bring this project to fruition.](#)
- With the [winter season](#) and inherent [snow plowing activity](#) approaching, please be sure that all vehicles, boats etc..., are not parked within five (5) feet from the edge of the road. Often times, our public works team has to conduct enhanced snow plowing work along the road side edge to push back the accumulated snow in order to facilitate room for any future snowfall potential. Without following this snow plow strategic planning operation, there would be a high probability that our road way lanes would become restricted, thus creating a potential safety hazard for members, as well as emergency response vehicles. [Consolidate Rules and Regulations, General Rule #24: Vehicles are prohibited from parking on any roadway in the community. Vehicles shall not park less than five \(5\) feet from the edge of any paved road way in the community.](#)
- **As you clean and assess your properties for the upcoming winter, please avoid depositing leaves and other woody debris into our lakes, as well as into our existing drainage system. Please also check, if applicable, your culvert pipes and swales along the road way and ensure that the leaves/debris is not obstructing the drainage system. We appreciate your cooperation.**

Deer in the Hideout

We continue to be confronted with inherent challenges related to an apparent overabundance of deer in the Hideout. Continuous overgrazing of our forest and shrub vegetation has degraded the quality/health of our vegetation. [USDA officials are in the process of conducting Deer population field assessment work that will be considered as part of any future management strategies.](#)

Please do NOT feed the Deer or other wild animals in the community. Board motion also prohibits the feeding of deer and a failure to comply fine will be issued to anyone who is caught feeding them.

We will continue striving to serve our membership at the highest professional level. We welcome any questions and/or constructive input to the items outlined and noted above.

Please remember that if you apply for a permit, it is not automatically given. There is a process, which could take up to two (2) weeks. The ECC has to review the application and then a permit is approved or denied. If you have been denied, I will send you a letter with the reason(s) why it was not approved. You can then make the corrections and it will be reviewed again at the next meeting. Also, remember that nearly everything you do outside of your home requires a permit. Please call Debbie at (570) 698-4100, ext. 108 if you have any questions. Thank you.

Please pick up your permits at the POA Office.
When your project is complete, sign and return your permit to the POA.

Recycling is open Monday - Sunday 24/7

The Maintenance Department accepts Bulk Items Monday - Friday at the Maintenance Shop, between 11:30 a.m. - 12noon, Saturday morning by appointment only, (570) 698-4100, ext. 133. (fees apply)

No electronics accepted, i.e., computers, televisions, refrigerators, air conditioners, dehumidifiers, etc. Also not accepted is tires, paints, thinners, oils, etc.

Members and Contractors

Among the items that the Environmental Control Committee will look for when going over your application is an "As Built" survey. There are several reasons for this:

- To be sure of the placement of any structures on your property
- To be sure of setback lines

When turning in an application for any of the below permits, you must have an "as built" survey.

- Garages (both detached and attached) • Decks • Driveways • Sheds • Additions

This survey will be marked as "existing" not proposed. If you have any questions, please call Debbie at (570) 698-4100, ext. 108. In some cases we might have a copy of the survey in our files. Please understand that this might not be an "as built" survey.

Fees for Permits

The following are non-fee permits:

What To Do If A Tree Is About To Fall From One Lot To Another?

Even though the Hideout has an easement between properties, this matter is strictly between the parties involved. This includes limbs, branches and trees. If you have this situation, notify the property owner whose property presents the hazard.

The Hideout does not provide information relative to the Membership. You should call the Wayne County Tax Assessment Office at (570) 253-5970 or the internet at taxassessmentoffice.waynecountypennsylvania.com. You should also contact your insurance company. Another resource is the internet for the purpose of researching Pennsylvania Real Estate Law on the subject. Again, this is a civil matter between the parties involved and cannot be resolved by the Hideout. **Note:** In the event that the tree is on Hideout Common Property, the Maintenance Superintendent should be notified so that the appropriate action can be taken to remove the hazard.

Safety Guidelines For Propane Tanks

Homeowners who decide to install a propane tank on their property need to be aware of the new guidelines for such. A Propane Permit is needed. The National Fire Protection Agency (NFPA) has established a set of rules that govern the requirements for the clearance around propane tanks in the NFPA 58 Liquefied Petroleum Gas Code. Size of the clearance radius will depend on type of installation and the size of the tank.

Vertical Tanks – The requirements for the clearance around vertical propane tanks under 125 gallons depends on the location of ignition sources, venting windows and doors. The tank itself may be placed against the house or building, but it has to be at least ten (10) feet from an ignition source such as a water heater and three (3) feet from a venting window or door.

Horizontal Tanks – Horizontal tanks, also referred to as vessels, come in three main sizes: 330, 550 and 1,000 gallons. The size of the vessel normally depends on the propane requirements and the size of the structure using the fuel. The requirements for the clearance around the 330 and the 550 gallon propane tanks are at least ten (10) feet from the structure. Ten (10) feet from the property line and ten (10) feet from any ignition source. The 1,000 gallon propane tank requires at least twenty five (25) feet of clearance from the structure, the property line and any ignition sources.

Also, be aware that according to our Protective Covenants and ECC Manual, every fuel storage tank on any lot shall be either buried below ground or screened to the satisfaction of the Committee.

Registration Corner

By: Sandy Sheppard, Registration Manager

The Registration Department is gearing up for the New Year. The 2015 Amenity Dues statement will be mailed out in early January, along with the 2015 Membership

Form and cover letter offering a variety of opportunities to pay your annual dues and receive your 2015 stickers with receipt of the proper paperwork. Again this year, you will be able to obtain your 2015 Stickers via Certified/Return Receipt mail once the proper paperwork and payment is received. This will save you from standing in line at the Registration Department during our peak periods of revalidation! Your current 2014 stickers will be valid until the last day of March.

This time of year we send and receive lots of packages. If you are sending/receiving packages to The Hideout through the Post Office, use the mailing address. If you are using Fed Ex or UPS as a delivery service, you must give them your physical address (your lot number). This will ensure a timely delivery of your packages.

The POA will follow the Western Wayne School District for snow delays

If Western Wayne has a 1 hour delay, we will open at 9:00 a.m.

If Western Wayne has a 2 hour delay, we will open at 10:00 a.m.

If Western Wayne is closed, we will open at 10:00 a.m.

The POA building will be closing at 1:00 p.m. on December 17 for the office holiday party. The POA building will be closing at noon on Christmas Eve & New Year's Eve.

Need a last minute gift? The Registration Department sells Hideout Gift Cards! These can be purchased for any amount and can be used anywhere within The Hideout.

The Registration Staff –

Sandy, Kathy & Barbara wish you all a healthy & Happy Holiday Season!

Attention Committee & Club Members

If you want to announce your Committee or Club to our New Owners, Email a flyer (it can be two-sided) to ssheppard@thehideout.us We will be happy to include it in our welcome packet.

We would like to congratulate our employees who have employment anniversaries in December.

Your contributions to the Hideout are greatly appreciated. We hope that you will remain with us for many years to come.

Happy Anniversary and Many Thanks!

Public Works Corner cont'd from page 4

- **Laurel Park** - Upgrade Sites - the project consisted of stabilizing the roads of the campgrounds and upgrade to some of the sites. Project was completed and under budget.
- **Nature Trail Renovation** - the project consisted of removal of fallen trees and eliminating wet areas and reworking the trail. The project was completed slightly under budget.
- **Playground Replacement** (1st of 4 Locations) - Facilities assisted the Recreation Department in securing a contractor for the installation and the oversight of the work being performed. The project was completed under budget.
- **Hole #4 Comfort Station Replacement** - after review, we decided to renovate the restroom in-house. The fixtures were replaced, the walls received new fiberboard, electric was installed to power a light and exhaust fan, a drop ceiling was added and vinyl siding was added to the exterior walls. The project was under budget by \$22,000.
- **Lodge Feasibility Study** - we have selected members for the group and have engaged Hemmler + Camyd as the architect to help move this project forward. The project has been stagnant for a while, but is moving forward now.
- **Roamingwood Park** - Restroom(s) - this was another project that had been met with continuous delay in the past. This year we have been successful in engaging an architect to design the comfort station and prepare the bid documents. The restroom project was placed on hold until the whole park design could be addressed.
- **Roamingwood Park** - Design & Planning - this project has been in the works for a few years, with many designs. This year the project approach was handled a little differently. We created a group, interviewed several landscape architects, and brainstormed ideas. This approach was successful. The architect took the ideas of the group, generated three concept approaches and the group met again. During the re-meet, the group brainstormed and took ideas from the three concepts and tasked the architect with bringing new ideas to life in a single collective concept. The design has been agreed upon by the group and the project is moving along nicely.
- **Culvert** - Major Repair Oak Circle - we engaged an engineer to design three methods of repairs, which was completed. The project stalled for a few months while deciding which method to use. The project is back on track and the engineer has the design out for regulatory permits. The project should be ready to bid by year end and work started first thing in the spring.
- **Hole #4** - Drainage Engineering & Drainage Work - Reuther + Bowen Engineering firm was engaged and designs for the drainage was completed. This project was placed on hold, but the designs are ready when needed.
- **OSC Building Renovation** - we engaged an architect for the design. Placed out to bid, but the quotes came back much higher than budgeted for. We are reviewing the design and performing material takeoffs to decide if a scale down is required, if we can and should perform in-house or if additional funds should be requested. This project is being held over to 2015.
- **Cross-Over Culvert replacement North** - with the RS&W project occurring it was necessary to perform this project. The project was completed and the funds used came from the road repair budget line.
- **Cross-Over Culvert replacement South** - with the RS&W project occurring it was necessary to perform this project. The project was completed. The funds used came from the road repair budget. By redirecting these funds allowed us to complete road prep for the 2015 paving of the north section by RS&W.
- **Stormwater Management** - Small Culvert Replacement and Swales - over 40 different small projects were capable of being completed - under budget.
- **Stormwater Management** - Swale & Miscellaneous Repair - under this project over 40 areas were completed. Many of which members have had concerns for years, under budget. In 2015 we will continue to use this approach to help the many more additional members and ultimately the entire community.

Christmas

is an annual commemoration of the birth of Jesus Christ and a widely observed holiday, celebrated generally on December 25 by millions of people around the world. A feast central to the Christian liturgical year, it closes the Advent season and initiates the twelve days of Christmastide, which ends after the twelfth night. Christmas is a civil holiday in many of the world's nations, is celebrated by an increasing number of non-Christians, and is an integral part of the Christmas and holiday season.

The date of Christmas may have initially been chosen to correspond with the day exactly nine months after early Christians believed Jesus to have been conceived, or with one or more ancient polytheistic festivals that occurred near southern solstice (i.e., the Roman winter solstice); a further solar connection has been suggested because of a biblical verse[a] identifying Jesus as the "Sun of righteousness."

