President's Message

Spring and the month of May is a start to another very popular time of year in The Hideout. This past winter is one for the record books and most of us are looking forward to a great summer season. One of the key factors in making that possible is the ongoing maintenance necessary to prepare the amenities to look outstanding and give a welcome feeling to the membership and their guests.

Roamingwood Park is under renovation and should be available for use in June 2015. The restrooms and pavilion will be a welcome enhancement to this very popular park. Paving of the parking area will make the park more accessible to the larger membership base.

ROAMINGWOOD SEWER & WATER will be starting stage #2 for the replacement of the water and sewer lines. Stage #1 is just about completed and paving of the completed areas will begin this month with a 1 ½ inch overlay covering the entire road from edge to edge. Additional work may be required. It is required by contract that both the north and south sections are insured and bonded for two years. The contractor, Hanson Paving, has worked on our roads and has always done an excellent job. We are indeed fortunate to have such an experienced contractor doing this paving project. "If anything more is required, it will be determined by a professional paving company and agreed upon by our professional engineer of record to ensure a

professional job that we can all stand behind," (stated by Jack Lennox, General Manager, RS&W). I want to emphasize to the membership that the total paving from edge to edge was a cooperation agreement between the Hideout Board of Directors and the RS&W Board of Directors. I would like to thank both boards for their unprecedented cooperation.

Roamingwood Park

In addition, Boulder Road and Rockway Road are in stage #2 and both boards have set aside funds for a major renovation of these already deteriorating roads. The Hideout Board of Directors installed numerous culverts in stage #1 under the existing roads so as to manage water flow and minimize storm damage.

So the summer is just about here and The Hideout has so much to offer. The Hideabout has numerous pages of activities for you, your family, and your guests to enjoy all The Hideout has to offer.

Note:

Last month I wrote about the social membership available to all member/guests. If you haven't taken advantage of this opportunity or need more information, please contact the Registration Office for updates on the social membership available.

WILLIAM F. ROONEY

General Manager's Message

With winter finally behind us, and having gone through a second straight winter with unseasonably cold temperatures for long stretches of time, I wanted to let everyone know this takes its toll on the golf course. However, Mike Kline and his staff have done a terrific job. I'm not sure if residents know that golf courses in our area had significant damage to their greens, with some courses seeing 60 to 70 percent damage resulting in temporary and closed greens still to date. The damage comes from winter temperatures, snow, and ice pack which do not allow the greens to breathe and in turn kills the turf. Our golf course has come out of the winter with little to no damage, and what has occurred is already coming back and hasn't disrupted any of our play. So get out there and enjoy a very well kept amenity.

May is the month in which we at The Hideout look forward to, with the start of summer on Memorial Day Weekend, and all of the activities that Recreation and the Food and Beverage Department have scheduled for your enjoyment.

The new summer menu from Food and Beverage will be coming out on Friday, May 15 and if you missed it we had a sampling of the new menu on Wednesday, April 22 with many positive comments. Another upcoming event at the Clubhouse on Tuesday, May 5 will be a tasty menu for Cinco de Mayo, so please plan on attending.

Many of the residents have been in contact with me to discuss the road paving project in both the North and South sections of the Community. I can tell you that the paving work will be started this month in the North section then moving to the South. I will keep the community updated on the progress once they start, so look for the information coming via email, Facebook, and Channel 20.

With all of the amenities gearing up for the summer, please have your amenity badges available to enter the premises so you will be able to enjoy them. I ask your cooperation with the staff in regards to these badges so that no one gets upset.

In closing, I look forward to the upcoming summer and getting out to see all of the residents. Again, if you have any questions or concerns please reach out to me and I will be glad to speak with you.

Joe Acla
General Manager

The Chairman's Corner

"Community Pride"

It's May and I'm happy to report that the last of this record breaking winter's snow is gone! My snow-blower, plow and shovels have been put away, and I have repaired my front deck railing that I slid into on the ice while plowing and rearranged part of the railing. (I really love winter!). Spring is nature's time of renewal; it is also a great time for us to renew our commitment to the required proper maintenance of our properties. We each agreed to abide by all our community's rules and regulations when we purchased our homes or lots and became part of the Hideout Community. Now that the sun has returned, it is time to get ready: all owners whether they have a developed or undeveloped lot, should be checking the trees and shrubs for winter damage and making arrangements to have the needed pruning or removal done as well as cleaning up our properties and culverts of twigs and other winter debris. In addition, each property should be free of any unregistered/uninsured motor vehicles or boats/trailers. The home appearance and structure must be maintained and be in a safe state of repair.

Complementing our members' spring readiness activities, our employee team has been busy readying our community for the official opening of our peak summer season, Memorial Day weekend. Our amenities and grounds have been readied, docks installed, and our golf course is open. Our Recreation Department is ready with a schedule of events and programs planned for both our young and not-so-young members. Our new Food and Beverage team are ready to meet the season's challenges, whether it is a soft serve cone on the beach, a weekend evening at the Tiki Bar, Sunday brunch, or a prime rib dinner. Come join your neighbors and have some fun! As part of this year's capital budget program, we will be implementing the new design/improvements of Roamingwood Park, existing basketball courts are being redone, the Roamingwood Dam valves will be replaced, etc.

The Board of Directors, as part of our commitment to protecting our property values and safety, continues to support strict enforcement and focus on the correction of all ECC violations, as well as being focused on maintaining all our communities' assets, buildings, land, trees, and our watershed assets (lakes, dams, etc.). We are in the process of filling our key seasonal hires; lifeguards, badge checkers, grounds people, etc. All departments are ready to serve our members and are looking forward to a great summer season.

As I go through my outdoor clean-up activities, getting ready to replace some shrubs and getting the decks power-washed/stained, it is great to see our community come back to life. Whether it's: sharing a moment swapping "how cold it was" stories with the neighbors, leaning on my rake, watching the docks go back into the lake, or seeing our Park sign reinstalled, I love this time of year.

I would like to Challenge each of us to participate in a renewal of "COMMUNITY PRIDE!" Specifically taking pride in our communities appearance. I have asked management to look closely at all our POA properties and clean them up (remove standing dead trees, broken trees and limbs, debris, etc.)! I now ask each and every member to take "pride" in our Community; clean up and maintain your homes and properties! Be part of our renewed "COMMUNITY PRIDE!"

Arnie Milidantri

The views of the Chairman are his alone and do not necessarily represent the views of the Board of Directors of the Hideout. The Board of Directors does not exercise any editorial control over the thoughts, opinions, statements of the Chairman.

Public Safety Corner

By: Joe Kozuch, Public Safety Manager

On June 13, 2015 the Hideout is sponsoring our 22nd Annual Golf Tournament for the benefit of the **Pennsylvania State Police Camp Cadet Program**.

The Camp Cadet program is a week long experience brought to boys and girls between the ages of 12 to 15 at no expense to them. The program is a non-profit organization and is funded solely by area police, civic and business groups, as well as private contributions. Donations via area businesses and private individuals offset the cost of sending a child to camp for the one week, law enforcement academy experience.

The program is sponsored by the Pennsylvania State Police, Troop R Dunmore and is held on the campus of Marywood University in Scranton. The camp is designed to bring a better understanding to youth of law enforcement activities while living in an atmosphere of an actual State Police Training Facility. The goal of Camp Cadet is to provide participants with a positive attitude towards the law enforcement profession through exposure to the criminal justice system from a police cadet's vantage point. Foremost, it is an educational experience.

The staff is carefully selected police officers and employees trained to instruct the cadets in our judicial system and various aspects of law enforcement and safety. Emphasis is placed on self-discipline, the ability to make new friends and work with them as a team. This is not a corrections type program, it is an opportunity for youth to see what resources go into police science and experience the different avenues of law enforcement. Among the instruction presented is the Pennsylvania State Police Aviation, Patrol and K-9 Units, Federal Bureau of Investigation, United States Secret Service, Pennsylvania Game Commission, Sheriff's Departments, Bomb Squad and much more.

At the conclusion of this rewarding Cadet Program each cadet participates in a graduation ceremony. Families and friends are encouraged to attend this powerful, emotional program designed to recognize the commitment and dedication of the Cadet Class. Dignitaries from the Pennsylvania State Police, representatives from various other law enforcement agencies and community representatives participate in this moving and memorable experience.

Over the past twenty-one years proceeds from the Hideout's Golf Tournament have enabled area youth to participate in the extremely worthwhile and educational program. Members of the Hideout Golf Community and vendors doing business with the Hideout have graciously supported this worthwhile cause. This year I am once again asking for the support of the general membership of the Hideout in an effort to make this

year's contribution the biggest ever. Any monetary donation that anyone can make will be greatly appreciated. With your support, many more youth can benefit from this valuable experience.

Please make checks payable to The Hideout POA (memo: Camp Cadet Golf Tournament) and mail to The Hideout POA, 640 The Hideout, Lake Ariel, PA 18436 to the attention of Joseph E. Kozuch, Public Safety Director/Camp Cadet Director.

Also we are looking forward to filling the field of golfers early for this year's tournament. Anyone interested in golfing in this year's tournament can contact the Pro Shop at (570) 698-4100, ext. 180 or the Public Safety Department at (570) 698-4100, ext. 149 to register. I appreciate your support and thank you on behalf of all the volunteers involved in the Camp Cadet Program.

Public Works Corner

By: Joe Errico, Facilities Manager

Spring seems to be trying to break through, and with spring comes the projects. Already this year we have completed the renovation at the Clubhouse, most were infrastructure upgrades, but, some were noticeable. The bar rail was refinished and the Pub entrance door was pushed back to allow better utilization by our wait staff. The restrooms and foyer were given a fresh coat of paint. On the outside of the building, the sidewalks were replaced including the ADA ramp. The Art Center received a makeover as well. In the Art Center a fresh coat of paint was applied. The restrooms were upgraded with fixtures and the floors were replaced with new engineered wood floors. The POA handball court wall, if not completed when this article comes out, will be completed shortly after.

We have several other projects that are about to start and be completed by Memorial Day and Fourth of July. The biggest project is Roamingwood Park which has started already and will be in full swing during May and June. The Park unfortunately will be closed during construction, but once done will be a showcase amenity. The North Recreation playground is being removed and replaced with a new playground that any kid is sure to have a blast on. Both the POA and the North Beach basketball courts are getting blacktopped and upgrade to the court lines, backboards and hoops, just in time for a jump-off before Memorial Day. The front entrance is getting a new directional sign which will welcome all the members and guests entering the main entrance. The Oak Circle culvert replacement is out to bid and will be completed this summer. Last, but not least, the architectural feasibility study of the Main Lodge has begun and the group is moving along to get a design and usage completed. More information will be passed along as the

projects progress.

In the upcoming weeks other amenities of the Hideout will receive an annual facelift as well to improve their appearance and help preserve their life expectancy. All work will be completed before the end of May. We have hired and completed the spray patch process to make some much needed pothole and crack repairs on our roads and parking lots which was created by the harsh winter. The Facilities Department has selected and the road striping company has begun the process of line striping our roads and parking lots. We are also seal coating a few of our lots this year. The Lodge and overflow, the POA, Recreation and Clubhouse lots.

Bulk day events have been set for June 13 and October 17, however, bulk garbage can be discarded any time Monday through Friday between 11:30 a.m. and 12:00 p.m. or Saturdays by appointment. Please call the Facilities Department to make arrangements. The co-mingling recycling program continues to be successful and is open seven days a week 24 hours, but a reminder that household trash must be disposed of in the open bin compactors, not the door bin containers. Door bid containers are for recycling products only. Bottles, cans, plastics, and cardboard may be discarded together.

If anyone is interested in becoming part of the Hideout Team-the Facilities Department has a few Temporary Part Time Seasonal positions available for the summer months. If interested, please contact the Facilities Department at **X133**.

The Facilities Department which consists of Maintenance, Grounds, Roads, Trash/ Recycling and Housekeeping is here to help keep The Hideout the best community to live and play in. If you need to contact the Facilities Department we can be reached at (570) 698-4100, **X133**.

The Hideout POA, Project Website

The Hideout Property Owner's Association is pleased to announce a new website for the POA to solicit bids/quotes from Contractors/Vendors primarily for Capital Projects to be completed in 2015.

All contractors must have \$1 million dollar Liability insurance on file with the POA with the POA listed as the additional insured and be current on Pennsylvania Home Improvement Act registration.

Environmental Corner

By: John Gigliotti, Land & Environmental Planning Manager

Now that spring is in full swing again, many members will be eager to begin planning improvement projects to their properties. Please contact the POA for assistance on any potential permitting requirements prior to initiating any site work.

Land and Environmental Planning:

• **ATTENTION MEMBERS:** WE WILL BE CONDUCTING SPRAYING OPERATION SOMETIME AROUND MID-MAY (WEATHER DEPENDING) FOR

GYPSY MOTHS & TENT CATERPILLARS. WE WILL NOTIFY MEMBERS THROUGH SOCIAL MEDIA, EMAIL BLAST AND CHANNEL 20 ONCE WE SET A DEFINITIVE DATE.

• Through a recent Board motion, electronic (invisible) dog fences are now allowed in the Hideout to help contain your domestic pet. A Permit is required through the ECC and should include a schematic drawing showing the proposed layout of the system, along with any related technical data, such as it being a wired or wireless type system.

• With this past harsh winter season, many members are seeking permits in reporting tree damage on their properties. Please be patient as we process through matters. If there is imminent danger from a damaged tree and it is during off hours of the POA, please contact a tree removal service company to have it taken down and then notify the POA the next business day.

• **Fish Survey:** the fish survey will be initiated in late April/early May. The last fish survey was conducted back in 2011. As with managing other plant and animal species in our community, the results of this fish population survey should help guide us on future strategies related to our current "catch and release" program.