The original date of the celebration in Eastern Christianity was January 6, in connection with Epiphany, and that is still the date of the celebration for the Armenian Apostolic Church and in Armenia, where it is a public holiday. As of 2013, there is a difference of 13 days between the modern Gregorian calendar and the older Julian calendar. Those who continue to use the Julian calendar or its equivalents thus celebrate December 25 and January 6, which on the Gregorian calendar translate as January 7 and January 19. For this reason, Egypt, Ethiopia, Eritrea, Russia, Georgia, Ukraine, Serbia, the Republic of Macedonia, and the Republic of Moldova celebrate Christmas on what in the Gregorian calendar is January 7. Eastern Orthodox Churches in Bulgaria, Greece, Romania, Antioch, Alexandria, Albania, Finland, and the Orthodox Church in America celebrate Christmas on December 25 in the revised Julian calendar, corresponding to December 25 also in the Gregorian calendar.

Popular modern customs of the holiday include gift giving, Christmas music and caroling, an exchange of Christmas cards, church celebrations, a special meal, and the display of various Christmas decorations, including Christmas trees, Christmas lights, nativity scenes, garlands, wreaths, mistletoe, and holly. In addition, several closely related and often interchangeable figures, known as Santa Claus, Father Christmas, Saint Nicholas, and Christkind, are associated with bringing gifts to children during the Christmas season and have their own body of traditions and lore. Because gift-giving and many other aspects of the Christmas festival involve heightened economic activity among both Christians and non-Christians, the holiday has become a significant event and a key sales period for retailers and businesses. The economic impact of Christmas is a factor that has grown steadily over the past few centuries in many regions of the world.

Don't miss out on tax deductions for education expenses

Parents who are looking for ways to manage their finances should be sure to get these great tax credits and deductions. Federal education tax deductions and credits focus on post secondary education, but check your state to see if there are benefits for paying your child's education in grade school and high school.

If you have a child attending college this year, or if you are a college student and you are not claimed as a dependent, you can get some wonderful tax credits and deductions for college expenses.

American Opportunity Credit

Depending on your household income, you can receive a tax credit of up to \$2,500 for each qualifying student. Qualifying students have to be enrolled at least half time and be pursuing a degree or some academic credential.

You can claim the tax credit for the first four years of college enrollment, provided your child and the school they attend meet the requirements.

Students can claim this credit on their taxes if they are not a dependent.

Qualifying expenses include tuition, books and related materials, such as mandatory school activity fees, and certain course-related equipment. Room and board do not count as a qualifying expenses. You should receive a Form 1098-T from the educational institution that you paid by January 31, 2014.

Lifetime Learning Credit

You can claim this credit for as many years as you pay qualifying expenses for your higher education. This can be used even if you aren't pursuing a degree. You can claim up to a \$2,000 credit per tax return. Please note, you cannot claim both credits in the same year.

Student Loan Interest Deduction.

If both you and your child, or either one of you, took out student loans you may be able to deduct the interest you paid on the loans up to \$2,500. Your modified adjusted gross income has to be less than \$75,000 for single filers and \$155,000 for joint filers. This deduction can be a big help because it's used to calculate your taxable income.

You should receive a Form 1098-E by January 31 that will give you information on qualifying interest paid that you can deduct on your tax return.

The Cold Facts Of Frozen Shoulder

By: Bernard J. Povanda, PT, COMT, Direct Access Certified

Frozen shoulder, also known as Adhesive Capsulitis, is a condition characterized by pain and loss of motion at the shoulder joint. Between 2-5% of people will experience this problem in their lifetime. Frozen shoulder most commonly affects individuals over the age 40, with females being at higher risk. The bones, ligaments and tendons that make up the shoulder joint are incased in a capsule of connective tissue. This condition causes the smooth tissues of the shoulder capsule to thicken and become tight and inflamed. Stiff bands of tissue, called adhesions, develop, causing pain and loss of motion, restricting the shoulder's movement.

Frozen shoulder develops slowly, typically, in three stages, with the hallmark sign being the inability to move the shoulder, either on your own or with the assistance of another person.

PAINFUL STAGE: The individual will experience a very painful shoulder both during activity and rest. The shoulder will gradually get stiffer in this stage. This stage lasts for 4 to 9 months.

FROZEN STAGE: The shoulder is extremely stiff and painful with movement however the pain at rest is resolved. This stage lasts 4 to 12 months.

THAWING STAGE: Slow and steady return of motion. This stage can last for several months.

The entire process can take 6 months to 2 years before completely being resolved.

Frozen shoulder generally takes a long time to heal with few shortcuts. Diligent physical therapy is essential for recovery of a frozen shoulder. Treatment can include ultrasound, electric stimulation, laser, and heat & ice treatments. A physical therapist will employ a series of specific stretching and range of motion exercises and eventually a strengthening program. Surgery is rarely necessary. More than 90% of patients improve with the help of a simple treatment plan provided by a physical therapist.

A dangerous condition arises on busy weekends from vehicles parking on the side of the road on Lakeview and Woodpoint Court. Vehicles parked on the side of the road in this location impede traffic and could possibly block access to the area by emergency vehicles. Due to this condition the Board has passed a motion deeming Lakeview and Woodpoint Court "Emergency Access Roads." No parking will be permitted on the side of the road in this area. The Public Safety Department will aggressively enforce this rule. Anyone who parks in this location will be subject to a \$125.00 fine and a \$250.00 fine for repeated offenses.

Celebrating Kwanzaa

Kwanzaa is a week-long Pan-African festival celebrated primarily in the United States, honoring African American heritage. It is observed from December 26 to January 1 each year.

It consists of seven days of celebration, featuring activities such as candle-lighting and pouring of libations, and culminating in a feast and gift giving.

It was created by Ron Karenga and first celebrated from December 26, 1966, to January 1, 1967. Karenga calls Kwanzaa the African American branch of "first fruits" celebrations of classical African cultures.

The seven-day festival stresses on each day:
1-The unity of the black family; 2-To create ourselves and speak for ourselves; 3-To build and maintain community together.

4-To build and maintain our own stores, shops and other businesses and profit from them; 5-To develop our community; 6-To do as much as we can in any way we can to leave our community more beautiful and beneficial; and 7-To believe in our hearts, in our people, our parents, our teachers, our leaders and the righteousness of our people.

Hanukkah

Sunset, December 16 to nightfall, December 24, 2014

In Judaism, a holiday celebrating the rededication of the Second Temple of Jerusalem in 164 BC, after its desecration three years earlier by order of Antiochus IV Epiphanes. The Maccabees recaptured Jerusalem and reconsecrated the Temple after leading a successful revolt against Syrian rule. The lighting of the menorah recalls the story that a one-day supply of oil burned miraculously in the Temple for eight days until new oil could be obtained.

Sometimes called the Feast of Dedication or Feast of Lights, Hanukkah is celebrated with a series of rituals that are performed every day throughout the 8-day holiday, some are family-based and others communal. There are special additions to the daily prayer service, and a section is added to the blessing after meals. Hanukkah is not a "Sabbath-like" holiday, and there is no obligation to refrain from activities that are forbidden on the Sabbath, as specified in the Shulkhan Arukh.[34] Adherents go to work as usual, but may leave early in order to be home to kindle the lights at nightfall. There is no religious reason for schools to be closed, although, in Israel, schools close from the second day for the whole week of Hanukkah. Many families exchange gifts each night, such as books or games. Fried foods (such as latkes potato pancakes, jelly doughnuts sufganiyot and Sephardic Bimuelos) are eaten to commemorate the importance of oil during the celebration of Hanukkah.

Originally a minor holiday, it has become more lavishly celebrated as a result of its proximity to Christmas.

Happy Holidays!

Easy Recycling in The Hideout!

We are pleased to announce that the Hideout has begun a new single stream (co-mingle) recycling program.

Essentially, you are no longer required to separate out the various types of glass, plastic, cardboard or paper. There will now be one co-mingled container for facilitating all recyclable materials. In addition, you will now be able to recycle plastic containers #1 thru 5 & 7, instead of just containers made of No. 2 plastic. Please review the list of other additional items that can be included in the recycling program. As always though, PLEASE BE SURE THAT ALL CONTAINERS ARE EMPTIED AND RINSED BEFORE DISPOSING.

This new RECYCLING program is not only a great convenience to you, our members, but will also further encourage recycling efforts at the Hideout. This will in turn help to reduce both the overall trash tonnage going into the landfill and cost to the Association. Finally, we have worked out an agreement with Waste Management for members to purchase recycling containers and simply pass the same cost. The containers are available for purchase at the POA office. The cost per container is \$10.00.

**RECYCLE OFTEN.
RECYCLE RIGHT.SM**

RECYCLE OFTEN:

Metal Cans

Steel, tin & aluminum soda, vegetable, fruit & tuna cans

By the Numbers: Christmas Trees

- In the United States, over one million acres are used to grow Christmas trees, numbering about 350 million trees on over 15,000 Christmas tree farms.

- More trees are cut in Oregon than any other U.S. state, with annual tree harvest at 6.4 million from that state.

- Almost 11 million artificial Christmas trees are purchased in the United States each year.

- Only about 14 percent of real Christmas trees are purchased as cut-your-own trees.

- About 100,000 people are employed full- or part-time in the Christmas tree industry.

Internet Tidbit

Internet Tidbit: Screenr

There is an easy way to create screencasts using your own voiceover. Screenr.com is a web-based screencasting application that can capture up to five minutes of video of your screen as you move across the Internet or applications on your computer. You specify which portion of the screen you want to capture, pick your audio input, and hit record. It is that easy to get a screencast which can then be uploaded or sent to others. You don't need to install any software and the service is completely free.

Thwarting hackers; securing passwords

You might have already noticed that your bank or credit union asks you to authorize a computer for login and then provide a password. This two-step process means that a bad guy would have to know your password AND be at your computer or have your phone. You'll be seeing more varieties of 2-step verification in coming months.

Google already leads the way with 2-step verification in which Google sites can be authorized and a one-time password installed. You don't have to remember the password. If you ever need it, you use your regular Google password to log into your account and generate a new password for uses with email or other Google uses.

Google has also developed a physical key, a USB plug that you can buy for \$20. You then are required to use the USB key to log in.

Researchers are also experimenting with squiggly line access to tablets. A user can devise a certain line design to login instead of a number combination.

Then there is fingerprint verification, eye recognition and more technology on the way -- all an attempt to thwart hackers.

In the short term, password managers are one good solution. The big players in this field are 1Password, Dashlane, LastPass and PasswordBox. The most sophisticated so far is Dashlane, according to the Wall Street Journal. It employs two-step verification and will sync across devices. However, it costs \$30 per year for that trick. 1Password is the only one that doesn't employ a server for your data. LastPass is compatible with the most devices and uses fingerprint readers and other biometric sensors. It also captures WiFi passwords.