• Truxor, Submerged Aquatic Vegetation

Removal: The initial harvesting within our lakes is scheduled for late May, just prior to the Memorial holiday.

• **Aeration system (Deerfield and Brooks Lakes):** The aeration systems for both lakes have been serviced and are operational. Special thanks to Lakes Savers for their effort in making in-depth adjustments/repairs to the system at Deerfield Lake.

• ACT 13 and Growing Greener Grant

Applications: we will be submitting applications for both grants in the near future pertaining to storm water enhancement work, as well as enhancing incoming water flow into the watershed (phosphorus reduction system), near Deerfield Lake. More to follow.

A reminder to our community members: A. There is a \$250.00 non-refundable FINE for initiating building activities

without first obtaining a Hideout building permit. Please contact the POA office (570) 698-4100, Ext. 108 or 166, if you have any questions and/or concerns. B. **Attention Lake front Property owners:** several docks have apparently broken free and have drifted towards the Dam and other shoreline locations. Please check your properties as soon as possible and contact the POA, if your dock unit has dislodged from your designated shoreline property.

C. **Please clean up pest waste from your pets.** Do not leave it to decay on the grass near the street. Pet waste that decays and washes into our lakes uses up oxygen and can release ammonia. Low oxygen levels in the Lakes and ammonia combined with warm lake water

continued on page 7

CLEAN YOUR GEAR!

Help prevent the spread of aquatic invasive species.

Check for and remove plants, mud, and aquatic life before transporting.
Drain water from boat, live well, bilge, and bait bucket before transporting.
Clean boat and gear with hot water, or
Dry everything for at least five days.

Recycling is open Monday - Sunday 24/7

The Maintenance Department accepts Bulk Items Monday - Friday at the Maintenance Shop, between 11:30 a.m. - 12noon, Saturday morning by appointment only, (570) 698-4100, ext. 133. (fees apply)

No electronics accepted, i.e., computers, televisions, refrigerators, air conditioners, dehumidifiers, etc. Also not accepted is tires, paints, thinners, oils, etc.

Members and Contractors

Among the items that the Environmental Control Committee will look for when going over your application is an "As Built" survey. There are several reasons for this:

- To be sure of the placement of any structures on your property
- To be sure of setback lines

When turning in an application for any of the below permits, you must have an "as built" survey.

• Garages (both detached and attached) • Decks • Driveways • Sheds • Additions
 This survey will be marked as "existing" not proposed. If you have any questions, please call Debbie at (570) 698-4100, ext. 108. In some cases we might have a copy of the survey in our files. Please understand that this might not be an "as built" survey.

2015 Hideout Fee Schedule for Permits

The following are **Non-Fee** Permits:

Roofing, Paint/Staining, Vinyl/Wood Siding, Generator

The following require a Fee:

Additions	\$ 50	Pet Enclosure	\$ 10
Deck (New)	\$ 50	Porches/Sunrooms	\$ 50
Deck (Replacement)	\$ 50	Propane/Fuel Tank	\$ 15
Docks / Bulkhead	\$ 50	Retaining Wall	\$ 20
Driveway	\$ 40	Shed	\$ 40
Excavation/Demolition	\$ 30	Tree Removal	\$ 20
Garages (attached)	\$ 60		
Garages (detached)	\$ 60	NEW Home Construction	
Landscape (major)	\$ 30	Tree Removal \$3,000	
NEW Home	\$ 500	Refundable Fee	

What To Do If A Tree Is About To Fall From One Lot To Another?

Even though the Hideout has an easement between properties, this matter is strictly between the parties involved. This includes limbs, branches and trees. If you have this situation, notify the property owner whose property presents the hazard.

The Hideout does not provide information relative to the Membership. You should call the Wayne County Tax Assessment Office at (570) 253-5970 or the internet at taxassessmentoffice.waynecountypennsylvania.com. You should also contact your insurance company. Another resource is the internet for the purpose of researching Pennsylvania Real Estate Law on the subject. Again, this is a civil matter between the parties involved and cannot be resolved by the Hideout. **Note:** In the event that the tree is on Hideout Common Property, the Land & Environmental Planning Manager should be notified so that the appropriate action can be taken to remove the hazard.

Safety Guidelines For Propane Tanks

Homeowners who decide to install a propane tank on their property need to be aware of the new guidelines for such. A Propane Permit is needed. The National Fire Protection Agency (NFPA) has established a set of rules that govern the requirements for the clearance around propane tanks in the NFPA 58 Liquefied Petroleum Gas Code. Size of the clearance radius will depend on type of installation and the size of the tank.

Vertical Tanks – The requirements for the clearance around vertical propane tanks under 125 gallons depends on the location of ignition sources, venting windows and doors. The tank itself may be placed against the house or building, but it has to be at least ten (10) feet from an ignition source such as a water heater and three (3) feet from a venting window or door.

Horizontal Tanks – Horizontal tanks, also referred to as vessels, come in three main sizes: 330, 550 and 1,000 gallons. The size of the vessel normally depends on the propane requirements and the size of the structure using the fuel. The requirements for the clearance around the 330 and the 550 gallon propane tanks are at least ten (10) feet from the structure. Ten (10) feet from the property line and ten (10) feet from any ignition source. The 1,000 gallon propane tank requires at least twenty five (25) feet of clearance from the structure, the property line and any ignition sources.

Also, be aware that according to our Protective Covenants and ECC Manual, every fuel storage tank on any lot shall be either buried below ground or screened to the satisfaction of the Committee.

Registration Corner

By: Sandy Sheppard, Registration Manager

Welcome back Snowbirds!!!!

Stop by or give us a call to change your address back to The Hideout.

The Registration Department will have extended hours on Memorial Day weekend for your convenience:

- Friday, May 22 8:00 a.m. - 6:00 p.m.
- Saturday, May 23 8:00 a.m. - 6:00 p.m.

We traditionally have long lines during this weekend. If you can stop by and pick up your stickers before that, it will save you from waiting in line.

The 2015 Seasonal Pool Passes can be purchased at the Recreation Center as well as the Main Pool at the Main Lodge this season. The cost is \$60 for all 6 of your Member Guest Badges or \$15 a piece if you just need one or two. You can also purchase daily passes for \$5. Remember anyone who has a picture badge does not need a Seasonal Pool sticker, they are for your Member Guest Badges.

If you are a Contractor, Realtor or Permanent Guest and your Gate Access Device does not work, we need you to register with us for the 2015 season.

On a personal note: I have been the Registration Manager for one year now (boy did that go by fast). I wanted to thank everyone for the kindness and patience in making this transition easy, especially this past revalidation, when we were backed up on the mail outs due to being short an employee.

I hope you all have a safe and enjoyable holiday and a fabulous start to summer!!!

Attention Committee & Club Members

If you want to announce your Committee or Club to our New Owners, Email a flyer (it can be two-sided) to ssheppard@thehideout.us
We will be happy to include it in our welcome packet.

We would like to congratulate our employees who have employment anniversaries in May.

Your contributions to the Hideout are greatly appreciated.

We hope that you will remain with us for many years to come.

Happy Anniversary and Many Thanks!

Lake Thaw Contest WINNER

We are happy to announce that the winner of the Lake Thaw Contest is

Albert Tietz, Sr.

The Lake Thaw marker fell on April 2 at 11:30 a.m. Mr. Tietz guessed that it would fall on April 5, and he was the closest entry.

Congratulations Mr. Tietz on winning a \$25 gift certificate to Recreation.

Make the most of life with Allstate Life insurance.

Daniel Truskowski
570-689-4101

501 Hamlin Hwy
Hamlin

Let me help explain all that life insurance can do for you. Many Americans don't realize that some types of life insurance can provide "living" benefits as well. If you're diagnosed with a chronic or terminal illness you may be able to receive a partial death benefit payout* to spend on long-term treatment or care. Call me today to find out how.

*The Accelerated Death Benefit may or not qualify for a favorable tax treatment under the Internal Revenue Code of 1986. This depends on factors such as your life expectancy at the time benefits are accelerated or whether you use the benefits to pay for required qualified long-term expenses. If the Accelerated Death Benefit qualifies the Benefit will not be subject to federal income taxation. Tax laws relating to the Accelerated Death Benefits are complex. You should consult with a tax advisor about how you can receive the Accelerated Death Benefit excludable from income under federal law. In addition, receipt of the Accelerated Death Benefit may affect your family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI) and drug assistance programs. You should consult with social service agencies concerning how receipt of such payment will affect eligibility for public assistance. See rider for terms, conditions, and restrictions. Subject to state specific terms and availability. Administrative expense charged if benefit is exercised. Life insurance offered by Allstate Life Insurance Company, Northbrook, IL, and Lincoln Benefit Life Co., Lincoln, NE and American Heritage Life Insurance Co., Jacksonville, FL. In New York, Allstate Life Insurance Company of New York, Hauppauge, NY. © 2009 Allstate Insurance Company

MARK YOUR CALENDAR

2015 BULK GARBAGE DAYS

June 13, 2015

October 17, 2015

6:30 a.m.-2:30 p.m. at the Hideout Maintenance Yard.
For Members in good standing only.

Fee structure: Auto Trunk Load-No Charge; Pick-up, Small Trailer, and Van-First Trip Free. Subsequent trips \$15. Larger trucks and trailers \$25 each trip. Items not accepted: Tree logs, limbs, brush, leaves, hazardous paints, solvents, toxic chemicals, motor oil, air conditioning and/or refrigeration equipment.

Please remember that if you apply for a permit, it is not automatically given. There is a process, which could take up to two (2) weeks. The ECC has to review the application and then a permit is approved or denied. If you have been denied, I will send you a letter with the reason(s) why it was not approved. You can then make the corrections and it will be reviewed again at the next meeting. Also, remember that nearly everything you do outside of your home requires a permit. Please call Debbie at (570) 698-4100, ext. 108 if you have any questions. Thank you.

Please pick up your permits at the POA Office.
When your project is complete, sign and return your permit to the POA.

Attention Members

The Hideout has

Commingled Recycling

Single stream (also known as "fully commingled" or "single-sort") recycling refers to a system in which all paper fibers, plastics, metals, and other containers are mixed in a collection truck, instead of being sorted by the depositor into separate commodities (newspaper, paperboard, Corrugated fiberboard, plastic, glass, etc.) and handled separately throughout the collection process. In single stream, both the collection and processing systems are designed to handle this fully commingled mixture of recyclables, with materials being separated for reuse at a materials recovery facility.

Please see page 51 for more information

~ Your vote and support on May 19th will be greatly appreciated. ~

William "Bill" GERSHEY

Western Wayne School Director
Region 2 - Lake & South Canaan Townships

www.gershey.com

- Life-long resident of Lake Ariel
- Active in education. Supervises student teachers for Marywood and Drexel Universities
- 24-year Member, Wayne County Children and Youth Advisory Board
- Over 35 years experience in education

David LINDOW

Western Wayne School Director
Region 2 - Lake & South Canaan Townships

- Committed to quality education with the least amount of impact to taxpayers
- Owns and operates a local business with employees for 17 years.
- Worked with youth in local church
- Active in school committees and meeting attendance before serving a term on the board

Voters will have the option to vote for two candidates for **Region 2, Lake and South Canaan Townships**. We are candidates for re-election, and would appreciate your vote in the **May 19, 2015 Municipal Primary Election**.

With the district facing critical economic times driven by the state's ever expanding mandates, coupled with reductions in funding and a pension system that has reached a level that is impossible to maintain, it is critical to have school directors with experience to make decisions that will maintain necessary programming while balancing the needs of the taxpayer and providing an environment where teachers can reach kids effectively with information that will make them competitive in the college and

job markets. The decisions facing the Western Wayne School District over the next four years will be critical in maintaining the kind of quality community in which we all want to live.

One of the greatest challenges in educating our youth, our prime responsibility, is meeting the demands of the current laws governing education. Among these are implementing Pennsylvania's CORE standards, and measuring student progress with the PSSA (Pennsylvania State System of School Assessment), 3rd through 8th grades, and Keystone Tests, required in high school. We are very proud that Western Wayne scored well on these tests for the 2013-2014 school year (the most recent measured):

- PSSA, Grades 3 through 8, rose in Reading, Science and Writing. It is noteworthy that of the **20 schools in Intermediate Unit 19**, Western Wayne's Grade 3 ranked **third in reading**.

- For the three Keystone Tests, Western Wayne ranked **third in Algebra I**, **sixth in Biology**, and **seventh in Literature** among the high schools in Intermediate Unit 19.

Overall, Western Wayne is moving in a positive direction educationally, and we are committed to meet the challenge of improving all aspects of our school community. We must do all we can to maintain quality programming with a keen eye toward protecting the taxpayer. Experience is necessary to see it through.

Paid for by the candidates

BOARD CANDIDATES

The Nominating Committee of the Hideout POA will be seeking qualified candidates to run for three open seats on the Board of Directors. A minimum of five candidates must run for this election. Qualified candidates are members in good standing who are available to attend regular meetings of the Board as well as volunteer their services to carry out the duties of a Board member. Board members have a fiduciary responsibility to the membership to establish and monitor operating policies as well as oversee the administration of the affairs of the Association. The term begins in October and lasts for three years. As a Board member you receive no compensation.

To run for the Board of Directors you can obtain a petition from the POA Office and acquire 50 valid signatures of members in good standing. The petition must be submitted to the POA Office no later than 4:00 p.m. on Wed., July 15, 2015.

All inquiries should be directed to the Nominating Committee, Hideout POA, 640 The Hideout, Lake Ariel PA 18436.

Environmental Corner

continued from page 5

temperatures can kill fish. Also, pets, by means of consuming pet food introduce additional nutrients (phosphorus and nitrogen) to the watershed/lakes that could further enhance algae and weed growth. Moreover, pet waste not only affects water quality but also can affect your health. Various diseases and parasites can be transmitted from pet waste to humans.