App of the Month: SportsManias

Do you follow lots of sports teams? Are you constantly searching for news, stats, scores, and updates about your teams? Then the SportsManias free app is for you! You can create a customized list of teams, players, and even professional sports writers. Access league feeds from the NFL, NBA, NHL, NCAAF, and Fantasy Football news. The SportsManias app, available on Apple and Android, then delivers all your sports news to your phone in a customized feed.

Quick Tips:

Money Tip

If you have young children and are already thinking about college, consider a 529-plan or a Coverdell educational savings account. These types of accounts allow you to save for future college expenses with tax breaks that you can take advantage of now.

Home Tip

It makes sense to close off rooms that you are not needing to heat during the winter. But be sure to also close your closet doors. You don't really need to heat your closet space as you do your living spaces.

Car Tip

In cold weather, it can be tempting to hurry along the warming up of your engine by racing the engine during start-up, but this eventually can lead to excess wear to your engine. Letting your car idle in the driveway also does not help it to warm up more efficiently. Instead, begin your drive right after starting your car, accelerating slowly as it warms up. After about ten minutes, your vehicle will be running its best.

Food Tip

The crisper drawer in your refrigerator is the best place to store your vegetables. It allows for a higher humidity environment which keeps

your vegetables fresher longer. Set it to high humidity for leafy greens. Non-leafy vegetables like carrots and cucumbers benefit from the low-humidity setting.

Organizing Tip

To store scarves, take a sturdy wooden clothes hanger and place several shower curtain rings onto the lower bar of the hanger. Slip a scarf through each ring and then loop the scarf through itself to secure the scarf and keep it from slipping. You can usually fit a dozen or more scarves on a single hanger. This method also allows you to easily see your scarf collection all at once simply by pulling the hanger off of the rod.

Travel Tip

TripAdvisor.com, Citysearch.com, and Yelp.com are great places to evaluate hotels, tourist attractions, and restaurants. But take care not to read too much into these reviews. People are naturally more inclined to leave a review if they've had a bad experience. Check to see if the bad reviews are consistent with other reviews. Also note whether the reviewer is a frequent commenter or if this was a one-off negative hit on the business.

Holiday Gift Mixes

Gift giving can be tough-trying to find the right size, fighting the crowds, all the money! This year, take some time to make a gift that anyone would love. Mixes in a jar are an easy way to handle that gift list. Simply put the ingredients for a meal, dish, or dessert into a jar, add the recipe, and you are done. These ideas can help get you started.

M & M Cookie Mix In a Jar

3/4 cup packed brown sugar 1/4 cup white sugar 1/2 teaspoon baking soda
1 1/2 cups mini baking M & Ms 2 cups all-purpose flour 1/4 teaspoon salt

Combine flour with baking soda and salt. In a clean one liter sized glass jar layer the ingredients in the order given, starting with the brown sugar and ending with the flour mixture. Attach a card with the following directions: Preheat oven to 350 degrees F. Empty the contents of the jar into a large bowl and mix until all the ingredients are well combined. Using your hands work in 3/4 cup softened butter or margarine until the mixture resembles coarse crumbs. Beat one egg with one teaspoon vanilla extract. Work this into the flour mixture until well combined. Dough will be a little crumbly. Shape dough into one inch sized balls and place two inches apart on a parchment-lined baking sheet. Slightly flatten the balls with the palm of your hand. Bake at 350 degrees F for 10 to 14 minutes or until the edges are lightly browned. Remove cookies to a rack to cool. Makes about two dozen cookies.

Funnel Cake Mix

1 cup all purpose flour 1 tsp baking powder 1/4 tsp salt 1/2 tsp ground cinnamon

Combine all ingredients, stirring well. Store in an airtight container. Attach a card with the following directions: Pour vegetable oil into a skillet to a depth of one inch. Heat oil to 360 degrees over medium high heat. In a small bowl, combine one egg with 3/4 cup milk. Add one cup funnel cake mix and beat with fork until smooth. Holding finger under funnel opening, pour about 1/4 cup of batter into funnel. Allow batter to pour from funnel into hot oil, moving funnel in a circle to form a spiral shape. Fry one minute; then turn cake, and continue frying until golden brown. Remove to paper towel to drain. Sprinkle with powdered sugar.

Mocha Coffee Gift Mix

1 cup nonfat dry milk powder 3/4 cup sugar 1/3 cup instant coffee
2/3 cup powdered coffee creamer, non-dairy 1/4 teaspoon salt
1/2 cup cocoa powder, unsweetened 1/4 teaspoon ground nutmeg
1/4 cup brown sugar, firmly packed 1 teaspoon ground cinnamon

Press the coffee through a fine sieve; combine all ingredients in a small bowl until well-blended. Place in an airtight container. Attach a card with the following directions: Place 1/4 cup Mocha Coffee mix in a mug. Add 3/4 cup boiling water and stir until dissolved. Garnish with whipped cream if desired.

Meet Camden!

Camden is ready to be home for the Holidays! He's a 3 year old fun loving beagle mix that has been patiently waiting for his forever home. Camden walks well on the leash, gets along well with other dogs and is friendly with cats that he comes in contact with. Come meet our handsome man Camden at Dessin Animal Shelter or call 570-253-4037 for more information.

Meet Logan!

Logan is a buff and white kitten that is looking for his forever home. He is litter box trained, gets along well with other cats and does well with the dogs he's come in contact with. He is current on his shots, micro-chipped and would LOVE to come home for the holidays and be your new best friend:) For more information on Logan call Dessin Animal Shelter at 570-253-4037 or just stop by and meet him!

"Save our Shelter"

Dear Friends of Dessin:

By now, you may have heard that our shelter is facing shut-down, due to lack of funding. Please help our shelter remain open and continue to provide these services to the surrounding area: *Shelter for lost, abandoned or displaced animals *Community Education *Adoption Services *Low Cost Spay/Neuter Program *Cruelty Prevention.

We truly hope you can assist us in our time of need. Every lit bit helps! All of your furry friends thank you in advance!

Tone & Condition with Ellie: Total body conditioning and stretching using bands and weights. All levels welcome. PRICING: \$12 per class or \$80 for a 10 class card. Personal Training is available by Ellie Colon for \$50 per 30 minute session plus Fitness Center Fee. Ellie holds a diploma in Personal Training and is a Nutrition Consultant. Ellie specializes in Functional Movements and Cross Training. For further information feel free to contact the Fitness Center at 570-698-4100, ext 165.

Line Dancing – It's not just country is instructed by Bette O'Brien. The first 30 minutes is dedicated to learning the basic steps. Beginners will be enjoying a dance or two on their very first visit! The "regulars," or more advanced dancers, may join in at 1:00pm. New, challenging dances will be mixed with favorites for a fast moving hour and a half of fun and exercise. After a few weeks, newcomers surely will be joining in for a full session.

Karate – Garry Garrison is a certified 4th Degree Black Belt in Hapkido Karate. Class will be held in the RSC Aerobic Room every Tuesday and Friday evening at 6pm. For more fee information, contact the Fitness Center 570-698-4100, ext. 165.

Zumba - Are you ready to party yourself into shape? That's exactly what the Zumba program is all about. It's an exhilarating, effective, easy-to-follow, Latin-inspired, calorie-burning dance fitness-party that's moving millions of people toward joy and health. PRICING: \$8 per class, \$35 for a five class card, \$80 for a 12 class card.

Trunk or Treat

On Friday, October 31st, the Hideout's Recreation Department was joined by fire companies from Ledgesdale and Lake Ariel to hold our annual Halloween Trunk-or-Treat. The parking lot of the Main Lodge provided the setting, while car after car poured into the full lot to participate. Trunk-or-Treat is an event in which decorated cars line up in a parking lot and candy is passed out to children from the open trunks. This provides a safer and more community oriented alternative to the standard door to door style of trick-or-treating.

By the time the fire horn sounded to signal to start of the event, approximately 75 cars and nearly 250 people were present to participate in the festivities. The Recreation Department vehicle, tangled in a web complete with giant spiders, set the mood with spooky music and cauldrons overflowing with candy. New for this year, the participating cars were judged and awards were handed out for the scariest and most original decorations. While many cars were completely decked out from head-to-tail light, the award for scariest car went to Laura Rusnak and her graveyard scene, which made use of an animatronic spider to spook even the manliest of recreation programmers (despite the brave look of his superman fleece onesie!). Most original was awarded to an enthusiastic grandfather, whose fall farm scene included an Uncle Sam styled scarecrow.

Perhaps the only part of the event more decorated than the cars were the children themselves, whose costumes ranged from princesses to zombies, and even a little hobo pushing a tiny shopping cart with a sign that read "Will work for candy!" As the event concluded, the sun was setting and the children were crashing into candy-induced comas, but everyone made it home safely. A big thank you to Public Safety and the local fire companies who kept the activities in order, and to all the families who participated, sacrificing cars and candy alike in the name of Halloween fun!

Dog Costume Parade

October 18th saw the inauguration of a new event to the Hideout Recreation Department; a Halloween Dog Costume Parade to benefit the Dessin Animal Shelter. Held at our very own Laurel Dog Park, the first attempt was unfortunately met with heavy downpours, and despite a few fearless costumed contestants, we decided to reschedule for the following Sunday.

Furry Fido's big and small joined us on the cool October afternoon at the dog park, and some even brought their humans along too. Judging was left to Recreation Director Sari Lang and Recreation Programmer Patrick Merrill, who struggled to be judgmental given the overwhelming cuteness of the participants. Every entry received a doggie treat bag, and certificates were awarded to Shiloh dressed as Underdog (Joan and Fred Snyder), Otis dressed as a bodybuilder complete with barbell (Sherri Bistersky), and Lily dressed as a princess (Denise Hicks).

The real winner, however, was the Dessin Animal Shelter, who received 100% of all entry fees, as well as monetary donations and various goods necessary to operate a shelter. In case you missed this year's event, we will continue to collect donations of all forms at the Recreation Department office. Special thanks to Brigid from the POA for suggesting this event and setting it into motion. Don't forget to join us next year!

Children's Halloween Party

The Recreation department, along with co-sponsor RE/MAX BEST, hosted the 2014 Children's Halloween Party at the Recreation Sports Complex on Saturday, October 25. This annual affair, which includes carnival games, hayrides, a costume parade, and plenty of refreshments, is always one of the most highly attended events of the year. 2014 was no exception, with nearly 300 Hideout members and guests of all ages joining together on the indoor tennis courts for the afternoon's festivities.

The party began with crafts and coloring, where children could also add to their costumes by having their faces painted. Once the transformation was complete, they had ten different game stations to choose from, each complete with its own set of candy and prizes. Families also had the option to venture outside and take part in a hay ride around the north side of the Hideout, courtesy of Ron from maintenance.

And of course, there was a costume contest where the kids got to show off their fantastic disguises. After all the children circled up according to age and paraded around the gym, our discerning judges were left with the task of choosing the winners. Hands down the most difficult job of the day due to the overwhelming number of great costumes, the results were as follows:

In the age 3 and under category

Funniest girls costume went to "S'more Baby"
Funniest boys costume went to "Tigger"

Most original girls costume went to "Bat Girl"
Most original boys costume went to "Wolf"

Best costume went to "Fireman"

Most original girls costume went to "Jester"
Most original boys costume went to "Snowman"

Best costume went to "Peacock"

In the age 8 to 12 category

Funniest girls costume went to "Cleopatra"
Funniest boys costume went to "Suit Clown"

Scariest girls costume went to "Red & Black Witch"
Scariest boys costume went to "Crash Test Dummy"

Best costume went to "Pocahontas"

In the age 4 to 7 category

Funniest girls costume went to "Power Ranger"
Funniest boys costume went to "Mummy"

A very special thank you to RE/MAX proprietors Betty Covey and Heather Meaghers who sponsor our Halloween, Christmas, and Easter parties, and also to Bonita Waddell, Cindy Seda, Judy Scigowski, Allison McDermott, Tea and NickoCappulo, Joan Casale, and all the rest of our wonderful volunteers who make this event possible. Also, the Recreation Department would like to thank the Hideout Quilters, who put together all of the fantastic goodie bags for us. Finally, we would like to thank all of the families who come out and support our events year after year!

2014 Bocce League

The league met weekly throughout September and October-
The Teams for the 2014 season are:

1. John and Jessica Begley

2. Ray Morgan and Jim Dunn

3. Ed and Marianne Sparkowski

4. Bonnie and John Miracle

5. Penny and Phil Johnson

6. Dee Eifert and Marge Luethje

7. Ellen Dickey and Joan Germain

8. Dick Parisette and Joe Ingrassia
9. Dolores and Bill Carney

10. Ann Appel and Carolyn Barnes

11. Steve Truncale and Martha Cinicola

12. Jack Perenza and Joe Sterling

13. Ernie and Gail Iannaccone

14. Paul Schiavo and Nancy Kelly

15. Tom Lane and Vincent Contorno

Going through the 1st three weeks of the league – four teams were on top with no losses. The front runners were Team 15-Lane/Contorno, Team 10- Appel/Bond, Team 12- Sterling/Scampoli and Team 2- Morgan/Dunn. Team 8-Parisette/Ingrassia, Team 7-Dickey/Germain, and Team 9-Carney’s followed a close 2nd with 1 loss each. Hugging the bottom with two losses- Team 3-Sparkowski’s, Team 4-Miracle’s, Team 6 - Eifert/Luethje, Team 11-Truncale/Cinicola, Team 13-Iannaccone’s, Team 1-Begley’s, Team 14-Schiavo/Kelly and Team 5-Johnson’s.

The weeks played on and the front runners continued to stay on top of the standings. After six weeks there was a tie for first with 6 wins between Team 15 and Team 12. Team 8 was 1st place with 5 wins and a three way tie for fourth-Team 10, Team 7 and Team 2. Team 4 and 1 were in the middle with 3 wins and losses. Teams 6, 9, 13,14,5, and 3 were in good company with 2 wins and 4 losses. Team 11 held up the rear with 1 win and 5 losses.

The last week of the Bocce League pitted the two first place teams against each other. Team 12-Joe Sterling and Bill Scampoli competed against Tom Lane and Vinny Contorno for the title. The game was played in drizzling conditions with wet leaves littering the court. The four competitors confirmed why they were the first place teams. The game went point for point and was tie at 21’s and the winners’ are--Team 12-Bill and Joe – just squeaking by with a 23-21 victory. Team 15’s loss put them in a tie with Team 8-Joe and Dick. All three teams received a Bocce Shirt for their participation and excellence in the game. A banquet was held at the RSC on October 29. All participants received a certificate for participation.

Final results below.

Hideout Golf News
From the Rough
A golf tip from Larry Lutz, Hideout Golf Teaching Pro

For perfect ball position every time, it’s essential to know where the bottom point of your swing is-that area where the club head contacts the ground or comes closest to it. When hitting balls from the ground this low point should occur just after the ball has been struck. Observe from your practice swing where the bottom point falls or where your divot starts and position the ball just to the right of this spot. The low point will change as the length of your club, your stance and your lie change.

I hope you find this tip helpful, but most of all, remember your good shots, forget the bad ones and have fun.

All meetings start at 9 a.m. in the utility room across from the Golf Pro Shop.

From The Pro Shop

Our 2014 golf season has come to a close. The Pro Shop is closed with the exception of our Holiday sale. If the weather does warm up any over the winter months which it has in the past, members with golf passes can walk the course until the snow arrives.

Our annual Christmas sale will be held on Sat., December 13 from 10:00 a.m. until 2:00 p.m.. We have a large assortment of apparel items, clubs, balls, shoe and other golf accessories. Everything will be marked down. Don't forget the ten play green and cart cards. Get 10 plays for the price of nine. They will also be available in the pro shop and can be used for the 2015 golf season. Refreshments and finger foods will be served.

The final tournament of the season was the Fall Classic which was held on the 27th of September. We had 70 golfers participate and a great time was had by all.

Next year we hope to introduce a USGA program called "Get Golf Ready" which is a series five one and a half hour group sessions for \$99.00. Our aim is to bring more people into the game or bring people back who have left the game.

Looking forward to next season. Until then have a safe and happy Holiday season and a prosperous and healthy New Year.

Al Lutzi and Jim Graham

“The Help A Hero” News

On November 11 at 11:00 a.m. in the morning at the Main Lodge, Bob Wiegand, Bill Wagner and Charlie Lawlor of “The Help A Hero Fund” presented all the Veterans and spouses in the Hideout, and buses of veterans from the Wilkes Barre V.A. Hospital and the Julia Ribaudo home, to a breakfast brunch and a video of the many branches of the military. On display were various military uniforms and photos.

Guest speakers were Arnie Milidantri, our Board Chairman, Fred Sakacs the Vice Chairman, Joe Acla our General Manager, and special speakers Wayne County Commissioners Brian Smith, Wendell Kay, and Jonathan Fritz.

The Commissioners presented Bob Wiegand with a framed proclamation stating they are deeply indebted to the Veterans of this country for their service. The proclamation also stated that The Help A Hero Fund has consistently recognized our Veterans and urged all Wayne County residents to honor November 11 to remember those who served and those who died during our nations wars. This proclamation will proudly hang on the wall of Heroes at the Main Lodge, and Bob thanked them for this honor.

Pastor Kevin Stiles, gave the invocation, spoke of the sacrifices our Veterans endured and the price for freedom we have paid. He blessed all who were called to service. Joel Ostro, Chaplain of Paul Sweeney American Legion Post 807, gave the Benediction.

The Hideout Help A Hero Fund announced that we would have a very special guest coming to The Hideout. Tsgt. Brian Williams, who will be the first recipient of an all inclusive Vacation for wounded Veterans.

A video of all the member's photos who are on the Wall of Honor was shown during the brunch.

The Highlight of the morning was when our Public Safety Department escorted the Veterans buses to the Main Lodge, and the standing ovation that accompanied the Veterans, some in wheelchairs, as they were wheeled into the Dining Room.

The American Legion gave their full support as usual.

Our grateful thanks to all who gave a donation to our fund. It's things like this that enable us to continue doing events like this.

Sincere thanks to everyone who came and everyone who assisted putting the ceremony together. Special thanks to Lisa Cook, Brett Schumacher, and their staff for an outstanding brunch.

Hideout Adult Bowling League

By: Len Wysocki

It's hard to believe, but our bowling is already into its 2nd third of the season. It's still early, but two teams are trying to put some distance between themselves and the rest of the league. NO NAMES has a 1 ½ pt. lead on MISSION IMPOSSIBLE. The next closest team is 4 ½ pts behind. We are six people short of filling our 17 teams! So, if you're out there waiting to come back, or want to start bowling, please call Len Wysocki at (570) 698-7898 or Carole Maguire at (570) 698-6645. Now to some scores.

WEEK # 7 – Paul Como was at his season's best, blasting the pins for games of 256, 257 & 215 for a GREAT 728 series(74POA). Frieda Maher put together her best three games of the season, shooting a nice 498 series(81POA). Only one team managed to sweep their opponents this week: The Wanted's.

WOMEN HIGH ROLLERS: Audrey Quattrachi 164; Virginia Sabia 142; Carolyn Barnes 153; Gro Paulsen 150; Frieda Maher 179; Dee Pasciola 132.

MEN HIGH ROLLERS: Bill Roselli 178; Fred Benedicto 172, Dick Covey 115, Ed Sparkowski 162; Dom Lucarelli 213, Paul Como 257; Bernie Zelno 179.

WEEK # 8 – Rick Hadley bowled his best game of the season, a nice 235 game(84POA). Lucille Belvedere was at her season's best, shooting a 424 series(64POA). Three teams took 4 points this week: Spare Us Taod, No Names and KISS.

WOMEN HIGH ROLLERS: Carolyn Barnes 154; Miriam Fernandez 176; Bobbie Hraba 160; Lorraine Procopio 201; Millie Roselli 176; Merridy Gersten 155.

MEN HIGH ROLLERS: Dom Lucarelli 189; Al Auricchio 149; Ken Wenz 186; Lou Filosa 147; Bob Fezza 191; Rick Hadley 235; Willie Endorf 150.

WEEK # 9 – Mike Messina was at his season's best this week, bowling a 556 series(61POA). Dee Pasciola bowled her high series of the year, a nice 398 series(59POA). Just two teams won all the points this week: Hit and Miss and No Names.

WOMEN HIGH ROLLERS: Lucille Koehler 171; Sue Dimmick 164; Ann Appel 175; Cindy Gaspari 193; Bobbie Hraba 164; Sandra Carapella 144; Merridy Gersten 180; Marianne Sparkowski 160.

MEN HIGH ROLLERS: Dave Dimmick 193; Dick Covey 129; Paul Como 249; Roger Cortez 163; John Gaspari 133; Joe Stach 187; Mike Messina 192.

WEEK # 10 – Bernie Zelno was on his game this week. He bowled a great 212 game(80POA). Likewise, Bobbie Hraba was at her best, bowling a nice 186 game(49POA). Two teams had no mercy on their opponents this week by taking all 4 points: Da Goylz and No Names.

WOMEN HIGH ROLLERS: Betty Lineman 151; Isabella Tridente 142; Bobbie Hraba 166; Audrey Quattrachi 165; Lorraine Procopio 191; Kim Wittreich 177; Marge Luethje 144.