D. Also, please do NOT feed the Deer or other wild animals in the community. Feeding the deer does not help the deer or our quality of life here in our community. Board motion also prohibits the feeding of deer and a fine will be issued to anyone who violates this motion.

An important note to Lake front property owners: IT IS ILLEGAL TO DISPOSE OF FILL, SAND MATERIAL ETC... INTO OUR LAKES AND/OR WETLANDS. ACCORDING TO OUR COUNTY CONSERVATION DISTRICT REPRESENTATIVE, PERMITTING REQUIREMENTS WOULD HAVE TO BE ADHERED TO UNDER THE REGULATORY MANDATES OF BOTH THE U.S ARMY CORP OF ENGINEERS AND THE STATE DEPARTMENT OF ENVIRONMENTAL PROTECTION. Further, as part of our lake management enhancement planning strategies, fill and/or sand material can disrupt natural vegetative and rock habitat for fish and other aquatic species to feed and spawn. Thus, the Hideout will not support such activities occurring in our lake amenities.

Our priority is to serve our members at the highest professional level possible, as we work together through many of the tasks noted above.

Food and Beverage News and Upcoming Events

Hello Everyone,

Well I hope everyone is enjoying the nice warm weather. I would say it is safe to say spring is here.

With warm weather comes a lot of activities and we have a lot going on for you here at the Hideout. First, we will have DJ Dennis on May 8 from 7:00-11:00 p.m. at the Clubhouse. We are going to have some game nights, Trivia Night and some other fun activities coming your way, so stay tuned.

On the food side of things, Chef Amanda has her new Spring/Summer Menu coming out in early May (see page 11). We are sure you will enjoy this menu which is sure to have something on it that everyone will enjoy. While we are talking about the menu, I want to take a moment to let everyone know that our chef takes a lot of pride & time into creating her menu. With that being said, please keep in mind that she uses a lot of fresh products and that creating your entrée may take a little more time to prepare. Chef Amanda will be going to the local Farmers Markets on a weekly basis to give our members and community the best we can give. We also want to let our guests know that if you want something that may not be on the menu, just please ask your server to ask the Chef if she can make it for you. If we have the ingredients and the items in-house we will be more than happy to make you what you would like.

Again, as the warm weather is upon us, so will more people be visiting us. We want to remind everyone that you must have your ID Badges on you at all times in order to get service at the Clubhouse. Please understand that this is enforced because of our Rules and because of our Liquor License. We thank you for your understanding in this matter.

The famous Tiki Bar will be reopening on May 22. You will begin to see a lot of new faces and some familiar ones as new staff comes in and returning college students come back to work for the summer season. Again, with warm weather comes time to get together with your friends & family, graduations, and weddings, so please call myself or Lisa to book your event. If you need anything, please let us know, and we hope that this season is a fun and safe season.

Golf Course Notice Greens Aeration

The spring greens aeration has been scheduled
for Tuesday, May 5, 2015.

The Golf Course will be closed on that day.

NOTICE Gypsy Moth Control Program – Spring 2015

The Hideout POA hired the National Gypsy Moth Management Group (NGMMG) to conduct biological risk assessment surveys to determine the risk of gypsy moth, forest tent caterpillars, and eastern tent caterpillars damage to the forests within The Hideout in 2015. Although populations of forest tent caterpillars and eastern tent caterpillars are relatively low, gypsy moth infestations are at the highest levels in 20 years. Caterpillars could completely strip the leaves of many trees. Many of these trees may die.

It will be difficult and expensive for individuals to deal with this situation. Therefore, your Association has decided to conduct an aerial spray program under the supervision of the NGMMG. They will use the biological insecticide, "BT" (*Bacillus thuringiensis*). This is not a chemical. One application of BT will be applied when the caterpillars are very small. The spray is so fine that it may be difficult to detect as it leaves the helicopter. Nothing will be visibly wet following the application. Caterpillars may not die for several days. Not all caterpillars will be killed.

BT is a naturally occurring bacterium that causes disease in some types of caterpillars that are present at the time of spraying. BT degrades in a few days. This bacteria is not toxic to humans or other animals, birds, fish, honey bees, parasites or predatory insects. BT has been applied in residential areas for more than 30 years to control forest defoliators. BT has been applied to The Hideout several times in the last 20 years. BT is also preferred by organic gardeners on their crops. However, people with serious respiratory ailments who may react to most any foreign substances may wish to stay indoors until the BT has dried on the foliage, usually several minutes to a few hours.

Spraying should occur in May but is dependent on gypsy moth caterpillar and leaf development, and weather.

You will be notified of the timing for spraying by the following: email blast/web site notification; Hideabout Newspaper; the Hideabout Extra and Channel 20.

ATTENTION MEMBERS Notice Of Scheduled Road Work On Route 590

HANSON AGGREGATES is under contract with the Pennsylvania Department of Transportation to perform roadway resurfacing and related work on the following State Routes in Wayne County.

Work is scheduled Monday through Friday between the hours of 6:00 a.m. and 8:00 p.m. Motorists on these roads are urged to use caution when approaching the work areas and to expect delays. Use caution when exiting your driveway and watch for the direction that traffic is moving.

Please be advised that construction crews are now using Police Arrest Forms to report violations within Work zones. These forms allow crews to report, directly to State Police, any violations that impacts the safety of road crews. The forms could lead to citations against drivers who violate work zone safety Laws.

Please be advised that once the road construction signs are put up, the project is about to begin and work on that road will not be totally completed until the signs are taken down. As long as the signs are in place, please use caution when traveling on this road. Workers will not be present every day due to different phases of work done by different crews.

STATE ROUTE SR 590

APPROXIMATE DATES OF WORK - MARCH 2 THROUGH JULY 31

DESCRIPTION OF WORK - MILLING AND PAVING AND STONE SHOULDERS

TRAFFIC CONTROL - ONE LANE TRAFFIC WITH FLAGGERS

Quick Tips:

SAFETY

Money Tip - Before exchanging wedding vows, take the time to have an honest and frank talk about your finances. Money matters can be a major source of friction in a relationship, so it pays to be candid and open. Discuss debt you both owe and set short and long-term goals for your financial future.

Home Tip - If you drink a lot of bottled water and don't want to deal with the hassle of a pitcher water filter, consider installing an under-sink water filter. These systems are usually less than \$100 and provide filtered water right at the tap. Using this instead of buying bottled water can save you hundreds of dollars a year.

Car Tip - You should give your engine a good cleaning about once a year. You can do it yourself with a heavy-duty cleaning product available at your auto parts store or have it professionally cleaned. Not only will your engine run cooler, but you will be able to spot leaks easier. It is also easier to service any parts of your engine if it is free from excess grime.

Safety Tip - When staying in a hotel, the door to your room might not be as safe as you'd like. If there is a peephole in the door, place a small piece of crumpled tissue in it to prevent someone in the hall from looking in. Keep the door locked at all times, using both the primary and secondary door locks. Do not open the door to anyone who announces themselves as a hotel employee unless you've called them. If you didn't ask for assistance, call the front desk to confirm before opening the door.