MEN HIGH ROLLERS: Rafael Fernandez 190; Bernie Zelno 212; Tom Maher 236, Mike Gersten 165; Jack Perenza 110; Rick Hadley 210; Len Tridente 182; Lou Filosa 172.

Selling Your Home In The Winter...

By: Rose Sawyer, Broker Associate

Here in the Poconos, selling a home during the winter months can be a challenge. Dreary, cold weather can keep buyers away and heighten fears of your home staying on the market longer than expected.

If you are serious about getting your home sold, you should realize that this is actually a great time to sell your home. You may think you should take your home off the market because there are fewer buyers out at this time of year. That is true, however, those buyers who are out home shopping in the winter are very serious buyers. During the slack time in the market, the less serious buyers drop out. So show your home now to those serious buyers, especially as at this time of year they have less homes to choose from, lessening your competition.

There are a few things that you should do to increase your home's appeal during the winter. Staying on top of winter maintenance and chores is a sure-fire way of adding value to your home. A neatly shoveled driveway and cleared walkway are a must. Don't forget to shovel by the side doors, the garage and decks. It is fine to have sleds, toboggans and that sort of thing visible as it will reinforce the idea that your home is fun. Just be sure they are leaning against the side of the garage or the side of the house and aren't where someone will trip over them.

Make sure boots, coats, gloves, scarves and all those other cold weather items are placed neatly in the mud room or coat closet. Provide a good welcome mat for people to wipe their feet as buyers sometimes feel awkward about tracking through people's homes.

Make sure the heating system is in good working order and that the room temperature is kept at a comfortable level. There is nothing worse than having a buyer zip through your home without taking the time to really take a look because it is so cold all they can think of is getting back to the warmth of the car. An unheated home can be colder inside than it is outside! Use weather stripping to seal any drafty doors or windows. Also, check to see that the basement is dry and sealed from any drafts.

Open as many curtains as possible to add light and color to rooms. It is also a good idea to keep spring and summer pictures of your home out on tables and in clear view. Photos of your front yard flowers or the backyard shade tree in full summer bloom can help swing many buyers in favor of a purchase.

Just as you would in warmer weather, take yourself on a tour of your home. Start in the basement and work your way through the house. More than likely you'll see many previously undiscovered cluttered spaces and needed repairs that can turn off potential buyers. Don't let something as simple and inexpensive as a missing switch plate make buyers think your home has been poorly maintained.

Winter is a great time to sell your home – make it available – you have less competition and the buyers are serious.

Horoscope

ARIES: A lucky break might set you off in a new direction that can add depth and dimension to your work. There is a sense of unity in your group that encourages enthusiasm.

TAURUS: Christmas comes but once a year. You may think that's a good thing, but enjoying the traditions, religious aspects, family and friends can be inspiring.

GEMINI: As a born leader, you are more comfortable taking charge than taking orders. But your ability to envision the future will make the steps to get there fall into place.

CANCER: Aspiring to lofty ambitions is admirable if it motivates you to do more and better. Avoid setting an unreasonable timetable for reaching your destination.

LEO: Now, you have a desire to make your home a place of refuge. You are also determined to make things better for others. That helps you and it helps your loved ones.

VIRGO: The stars say that with your talents, you should be a doctor, nurse, psychologist or writer. Whatever your job may be, you turn to books or training to learn more.

LIBRA: Be ready for holiday get-togethers. The stars say your powers of attraction are strong in December. Your partner will be romantic; new acquaintances will notice.

SCORPIO: While practicality is your keyword, you are basically scientific in nature. Methodical, you do well organizing projects and coming up with practical plans.

SAGITTARIUS: You can be a good earner as well as a saver of money, but soon you may be faced with some challenging news about money. Take a step back and regroup.

CAPRICORN: Setting your high standards for honesty, perseverance and dedication to duty make you an excellent manager. You develop loyalty in yourself and others.

AQUARIUS: The holidays promise firmer ground, so throw panic away and plan carefully with your future happiness in mind! Stay calm and handle whatever comes up.

PISCES: Yes, you are sensitive, compassionate, hardworking, and reliable. You also know how to get to the heart of a matter, which makes you an excellent problem solver.

Lake Committee Draft Minutes of Meeting - 9/20/14

Chair: Tim Jeffers.

Members: Kevin Clancy, Larry Garlasco, Karen Greenfeld, Rich Maxwell, Rick Nolte, Judy Restaino, Jeff Silverman. Staff: John Gigliotti.

Excused: Charlie Durkin, Bob Kravetz, Jim McLoone, Arnie Milidantri.

The meeting was called to order at 9:05 a.m. The minutes of the previous meeting were approved as written with a motion by K. Greenfeld, a second by R. Nolte, and approval by 6 with one abstention.

Election of the chairman followed. K. Greenfeld's nomination of T. Jeffers was seconded by K. Clancy and approved unanimously by all. K. Greenfeld thanked Tim for his years of service.

J. Gigliotti spoke about the video trailer of the WVIA program entitled Greenlife PA – Floating Wetland Islands-which features The Hideout's use of floating islands as part of our lakes management plan will be shown in its entirety on Channel 10 in late October.

OLD BUSINESS:

5 Year Lake Management Plan: Dr. Lubnow will speak at the Board meeting on the 27th about the plan. T. Jeffers asked that committee members read the plan and send comments to him by the first week in October.

North Beach Shoreline Stabilization Project: The final installment from the grant - \$19,000-has been received.

Act 13 Grant: This grant by the Department of Economic Development supported by the natural gas industry for a storm water project has been applied for by J. Gigliotti in conjunction with Princeton Hydro and Nick Spinelli of Lake Wallenpaupack as a sponsor. It is a grant for \$300,000 with a \$60,000 match.

Ariel Creek Watershed Partnership: Together with The Hideout, Lake Ariel, Lake Township, and Lake Wallenpaupack are forming a partnership to meet after the first of the year and discuss a project to look for a grant that would benefit all. J. Gigliotti still needs to contact Wildwood Hunting Club. T. Jeffers suggested that he also contact Lake Genero.

Brooks Lake Dredging: J. Gigliotti has run into a roadblock about the dredging. The dam is not officially permitted. Dr. Givler, the engineer for dams, was here to work on the permitting. K. Greenfeld stated that if we are unable to do the dredging this year, the money should be set aside for next year.

Deerfield Lake Aerators: J. Gigliotti is disappointed with the aerators and their servicing by Lake Savers. The system needs to be upgraded.

Weeds in Lakes: The increased number of grass carp has worked well in Roamingwood. We have sampled a new product which should decrease the amount of tape grass. Next year the rest of the canary grass will be removed from Brooks.

Reserve Study: T. Jeffers is concerned that there is not enough money in the study for maintenance of manmade items that will wear out such as floating islands, aeration systems, pumps, booms, MTDs.

Roamingwood Drawdown: It will be the last week of October – before Lake Ariel.

Catch and Release: L. Garlasco asked that we have more controlled tournaments. There will be a fish survey in 2015 which will determine if we can make changes to the catch and release rule.

Deer Culling: A deer survey will be done this fall and culling will be done in January or February.

NEW BUSINESS: Eliminating winter meetings was discussed. It was decided that if the budget is done and projects are known, we will not meet in December, January or February. The next meeting will be on October 25th.

The meeting was adjourned at 10:20 with a motion by L. Garlasco, a second by K. Clancy and approval by all.

Respectfully submitted,
Judy Restaino

The Path Between The Trees

Now bare of leaves the mighty trees
As sleeves without their limbs
Stand tall with carved in memories
Still nowhere have they been
They've grown this year just as before
To shade my windows even more
The path between the trees now draped
With countless colors in mythical capes
To blanket where we walked before
As neighbors go from door to door
The northern cold of winter's days
Welcomes in this year's holidays
Our chance to decorate with cheer
Here and there and everywhere
With glowing lights from hanging strings
And all those things the holidays bring
Then wait as children come to sing
The songs we've grown to love
We wish for those of lesser purse
We wish away the war torn curse
We wish for what may never be
This holiday just wish and see
And if by chance your wish appears
Please reach out to share with those
Who walk the path between the trees
So many on tip toes.

SUM UP! You are asked to complete the addition problem at right by inserting digits 1-7 in such a way that each digit in the lower three rows is one more than the digit immediately above it. To begin, for instance, insert 2 under 1, 3 under 2, etc. (repeating digits as necessary) until all blanks are filled. What is the sum?
It is simply a matter of digit positioning.
See if you can work it out.

Synopsis of Western Wayne School District Minutes - October 6, 2014

The regular meeting of the Western Wayne Board of Education was held on October 6, 2014 in the Western Wayne Administration Building located at 1970C Easton Turnpike, Lake Ariel, PA 18436. Board President Alvin Hollister called the meeting to order at 7:01P.M. Miss Faliskie offered a prayer followed by the Pledge of Allegiance. Board Secretary Rose Emmett took roll call. (8) Board Members present: Pres. Alvin Hollister, VP Donald Olsommer Jr., Treas. William Gershey, Board Members Andrew Gaudenzi, Donald McDonough, Doris Pliss, Bernice Fiorella, Gary Podunajec, and David Lindow was excused. Administrators Present: Dr. Clayton LaCoe, Rose Emmett, Patrick Sheehan, Dr. Matthew Barrett, Kristen Donohue, Ellen Faliskie, Maria Miller, Paul Gregorski, Mary Ann Olsommer, Tanya Carrelle, Cynthia LaRosa, and Elizabeth Gregory. Maria Liptak was excused.

Approval of Minutes: Motion by Pliss, seconded by Fiorella to accept minutes from the Regular Board Meeting of September 8, with addition of correspondence read by Board Member Andrew Gaudenzi, who stated that his correspondence should have been read into the minutes of the September meeting. *Fellow Board Members, Dr. LaCoe, and Administration: First, I'd like to apologize to the entire Western Wayne School District as well as the community for my absence at this evening's meeting, September 8 and subsequent work session this past Wednesday, September 3rd. This evening's vote and decision to hire an assistant principal for the Western Wayne High School is one I must voice my opposition to. Over the past few years, the burden has grown on our educators throughout the district by the elimination of countless positions which have caused lasting negative impacts in programs and curriculum. The latest example being our formalized music instruction that was cut district wide in Pre-Kindergarten, Kindergarten, First Grade, and Second Grade at the Robert D. Wilson and Evergreen Elementary Schools. Our classroom sizes have risen in light of these decisions while cutting supplies for our students and teachers. We are asking more of our teachers, professionals, and staff than we ever have before. It is only right we should ask the same of our administrators as well. In my absence this evening, I found it necessary and imperative to voice my dissent against the hiring of an assistant principal of our high school as well as the subsequent science position that would be filled as well. Sincerely yours, Andrew J. (AJ) Gaudenzi. Western Wayne School Director.* The motion carried with seven affirmatives and one no vote from McDonough.

Treasurer's Report: Motion by Gershey, seconded by Pliss to accept Treasurer's reports generated from the General and the Food Service Account. Motion carried with all affirmatives.

Approval of Bills: Motion by Gershey, seconded Podunajec to pay bills from the General & Food Service Account. Motion carried with all affirmatives.

Student Recognition: Matthew Barrett introduced two outstanding students, Matthew Witt and Adam Curtis for student recognition. **Recognition of Public:** Hollister made a statement prior to the recognition of public that this is the time for all public comment, once the voting part of the meeting begins, the Board will not entertain further public comment. JoEllen Forney voiced her concern for the RDW Pre-K PM Program, she wants more than just Library for her child. Laura Davis read the following statement and asked that it become a part of the minutes of this meeting: *Good evening Board members, Dr. LaCoe and Mr. Sheehan. My name is Laura Davis. Mr. Gaudenzi when you were hired you took an oath of office and that oath of office as stated in the public school code of 1949 reads as follows: "I do solemnly swear (or affirm) that I will support, obey and defend the constitution of the United States and the constitution of this commonwealth, and that I will discharge the duties of my office with fidelity." This oath implies that it is the duty of a director to act with fidelity. Synonyms for fidelity are trustworthiness, faithfulness and loyalty, all of these qualities inform the general understanding of ethical conduct. There is a court case "Burger vs. McGuffey School district (2007)" which tests the interpretation of the constitution as it relates to public officials conduct. A board member was terminated for unethical conduct. He sued. It was taken to a higher court and the court sided with the school district. The court did this by interpreting each article of the constitution as if it stood alone. Therefore, under the first sentence of Article 6 section 7, the constitution states that continued service is dependent upon the director behaving him or herself in office. The court suggested that public officers, including school directors could be removed under the constitution "upon the officer behaving in a manner not befitting of the trust placed in him by the public." Mr. Gaudenzi, the public generally does not trust individuals who have been incarcerated. This is evidenced by the fact that anyone entering a school would have to give their driver's license at the window before being allowed to enter into the school. Driver's licenses that come up with having a criminal record, misdemeanor etc. are flagged and the person is detained and barred from entering the building.*

Mr. Gaudenzi, right now with your current driver's license, you would not be allowed to enter any buildings in this district without being detained, yet you remain on the board in a position to make decisions about our children's education. I do not want my sons to go to a school that is governed by an unethical person. And furthermore I do not feel that you represent the morals of our community. To support my position in a public arena I visited the Wayne County Courthouse. There public records report that in 2009 you were discovered in a 1998 Plymouth Voyager that was flipped over on its passenger side as a result of fishtailing down the street. The officers noted you showed signs of being intoxicated and that you admitted to drinking several beers. You had a passenger with you at this time, you failed a field sobriety test and as a result you were transported to Wayne Memorial for a blood test which you refused. The police report noted that throughout the incident you became unruly, threatening to go after the cop and his family. You also attempted more than one time to head butt the officers and as a result you had to be stunned with a taser. You were charged with resisting arrest, disorderly conduct, driving outside of the lane, careless driving and terroristic threats. Your bail was posted at \$25,000.00. You were sentenced June 11, 2009 and subject to 6 months parole and 12 months probation. On January 8, 2010 you violated your parole when you were picked up at the Colessum night club and found with two small bags of cocaine in your front pocket. At this time you tested positive for benzodiazepines (beno) which is a chemical used in treating anxiety. It is used for its sedative qualities. You were charged for the possession of a controlled substance, public drunkenness and once again you were tasered to be subdued while resisting arrest. This brings us to February 27, 2014 where the records report that you ran over a fire hydrant while intoxicated, left the scene and were found by the cops at your home. Your vehicle was 100 feet from the scene and the officers noted when you answered the door your eyes were red and glossy, your speech was slurred and you had a strong odor of alcohol. Blood work was processed and your blood alcohol content was .246 which carries with it the highest penalty because it is over three times the legal limit. For this you were charged with a misdemeanor along with several other counts related to wreckless driving and the influence of controlled substances. You were sentenced August 28 and released from jail on September 27, 2014. Just in time to make this board meeting. Mr. Gaudenzi, I find it inconceivable that a person with this record would not resign in the best interest of the students, the

parents, and the school district. Therefore I am asking it to go on public record in the board minutes that I am personally asking Mr. Gaudenzi to resign from this board immediately. If Mr. Gaudenzi does not willingly resign then I am asking the board members to vote on his removal. This is a civil matter. The board would have to vote on it. Your current board policy makes reference to the school code in that it states that "The board will act in accordance with its statutory mandate (School code)." Your policy does not supersede compliance with the school code. The "Burger vs. McGuffey" case referenced school code 10-1080 when they terminated a board member for unethical conduct. The school district won. The court set a precedent in upholding the school districts decision. Mr. Gaudenzi is a volunteer. He is not losing a liberty if he is terminated. Your policy and the PA school code will uphold his termination. You just need to be willing to pay our solicitor to do this and you need to vote on it. This matter is in your hands. Mr. Gaudenzi, will you resign from the Western Wayne board of education? Then it is done. Board directors I am asking you to seriously consider the implications of continuing to support this behavior of a board member. Mr. Gaudenzi's response was no, he will not resign.

Amanda Johnson asked to submit a letter on behalf of Lisa Bunting, she wants to know if we can consider patching the roof instead of a full repair? Hollister told her they would take it into consideration. She also told us that a list of clubs need to be added to the new website, not just athletics. She also addressed Laura Davis' comments and said that after serving time, someone should be given a new opportunity. Joe Espisito also commented on Laura Davis' comments, he stated that the public elected Gaudenzi, the public needs to vote him out.

Enrollment: EverGreen-575; RDW-342; MS-485; HS-680. TOTAL 2,082.

Other Business: McDonough mentioned that we are on a list from PDE regarding PlanCon processing, we are hopeful that we may hear something on our application by next fall. Gaudenzi made an apology to the Board of Education and the Public, the reasons he won't resign are because he sits on the board to do what is best for the community, he battles alcohol, he has no excuses for what he has done, but will stay on the board to fight for children, be the voice of the people.

Adjournment: Motion McDonough, seconded Olsommer to adjourn regularly scheduled meeting at 7:54 PM. Motion carried with all affirmatives. Respectfully Submitted, Rose E. Emmett, Board Secretary

Synopsis of Lake Township Minutes - October 7, 2014

Meeting was called to order by Chairman Scottie Swingle at 7:00PM. Supervisors Scottie Swingle, Timothy Jaggars and Fred Birmelin were present. The pledge of allegiance to the flag was recited. T. Jaggars moved to approve minutes of the regular monthly meeting held on September 2, 2014, carried 3-0. F. Birmelin moved to approve Treasury Report for September, carried 3-0.

Public Hearing: The advertised public hearing was held for the proposed Recreation Ordinance and creation of a Recreation committee. The ordinance was available for public inspection, noting recreation areas and rules for recreation area. Committee will consist of 5 members and will coordinate activities for all sites and will work at the will of the Supervisors as an advisory group. With no comments F. Birmelin moved to adopt the Recreation Ordinance as prepared and advertised carried 3-0. Fire Police Oath of office was issued to Michael Rotolo, for addition to the Lake Ariel Fire Police.

Correspondence: 1) Lake Ariel Fire Co. reported that for September 2014, there were 9 alarmed responses;

2) Training sessions for the month were completed, they also held 2 days of work detail sessions and received 2 new members. 2) Maplewood Fire Company provided its September 2014 activity report, showing 11 alarmed responses, and 11 training days. Maplewood noted that 7 members completed and passed the tests to become PRO Board certified Fire Fighter 1. 3) Hamlin Ambulance provided its Quarterly ambulance call lists. 4) Fire Fighters relief Funds were received in the amount of \$53,540.04 money to be split 75% \$ 40,155.03, for Lake Fire Co and Maplewood to receive 25% \$13,385.01. T. Jaggars moved to approve split of funds carried 3-0.

Roadmaster's Report: S. Swingle reported that during September they have been working with Jefferson, South Canaan and Salem blacktopping and berming. Work on Stockfarm Road will include taking trees down. Curtis Putman will be hired to take trees down and guardrails will be installed by Chemung. Received two loads of road salt.

HAA News

LATEST NEWS:

COME ONE, COME ALL!! Plans are in the works for our annual Holiday Luncheon. The date is December 5, and the time is 12Noon to 3:00 p.m. The venue this year will be the Radisson Hotel in Scranton and a wonderful menu is planned. There will be a choice of four entrees (wild mushroom ravioli, grilled salmon, rosemary chicken or marinated flank steak) and dessert. Cost for this event is \$25. Call Lucille Koehler at (570) 698-4149 or Kathy Trombley at (570) 630-2107 with any questions. Checks should be made out to the HAA, and can be mailed to Kathy Trombley at 1390 The Hideout. This annual treat is open to all, so plan to come and bring your friends! It promises to be a wonderful holiday event!

ART CENTER NEWS – The construction and renovation at the Art Center is in full swing! It is a work in progress, and will hopefully be completed to usher in the New Year.

Stained Glass creation, a new class to be offered starting in the New Year, has 50 scheduled participants to date. This class should begin in early 2015 and will be scheduled in small groups to start, as attendees are instructed and trained in this art. There will also be availability of an introductory session for “newbies” who want to get a feel for the art prior to investing in supplies. Course length is anticipated to be approximately three weeks, with 2-3 sessions each week.

Art Center Wednesdays is coming! It will be a “free” afternoon session when members can gather to work on individual projects, share crafting secrets and get together for a friendly afternoon. More information to follow as it becomes available.

2015 SLATE OF OFFICERS – At the regularly scheduled November business meeting on 11/14, a vote was taken to name the officers of the HAA for the next two year tenure. We want to congratulate and thank all those who have been voted in. They are as follows:

- Co-Chairs - Mary Fentress and Carol King
- Secretary - Aurora LoVerde
- Treasurer - Marie Krauss

Aurora LoVerde has additionally agreed to continue to act as HAA Event Planner. Anyone interested in assisting in this effort, please feel free to contact Aurora at (570) 698-7972. We would like to take this opportunity to express our thanks and gratitude to Millie Roselli for her selflessness and leadership during the past year. It was an incredible pleasure to collaborate with her.

On 11/19, Joanie from Countryside Floral treated the members of the Arts Association to two holiday wreath making classes, one from 1:00-3:00 p.m. and a second session from 6:00-8:00 p.m. The sessions were well attended and were lots of fun for those who attended. Each attendee

added their own personal and creative touch to their projects, and the finished wreaths were individualized and very festive. Many thanks to Barbara Pannone for arranging the classes, and thanks also to Joanie for her instructional expertise.