Healthy Living Tip - If you work from home, it can be tempting to stay in your comfy clothes all day and not get out much, especially if this means you are more productive. But for your health, you should try to get out at least once a day. Take some time to stretch, take a walk and get some fresh air. Schedule in some exercise time just like you would schedule other meetings. This will help you get some exercise every day.

Green Living Tip - It makes good environmental sense to reuse shipping boxes, but often the outside of the box is cluttered with old mailing labels, bar codes, and tape. There is a simple solution. Cut through the old tape to completely disassemble the box. You can then recreate the box inside out so that the outside is clean and label-free. Depending on how the box is constructed, you may need to tape an extra seam, but it makes for a nice new-looking box to reuse.

Travel Tip

If you are gearing up for a road trip this summer, take some time first to give your car a good cleaning. Because a road trip can generate lots of trash—trash you can't get away from when spending so much time on the road—you want to make sure you aren't starting with chaos when you begin. While traveling, stop every few days to get rid of the food wrappers, receipts, maps, and junk that has accumulated. Have everyone pitch in and you'll have your car ready for the next leg of your adventure in no time.

Is Yard Work A Pain In Your BACK?

By: Bernard J. Povanda, PT, COMT,
Direct Access Certified

It's that time of year again- time to get our yards back in shape! One of the most common complaints following a few hours of yard work is back pain. Raking, weeding, mulching, mowing, digging, and planting can wreak havoc on your back muscles. If you're not careful, the wrong move can cause you to strain or pull the muscles in your back.

A few tips to help keep the back pain away:

Warm Up - Warm up your muscles with exercises, such as a brisk 5-10 minute walk, jumping jacks, arm circles & walking lunges.

Hydrate - Muscles need water to function best, prevents muscle cramps or spasms & help prevent dehydration.

Mix It Up - Vary your gardening tasks each time. Avoid continuously performing the same activity for a long period.

Mowing - Maintain proper posture, push with your arms and legs instead of your back. Leaning forward as you push the lawn mower can strain your back.

Weeding - Kneel on a rubber gardening mat, sit on a gardening stool, or on the ground. Have your tools within reach.

Raking - Avoid raking with only your dominant hand. This causes one side of your body to be overused. Although it may feel awkward, try switching sides every few minutes. This will benefit your back, neck & arms.

Lifting - When lifting bags of dirt or potted plants, keep your back straight, bending with your knees and hips. Avoid lifting piles too heavy.

Proper Footwear - Yard work can put a lot of strain on your feet & legs. Shoes with good support can stop some of that strain from reaching your back.

Pace Yourself - Taking your time will make it less likely for injuries to occur.

A physical therapist can evaluate you & devise a good stretching & strengthening exercise program appropriate for your needs.

So, whether you're doing yard work, planting your garden, or helping to beautify your community with the Hideout Garden Club, I hope these tips keep your back pain free!

A dangerous condition arises on busy weekends from vehicles parking on the side of the road on Lakeview and Woodpoint Court. Vehicles parked on the side of the road in this location impede traffic and could possibly block access to the area by emergency vehicles. Due to this condition the Board has passed a motion deeming Lakeview and Woodpoint Court "Emergency Access Roads."

No parking will be permitted on the side of the road in this area. The Public Safety Department will aggressively enforce this rule. Anyone who parks in this location will be subject to a \$125.00 fine and a \$250.00 fine for repeated offenses.

Horoscope

ARIES: Without a doubt, you know what you could do in order to open the door to progress. While contemplating, let a co-worker carry the ball so you can catch up.

TAURUS: The next two weeks are going to be a feel-good time for you. Your energy will be high. It's the perfect time to consider that good idea you have and to present it.

GEMINI: Yes, you have an important decision to make. But unless you wait for a while, it might not hold. Lighten up if you can. New information could change your view.

CANCER: If you and your partner are having a tug of war about vacation plans, holding your position could have a big effect. Compromise or give in. It's your turn anyway.

LEO: Now, you seem to have an extra "edge" when appealing to superiors and co-workers. A new residence, working from home, or a new alliance could be in the offing.

VIRGO: While the facts about a person or situation are important, your personal intuition can offer a strong indication. Tap into your inner resources for additional wisdom.

LIBRA: You can't leave just yet for parts unknown. The road of life you're already on is where you're supposed to be. Many future experiences will please and delight you.

SCORPIO: A winning attitude might mean saying you feel great even if you don't. Paste a smile on your face and bosses will recognize you for staying upbeat.

SAGITTARIUS: Topics that you may have avoided discussing in the past will not be as difficult to approach now. That goes for your personal life as well as your work life.

CAPRICORN: Today's the day to face up to the fact that you have creativity and imagination, but you aren't using them enough. Think about it and you'll know it's true.

AQUARIUS: Be forewarned. Spring fever is catching up with you and you're dreaming of playtime and travel instead of work. For now continue with your responsibilities.

PISCES: When you think about your past financial experiences, reflecting on your mistakes and your successes will help you make solid new financial decisions.

BUILD IT and they will come

By: R.J. Straczynski, CFM, C.P.M.

Summer is just around the corner. Soon we can enjoy outdoor life in the Hideout. On a cool evening, or perhaps during the summer backyard barbecue, a cozy sit in front of a fire pit makes for great conversation and comfort. Outdoor fire pits bring all the fun of a warm campfire but in a safe contained area. The below approved Board Resolution is now in effect in the Hideout:

Resolution #14-42: Recreational “open fires” on member’s lots are permitted as long as it is positioned and set in a self-contained vessel designed and manufactured for that purpose and prudent safety precautions are taken. (An “open fire” is defined as any fire within which the products of combustion are emitted into the open air and are not directed through a stack or chimney)

The POA now allows residents to light recreational fires in the community and the Board has endorsed specific rules to control this activity and minimize the potential for a serious fire.

For simplicity in this article, **CHIMENEA** and **FIRE PIT** will be used interchangeably as the accepted types of “open fires” now allowed in the Hideout. Fire Pit Regulations are now part of the Hideout Rules. Open burning in approved containers shall be allowed without a permit at single family homes and subject to the guidelines. But fire is fire, and if you don’t follow the rules you may sustain an injury or cause serious damage.