As part of its mission, the HAA annually makes charitable donations to organizations selected and voted on by the membership. We are very proud to announce that this year, \$300 will be donated to Saint Thomas More Church and another \$300 will be donated to The Hamlin Library. The HAA is additionally planning a gift of \$500 to the Recreation Department in order to sponsor events for the coming year.

A committee has also been formed to work on the establishment of a \$1000 scholarship to be awarded to a deserving high school or college student who is interested in, or actively pursuing a degree in the Arts. Bette O'Brien and Chris Clancy have graciously volunteered to head this committee, and criteria for qualification for this scholarship are being worked on. The criteria will be presented by Bette and Chris at the January business meeting, and will be voted on by the membership of the HAA.

We would like to wish everyone a warm and memorable Holiday!

HIDEOUT ADULT SOCIAL GROUP

The Hideout Adult Social Group (H.A.S.G.) was formed more than 30 years ago to provide an opportunity for members of our community to meet and socialize with other members of the community. If you enjoy meeting new friends, socializing with old friends and like to party, then the H.A.S.G. is for you. Typical events include dinner dances, picnics, luaus, a “social” golf league, local outings, travel and anything else you can think of that involves socializing, dining and just generally having a great time with wonderful friends new and old.

The Hideout Adult Social Group meets the second Thursday of every month in the Main Lodge Dining Room at 1:00 p.m. and is open to all Hideout members and renters age 40 and above. Come join us at our next meeting for a hot cup of coffee or tea and some home-made refreshments and some great friendship. Let us know you're coming and a member of our Welcoming Committee will greet you at the dining room door.

For more information please contact Audrey Straczynski
(570) 698-5791, mtnhome@echoes.net. We all look forward to meeting and socializing with you.

HASG GOOD NEIGHBORS CLUB

The Hideout Adult Social Group (HASG) is expanding our recently-formed Good Neighbors Club. We are pleased to coordinate the following Good Neighbors Club services to all members of the Hideout Community:

- Many of us own wheelchairs, walkers and other medical equipment that we are not currently using. Others are in need of some of this equipment for a period of time. The HASG is compiling a list of such equipment. The intent is to have a central contact point where those in need can inquire about who may have the equipment they need and be willing to loan it to a fellow Hideout member. If you possess such equipment and are willing to help out by lending it to a Hideout neighbor, or if you are in need of same, please contact Louise Brevet, Chairperson at (570) 698-5102, or Judy Restaino, Co-Chair at (570) 698-9840.
- A number of us have survived major illnesses: cancer, heart attacks, strokes, etc. If you are a survivor of a life-threatening illness and are willing to talk, one on one, with others currently going through a similar situation, or if you are fighting such a situation and would like an opportunity to talk to someone who has “been there done that” please contact Louise Brevet, Chairperson at (570) 698-5102, or Judy Restaino, Co-Chair at (570) 698-9840. Confidentiality will be observed.
- Many of our neighbors live alone. If you are by yourself and would like a daily phone call from a fellow community member, or if you would like the opportunity to brighten someone's day with a friendly “hello, how are you today?” then again please contact Louise Brevet, Chairperson at (570) 698-5102, or Judy Restaino, Co-Chair, at (570) 698-9840.

The HASG believes in neighbors helping neighbors. Although the Good Neighbor Club is a function of the Hideout Adult Social Group we are pleased to offer these services to ALL Hideout residents.

HIDEOUT SOLOS OVER SIXTY

Our new group is doing very well and we keep getting new members. As of today, 27 people have joined. Some are part timers...some full timers. Some are snow birds and some are not, and some are men and some are women. But, the one thing we all have in common is that we want to make new friends and have fun. Louise Brevet has already planned two luncheon meet ups and I hope all of you will feel free to do the same. All you have to do is get an idea and send it out to the people on the list.

I do know that some members don't have e-mail address so please call them if something is being organized. This group is not a structured one and there aren't scheduled meetings every month. It is more of a meet up group where we can exchange e-mails, phone calls, dinners, card games, trips or whatever you would like. Unfortunately, I haven't met many of you but I think that once the spring comes we will have many more opportunities to get together.

For those of you that stay in The Hideout over the winter, I do hope that you will plan some things. Our community has so many great areas for meeting up. Thanks to all of you who have joined the SOS group and please tell your friends.

BUILD IT and they will come

By: R.J. Straczynski, CFM, C.P.M.

Merry Christmas and Happy New Year to All! This has been another busy year for the ECC. Thank you to all those Hideout members that we had the pleasure of working with on their home projects.

Congratulations to Paul Spiese, committee member, who was appointed to the Board of Directors. Paul will be completing the balance of the term due to Art Shelko's recent passing. Paul will be missed at the bi-weekly sessions. Art will be missed as a supporter of the ECC.

Each month's article has been focused on a different topic from the ECC Manual. However, for December, the group would like to present the following for your enjoyment.....

ECC Night before Construction

'**Twas** the night before Construction, and all about my land,
The Survey stakes were planted according to a certified Plot plan.

The Hideout Permits were posted on my sign post with care,
In hopes that the Builders soon would be there.

All the down-payments were issued to those who had asked,
And the materials had been delivered for the upcoming tasks.

Past midnight, time to turn in, and get some much needed rest
For tomorrow our emotions and nerves will be put to the test!

Morning came quickly and the sun had barely rose
When my alarm rang loudly from my bedside *Bose*.

Then out on the front lawn there arose such a clatter,
I sprang from the bed to see what was the matter.

The sun was so bright like new-fallen snow
Shone on the faces of all the workers below,

Then, what to my half-shut eyes should appear,
But a large bulldozer crunching its gears

With a grumpy old driver, so lively and quick,
I knew in a moment it must be my builder, Nick!

More rapid than north winds his tradesmen they came,

And he yelled out orders, and shouted, and called them by name;

'Now, Sammy! Now, Fred! Now, Arnie and Paul!
Oh, Bill!, Oh Rich!, come on John and you too Joe!

Cut to the top of the grade! Make the retaining wall!
Now Dig away! Pave away! Build away all!

Footings were set and re-surveyed as per the old rule,
Then the foundation was poured while I sat on my stool.

Basement, side walls, and then roof, rapidly came next,
Already, they were finished with the deck.

Nick had a bundle of tools flung on his back,
And he looked like Santa, just opening his sack.

The stump of a cigar he held tight in his lips,
As the drool ran down and fell on his hips;

He spoke not a word, but went straight to his work,
Measured twice, cut once; this guy was no jerk,

He walked to his truck and then waved to his crew,
We're Done! To the Backdraft for a couple of brew.

But I heard him yell out, as they drove out of sight,
"Enjoy your new home, ***cause we done did it Right!***"

HAPPY HOLIDAYS to ALL ! Your best Gifts are those you love and who love you in return.

ECC Meeting Schedule - December 12 & 30, and January 9, 2015. Schedule may be subject to change during the holiday season and depending on weather conditions.

Synopsis of Salem Township Minutes - October 14, 2014

The regular monthly meeting of the Salem Township Board of Supervisors was held on October 14, 2014. Members present were Merel Swingle, Robert Wittenbrader and Dennis Chapman. The meeting was called to order by the Chairman at 6:30PM and the Pledge of Allegiance was then recited. Minutes of the September 9, 2014 meeting were approved as presented with no comments or corrections on a motion by Dennis Chapman 2nd by Robert Wittenbrader, all in favor.

New Business: Workshop for 2015 Budget to be held during the next Township meeting, November 11, 2014. Motion to advertise made by Dennis Chapman 2nd by Robert Wittenbrader with all in favor. Pictures with Santa to be held on December 6, 2014 at the Township Building from 2-4pm. Motion to make Advertisement per Township Code the intent to appoint a certified public accountant to Audit the 2014 accounts, motion made by Merel Swingle 2nd Dennis Chapman, all in favor.

Old Business: The bid opening for the Indian Rocks Roads winter Maintenance was then held. The Township received two bids. The bids were as follows: Gary Enslin-\$3,100.00; Indian Rocks POA-\$3,000.00. Dennis Chapman made a motion to approve Indian Rocks POA as winter maintenance provider for the 2014-2015 Winter season as per bid specifications, 2nd Merel Swingle, all in favor. The 92 Topkick has not been listed yet waiting for inspection, will be inspected and advertised for November meeting approval minimum price was set last meeting at \$9000.00 with plow and cinder spreader. Mr. Mancina has spoken with Supervisor Swingle and has gotten another appraisal will provide to Township as soon as he receives.

Attorney Updates: Attorney Treat spoke with Hamlin Ambulance and Wayne/Lackawanna ALS ambulance to review the request they had made. Attorney Treat noted neighboring Townships have made this decision but notes the most important is the availability. GPS locators are in the ALS units and are used at the Communications Center for access. Hamlin Ambulance noted they have a billing agreement with Wayne Ambulance and use them as their backup service if they are not available for Ambulance run. There is no restricting other ambulances if either is unavailable. Purpose of this request would only make them primary ALS if available, first call would be to

them, if unavailable next closest available would be dispatched. Motion to approve Wayne/Lackawanna Ambulance as the primary ALS made by Merel Swingle 2nd by Robert Wittenbrader with all in favor.

Supervisor Chapman discussed an issue that was brought to his attention of a request of the Hamlin Ambulance spare unit to be housed in the Township building discussion held reviewed and an area could be made available if the ambulance needed to be housed inside. Hamlin noted they would move if became a problem. Motion to approve housing spare ambulance unit by Merel Swingle 2nd by Dennis Chapman, all in favor.

Correspondence: SAI Consulting Engineers for Penn-Dot wrote on the proposed Bridge deck replacement at the Cemetery and Callapoose Road connection and the request of the Township Detour approval. Supervisors reviewed the detour during a recent public workshop noting the upcoming plan and agreed with the proposal motion to approve the detour proposal was made by Merel Swingle 2nd by Robert Wittenbrader with all in favor. Hamlin Fire and Rescue provided the Township with its accounting break down of relief money. Received and have available Hamlin Fire & Rescue's Firefighters relief Audit as done by the State Auditor General. The Township's State Liquid Fuels Audit for Jan 2012-December 2013 has also been received and is in compliance. Real Estate Transfer tax for the month of September has been received in the amount of \$3,181.39. The Township Received the Firefighters Relief funds for 2014 in the amount of \$43,596.61, that amount will be split equally between Hamlin Fire & Rescue and Ledgesdale Fire Co. Notice Election Day is scheduled for November 4, 2014 at the Salem Township building. Supervisor Swingle noted contacting Mr. Henneforth for portable lights for election. Bills were reviewed and with no comments or corrections a motion to approve and pay was made by Dennis Chapman 2nd by Robert Wittenbrader with all in favor.

Park Updates: Mr. Madden noted the new area for ball field looks good. He also noted he was approached by Tyler Shaffer asking about the Park Committee and asked the Supervisors if they would consider adding her to the committee. With no comments a motion to approve Tyler Shaffer to the park committee was made by Merel Swingle 2nd by Robert Wittenbrader with all in favor.

Public time: Steve Price noted that Hamlin Fire Co. is hosting a comedy night at the Fire hall on November 8. He also advised the fire engine was damaged on its way back from a recent fire estimate of \$14,000.00 in damages but still in operation, generator on truck caught fire. Supervisor Chapman offered his generator if needed. Claire Madden questioned the Township on the recent articles in the paper of proposed amendments to the Constitution of Pennsylvania. Attorney Treat briefly viewed and noted it was involving Philadelphia traffic and public charity. With no other business or comments a motion to adjourn meeting made by Dennis Chapman 2nd Robert Wittenbrader, all in favor. Meeting adjourned at 7:15PM. Respectfully submitted, Jennifer Wargo, Secretary/Treasurer

VIDEOS NOW AIRING ON HIDEOUT CHANNEL 20!!!

Dear Hideout Members,

Did you know that Channel 20 is airing short video clips of Hideout Happenings?

Every day at 10:00 a.m., 3:00 p.m. and 7:00 p.m. there will be a video of a recent event. Thursday is "Throwback Thursday" where we will take a trip down Memory Lane. Have you been dancing at a party, chowing down at a barbecue, pitching a horseshoe, or climbing aboard a hayride with the kids? Tune in and see if you are "Now Showing" on Hideout TV.

Resident Benny Appollonio from APPTVIDEO studio has volunteered his professional experience and knowledge to showcase the great life we have in the Hideout. He is often assisted by Bette O'Brien as they film, edit, write dialogue and package each program.

THAT'S A "WRAP" FOLKS. SEE YOU ON CHANNEL 20.

GOOD NEWS

is a new section in the Hideabout where members have an avenue to report good news, show their appreciation, or just praise our wonderful Hideout.

Good News should be sent to:
Debbie McGowan, Hideabout Editor
640 The Hideout
Lake Ariel, PA 18436
or email dmcgowan@thehideout.us.

Dear Joe Kozuch:

We had to call the Hideout emergency number on Saturday night, October 19, 2014, to request an ambulance. It was around midnight, the dispatcher asked one question and said that help would be on the way. A safety officer arrived within a few minutes, rushed in with his medical equipment, and attended to our guest.

Shortly thereafter a second safety officer arrived followed by two ambulances. Our guest was transported to a hospital of our choice, and thankfully, she has been released.

I failed to get the names of the responders, but I would like to convey our gratitude to them and your well trained department for promptly responding to our emergency in a very professional, efficient, and caring way.

Bernadette and David Sokira
2056 Roamingwood Road

Editor’s Note: The officers in question were Sgt. Phil Williamson and Ptl. John Armato.

To the Hideout POA, its members, Staff, and Board of Directors,
The Ledgesdale Volunteer Fire Company would like to thank you for your recent donation of \$500.00 for 2014. This money will be put to good use within the Fire Company. As a non profit organization, donations such as yours help us to pay our bills and maintain our training for our firefighters, divers, and fire police.
Again, we thank you for support in our Annual Fund Raising efforts and hope you will continue to support us as we serve, not only your community, but all of the surrounding communities with some type of emergency coverage.
Thomas A. Sawyer
Treasurer, Ledgesdale Volunteer Fire Company

Lake Thaw Contest

When will the Lake Thaw Marker Fall

The Hideout will be holding a Lake Thaw Contest this winter season. Hideout members and renters have until January 15, 2015 to enter the date that they feel the marker will fall through the ice on Roamingwood Lake. As of this date, Mon., November 24, the lake is not frozen, however, we anticipate that it will freeze very soon.

Staff will observe to see if it is still above the ice, each morning, Monday through Sunday. The morning it is not found will be declared the winning date, whether it fell at 3:00 a.m. or 10:15 p.m. the evening before.

The guess closest to the declared date will win; if there is a tie, a first place winner will be chosen by random drawing. The first place winner will receive a \$25.00 gift certificate to Recreation.

Only one entry is allowed per person. Send your name, address, Lot #, and the date that you guess the marker will fall to dmcgowan@thehideout.us. You may also drop off your guess and info at the Hideout POA.

The Hideout P.O.A. 2015 Proposed Budget Newsletter

The Board of Directors of the Association of Property Owners of the Hideout, Inc. is pleased to present the 2015 proposed budget. As required by the Property Owners Association (POA) bylaws, the budget is now being placed before the members for 30 days of review.

The Board welcomes member comments and questions about the budget. Please forward your comments, concerns or ideas in writing to the community manager's office in the POA administration building or via e-mail to dkieiy@thehideout.us

Additionally, a meeting on the proposed budget has been scheduled on 9:00 A.M. Saturday, December 13, 2014 at the POA Administration building. All interested members are urged to attend.

The Board of Directors wants to express their appreciation to the members of the Budget Committee for their hard work in putting together this budget. The work is both time consuming and difficult and requires making carefully considered assumptions based on projections and best estimates. The committee's recommendations were most useful to the board in preparing this proposed budget.

Both the budget committee and the board worked hard to avoid dues, assessments and amenity fee increases. This year (2015) presents a challenge to achieve that goal, as we have again experienced a small but important decline in paid-up members. Of course this impacts our overall income. I'm happy to report that a very modest increase in dues, which funds our operations, is deemed necessary this year. All other assessments will remain flat. This years' budget reflects a \$40 total increase in dues and assessments over last year. We feel this is realistic and manageable.

Thank you
Richie Passarello, Treasurer

TODAY'S WORD

Even Exchange by Donna Pettman

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.

In Memoriam

Carol H. Kondakjian

Carol H. Kondakjian of Lake Ariel, PA passed away Sunday, August 23, 2014 at Wilkes-Barre General Hospital in Pennsylvania. She was 73 years old.

Born September 27, 1940 in Glen Cove on Long Island, she was the daughter of Karl F. and Helen Dora Sophie (Wulf) Kern.

She was married for 51 wonderful years to Thomas Kondakjian.

Carol was formerly a paralegal with Binder & Binder in Long Island.

A cancer survivor, she was active with the Seniors H.O. Hawks Walking Club, was an instructor for the Senior Aerobic Exercise Group and Healthy Cooking.

A member of the Emmanuel Lutheran Church in Scranton, PA where she was a leader of the Altar Guild, she served on a post-Hurricane Katrina mission trip to help rebuild in New Orleans.

She was an eye donor to the N.E.PA Lion's Club Eye Bank.

She is survived by her husband Thomas of Lake Ariel, PA, her daughter Karen Gauvin and her partner Eric Kubelle of Warwick; granddaughter Hailey Gauvin of Warwick; stepgrandson Christian Kubelle; a sister Irma Derungs of Reno, Nevada; several nieces and nephews.

She was predeceased by her son Thomas James Kondakjian and her daughter Karlene Mary Kondakjian.

Funeral services were held August 28 at Lazear-Smith & Vander Plaats Memorial Home in Warwick, followed by internment in Calverton National Cemetery on Long Island. Memorial donations may be sent to American Cancer Society, 6725 Lyons St., E. Syracuse, NY 13057.

For further information or to send an online condolence, see www.1svpmemorialhome.com.

Hideout Pet Regulations
as defined in the Consolidated Rules and Regulations.
Paragraph #8, Page 7 states pets will not be allowed to enter any facility controlled or owned by the Association. (Exception Guide Dogs).
Paragraph #9, Page 8 states pets must be licensed, inoculated, leashed and kept under the owners control at all times. **Paragraph #20,** Page 8 states it is the responsibility of the owner of the pet to clean up and remove animal excrement of their pet.
All Pet complaints are processed via the Hideout North Gate Control Center. The owner may be subjected to fines and or sanctions depending on the violation. In addition, the Wayne County Dog Warden has jurisdiction and will respond to animal complaints and take the appropriate action as deemed necessary. Pet regulations are in place for the protection of residents and guests and the ultimate goal is to seek voluntary compliance on the part of the membership.

Hideout Dog Park Registration -
Bring proof of Rabies and Distemper Shots from your Veterinarian to the Registration Department at the POA. Vet forms must indicate that males are neutered. You will be asked to complete a Hideout Pet Registration Form. The Dog Park Registration section of the form is optional for members wishing to join the Dog Park. Registration will file copies of your documents, collect the \$5 annual fee and issue a Dog Collar Tag authorizing membership and admission to the Dog Park. Your pets must be registered even if you are not applying for Dog Park membership-however, there is no fee unless you are joining the Dog Park. The Dog Park Tag must be affixed to your dog's collar prior to entry to the Park. Note that a current amenity badge must also be carried in the Park at all times.

Dog Park Regulations - You must pick up after your dog. Owners ignoring this rule will be asked to leave and be denied future entry. Mutt mitts for waste disposal pick-up are available. Used Mitts must be placed in Trash containers. Aggressive dogs are not allowed and must be removed immediately. Each car must display a current Hideout Membership/visitor sticker on their vehicle. Each dog must display a Collar Tag issued by the Dog Park Committee indicating Veterinary Certification that each male dog is neutered and has a current immunization for: Rabies and Distemper. Female dogs in heat are not allowed in Park. Children under age of 12 may attend only under supervision of an adult and adult must be supervising the dog. Members may supervise no more than two dogs per adult. Hours of operation are posted. The Park is self policing and dog owners using Park enforce these rules. Small dogs are free to use the Small Dog Area & all areas of the Park. Large dogs must be kept out of the Small Dog Area.

Dog Park Etiquette - It is important to remember common courtesy when using a dog park. Here are some tips that will help make your experience a great one.

- Make sure your dog is healthy before leaving home. This includes having current immunizations.
- When using our dog park, make sure to stop by and register him or her with the POA and receive your tag for your pet. The registration fee is \$5.00. This will also help in the return of your pet in case he or she gets loose. Security will have a better chance of returning the pet to the property owner.
- Plan on being responsible for your pet's behavior. You should monitor your dog closely, especially if he or she is not used to being around other dogs. Watch his body language and look for any signs that your dog may be fearful or aggressive. You should also be aware that others may not be as responsible as you are, so watch the other animals as well.
- Clean up after your pet. As soon as your dog makes a mess, clean it up and throw it away. Most parks have scooping supplies, but bring your own just in case.
- Leave your dog's favorite toys at home. You don't want the dogs at the park fighting over your dog's toys. Most parks have communal tennis balls that are free for tossing around.
- Take care when bringing your children with you to the park. Dogs in the park often run quickly and play rougher than they would at home. If you have toddlers, you may not want to bring them at all.