A fire pit can be a below-ground pit, free-standing pit, or portable device intended to contain outdoor fires, such as coal grills, and control outdoor wood fires. Chimenea have the freedom as a standing fire place that appears to be nearly the same as a potbellied stove. Any outdoor burning must be for recreational, warming purposes only. **NO BONFIRES!**

Safety Tips and Suggested Use Guidelines:

- * **FIRST**, carefully read and adhere to all manufacturer instructions that come with your fire pit or chimenea.
- * Find a safe place to put your clay chimenea and think about it before placing the chimenea.
- * Always inspect your fire pit or chimenea thoroughly before use.
- * Do not place combustible materials near or in your outdoor fire pit or chimenea. Low-hanging branches, dry grass, brush piles, wood piles, awnings, wood furniture, propane, flammable gases or vapors, paper, compressed paper, and plastic, should all be kept at a safe distance.
- * Do not operate your fire pit or chimenea unless it is on a level surface.
- * Position the unit so that it is shielded from strong winds and gusts.
- * Keep a fire extinguisher on hand when you have a fire going. Also, keep a bucket of water on hand in case a fire starts outside of the fire pit. Do not leave your fire unattended, and be aware of children or pets that may be near the fire.
- * When placing a fire pit on a wood deck or patio, make sure to put down a fire pit pad, bricks, or stones in a 3 or 4 foot radius underneath and around the fire pit, to ensure that escaped embers do not light the deck.
- * For fire pits, screens are very important. Screens help catch flying embers or ash when the wind blows. This keeps you, your guests, and your neighbors safe. We recommend use of fire screens at all times.
- * Always start with small fires! This will help you gauge how fires behave in your fire pit or chimenea.
- * **Do not burn pressure-treated wood or manufactured fire logs in your fire pit or chimenea. These items release toxic gases that can be harmful. Do not burn chemically-treated wood, or wood treated with paint or stain creosote. Never start a fire with gasoline, kerosene, or other petroleum-based accelerants.**
- * As with any product that involves fire, there is a chance that things can get out of control. Anyone lighting a fire in a chimenea or fire pit should have a means of extinguishing the fire near the device. Sand, dirt or a portable dry chemical fire extinguisher are effective ways to extinguish a fire in a chimenea or fire pit. Never use water or a CO2 extinguisher to put out a fire in a chimenea because the rapid cooling and steam can crack the clay and damage the appliance.

Clay Chimenea!

They can **break!** Clay chimenea are made of clay and they will break. Cast iron chimenea will break as well, believe it or not! Clay chimenea are usually heavy and I know for a fact they are bulky to move. The exhaust coming out of the top of the chimenea has velocity and the heat will rise far beyond the top of the chimenea. So make sure there’s nothing above the chimenea to catch fire. The location should be on a flat and fireproof surface such as rock, concrete, bricks or pavers. Sometimes when you’re moving the logs and stoking the fire some hot ashes may fall out the front so it’s important that it’s on a fire proof surface.

With their glowing warmth and beautiful, dancing flames, it’s easy to get caught up in the ambiance of a fire pit’s glow; however, fire departments all over the country report an increase in calls related to their improper use. It’s always important to keep fire dangers in mind and use your fire pit cautiously and responsibly.

Continued in next column

Bob is an 8 year old Pointer/Dalmatian mix

His owner brought him to the shelter, because he could no longer care for him. It is believed that Bob has Cushing disease and will require medication for the rest of his life. He is great with other dogs, kids and cats. Bob has lots of love and energy to share with his new family. Come in and visit Bob and if you really want to see him in action, ask the staff for his red ball.

Hawk is the sweetest, cuddling little guy I have ever met. He loves to play and hold your attention. He would be perfect for any family.

“Save our Shelter”

Dear Friends of Dessin:

By now, you may have heard that our shelter is facing shut-down, due to lack of funding. Please help our shelter remain open and continue to provide these services to the surrounding area: *Shelter for lost, abandoned or displaced animals *Community Education *Adoption Services *Low Cost Spay/Neuter Program *Cruelty Prevention.

We truly hope you can assist us in our time of need. Every lit bit helps! All of your furry friends thank you in advance!

BUILD IT and they will come continued

What are the Hazards?

Use only “clean” wood. Burning of any toxic materials is **prohibited**, including but not limited to: paper, used lumber or trade waste, impregnated or treated/painted wood, toxic or hazardous waste or their containers, building or demolition materials, household waste. In other words, burn only the same firewood you would use in your indoor fireplace. In addition, that means you can’t burn leaves or other yard debris! Just because you can have a backyard fire in a fire pit doesn’t mean you can toss a match to that big pile of leaves and brush sitting in the corner of the backyard.

The smoke produced by an outdoor recreational fire can be harmful, even fatal, and you cannot control the direction that wind will blow the smoke. Lethal smoke can build up inside your unit or your neighbor’s unit without you ever knowing it. Chimenea and fire pits should be located such that the predominant wind patterns carry smoke away from the building. Please consider your neighbor’s air space too

The improper disposal of ashes can cause an unwanted fire. The same as with an indoor fireplace, even ashes that are two to three days old can retain enough heat to start a fire if they are placed with other combustibles.

POA RESERVED Safe Burning Guidelines”

* The POA may restrict the use of fire-pits and chimeneas during drought conditions.

LOT NUMBER SIGN POST - MAINTAIN YOUR SIGN POST

2015 Meeting Schedule (all sessions are open to members in good standing). Additional review sessions are scheduled in relation to the volume of Permit Applications.

May 8, 22 June 12, 26 July 10, 24 August 14, 28 September 11, 25 October 9, 23

Questions on Permits, Inspections, or other ECC business: Call (570) 698-4100, ext.108.

Board of Directors Draft Minutes of Meeting - March 21, 2015

Board Members Present: William F. Rooney, President, Sam Wilmot, Vice President, Rich Passarello, Treasurer John McNichol, Secretary, Paul Spiese, Director. **Board Member Present Via Telephone:** Arnie Milidantri, Chairman, Fred Sakacs, Vice Chairman.

Others Present: Christopher Farrell, Esquire, Joe Acla, General Manager, Donna Kiely, Financial Manager, and Brooke Craven, Executive Assistant. The meeting was called to order at 9:00 a.m. by William F. Rooney, President. All rose for the Pledge of Allegiance. The President reviewed the agenda for those not familiar with the procedure and asked everyone to please come to the microphone to state your name and lot number before directing any questions and/or comments.

1. Minute Approval:
15-1-MOTION RESOLVED THAT minutes from December 22, 2014 Board meeting be approved as submitted. Motion by Rich Passarello, seconded by John McNichol and passed 7-0.

2. Board of Directors Comments: None
3. Management Reports: (Questions or Comments will be taken after each report-limited to 5 minutes each)

Public Works – Facilities Maintenance Manager, Joe Errico:

- Last year this department closed out in the positive regarding the budget in maintenance, sanitation, and grounds.
- This year they are about \$30,000.00 ahead of last year within the same time frame. The department is in real good shape despite Mother Nature.
- This year they have a lot of great projects coming up that were put in the budget from last year and are on the current agenda for the Board to vote on.

Lot #3369- Questioned bidding process and amounts for projects regarding open bids versus closed bids. Inquired about criteria for a preferred vendor versus non-preferred vendor and if it is a conflict of interest for a Board member to do work in the Hideout.

Public Safety Manager, Joe Kozuch:

- This past Presidents' week was very successful and there were no major incidents or problems to report.
- There was a flyer that went out in the membership's billing documents regarding the ABDI interface. It listed instructions on how to register a member's guest on-line. Unfortunately, the top portion of the page was cut off describing which website to go to when registering the guest. The correct site is www.hideassoc.com. Once on this site there is an on-line guest registration tab you click on and enter the information which will go to our IT Department. The IT Department will then email you a username and password. The Public Safety Department encourages everyone to use this. There is a lot of other information there, if you need to change any information you may let Registration know.

- Two burglaries were reported this past week, first two for the year. Good news is one of the property owners had video surveillance in their home which enabled them to watch the man remove their TV from the wall and then move on to the neighbor's house. The individual was identified the next day and a few days later arrested and is currently in the Wayne County Prison being charged with two

counts of burglary, two counts of criminal trespass, two counts of theft by unlawful taking and one count of criminal mischief. • Lastly, which was in my article this month is AED and CPR certifications. Not only is the whole Public Safety Department certified at a minimum of CPR, First Aid and AED we also have three instructors in the department that certify every employee in the Hideout. What Public Safety wants to do now is offer this to the membership. To sign up call the Public Safety Department (570) 698-4100, x149 when enough people register a class will be scheduled and offered free of charge.

Lot #3743- Questioned if the burglar lived in the Hideout, how they got in if not living here and what consequences arise for a member who might have a guest that commits a crime in the community. Also, asked why this wasn't put into the Hideabout so we know what is going on in the community and can be more on alert. Lot #3649- Addressed the concern of speeding here in the Hideout and how to report an incident without visibly seeing the license plate. Lot #3140- Question about the complaint forms that are filled out and the response process regarding them stated that sometimes a verbal report is not satisfactory would like to see something in writing. Also, inquired about the security personnel present for the meeting. Lot #2374- Asked about the discussions regarding installing some hidden cameras and where we are at with this. Lot #400- Asked about installing a stop sign on the straight away along Lakewood Drive to help deter speeders. Lot #2827- Commented on Hideout trucks speeding as well. Lot #1971- Commented on security presence prior comment. Stated they were thankful for their presence due to incidents that have occurred in this country.

Lakes and Environmental Planning Manager, John Gigliotti:

- This was a difficult winter and a number of dwellings have a lot of snow and ice build up on the roofs, so in this month's Hideabout article it explains to take a look at those areas and check for leaks.
- The final phase of the Tract 29 Wetlands Enhancement Project is being completed. All funds being dispensed will be under the Growing Greener Grant that was awarded to the Hideout in the amount of \$76,500.00. Will include additional tree planting as well as checking trees on the north side of Brooks and Deerfield lakes.
- We will be obtaining a permit for fishery studies of all the lakes since the last one was done in 2011. With the catch and release rule we will see how things have changed since then. The Roamingwood Lake Main Gate and Side Gate valve is going to be a big challenge this year. This is something we are looking to replace. The goal right now is in the planning stages, permitting, and logistics and the plan is to begin the installation in Mid-October.
- In order to carry on an existing permit we will be contacting the PA Boat Commission for permission to do initial supplemental stocking of grass carp.
- We will make another attempt this year to apply for two Grants one called the Act 13 Grant which is funded by the Natural Gas Industry and is a storm water related project on Lakeview Drive West

and Ridgefield. I will be working with our Facilities Manager and Princeton Hydro who will be writing the Grant on our behalf. This will tell if we can get a handle on the drain issue that comes down under that road quite severely into the homes and into the lake. The other one will be a Watershed/Water Quality project that will focus on the area north of Deerfield Lake. There have been talks over the years through the Lake Committee and Board to address some of the phosphorous issues which is really coming from the bog area across the street. This will be a Growing Greener Grant.

- I just came back from Penn State where we were recognized by the Pennsylvania Lake Management Society and were invited to present the specifics relating to our Tract 29 Wetlands Enhancement project. The presentation went very well. The key economic part regarding the Tract 29 Wetland Enhancement Project is maintaining property values.
- Lastly, which will be advertised in the paper and elsewhere, is spraying sometime in May for the Gypsy Moth and Tent Caterpillars. We periodically do assessments every fall and the Caterpillar population is pretty low however the Gypsy Moth population is the highest it has been in about twenty years. If this is not addressed you will see de-foliage of some of the trees.

Lot #2827 - Questioned the process for spraying of Gypsy Moths.
Lot #2975 - Thanked the Land & Environmental Manager and Board for their efforts to preserve our environment, the lakes, and while controversial, the deer cull, as much appreciated by those of us who are concerned about water quality and the lakes.

Lot #3521 - Concerned with Holiday Park regarding branches and dead trees everywhere. Asked why the campgrounds are not mowed on a regular basis.
Lot #3649 - There has been mention of Flood Zones asked if there are any Flood Zones here at the Hideout and are there any places that we should know about that are designated as Flood Zone A.
Lot #1980 - Went through this with John Gigliotti when we went to the county for the maps we found out the maps they were using were from 1945. A lot of the designated Flood Zones probably should be appealed otherwise the insurance on it is very high. Stated that part of the problem is the Federal Government has not updated their maps since the 1940's.
Lot #2827 - Asked to define Flood Zone A and inquired if we have any Hideout maps showing where our flood zones are.
Lot #2207 - Inquired about doing mosquito abatement as well and mentioned the amount of ticks in grassy lot.
Lot #3066 - Wanted to be on record that a lot of people here are against the deer cull and many of us do not want the deer cull which we find is a waste of \$90,000.00.
Lot #3743 - Mentioned from work experience that some lots didn't even come up as a flood zone with liberty mutual so don't know how this gets recognized as a flood zone. A flood zone is supposed to be by an ocean and don't we have control of the lakes here? Making a statement to that because I have insured many people in here that live on the lakes and that don't live on the lakes and it never came up once. I just wanted to say that.

Lot #3140- In regards to the tick comment dogs, cats, rodents all carry ticks. They do not grow on a dog or the deer they grow on trees and stuff around your property so stating you get Lyme disease from deer is not a true statement.

Lot #400-Regarding stray cats my wife dropped off information to the community manager regarding a program and was just wondering if this was going to be presented to the Board and what would be the earliest it could be looked at. Also, wanted to know how many deer have been killed so far.

Lot#3743- Has information on a company that will come in and spay cats for \$35.00 per cat.

Recreation Manager, Sari Lang:

- We are working to get our first meeting together for the new Parks & Recreation Committee. They will all be contacted and our first meeting hopefully will be in the beginning of April.
- Yesterday two new pieces of equipment were delivered to our Fitness Center. There is a new cross cable machine called the functional trainer which has a really broad range of uses and can be used for rehabilitation and a brand new incumbent bicycle that is great for rehabilitating and keeping regular fitness.
- We are in the midst of getting for the members a brand new ping pong table.
- We are adding this year six new kayaks and six new canoes to the rental fleet.
- Our indoor tennis courts have been freshly painted and there is new surfacing to prevent slipping.
- We are working on the Art Center, there is fresh paint, remodeling the bathrooms and there is a brand new floor. Parties are available for rent.
- We are also offering brand new stained glass workshops.
- Another thing you will see this summer is a brand new playground at the north pool. This is welcomed as a new addition to the park area because it is in proximity to the bus stop and is a great location.
- This summer there are employment opportunities in the areas of our camps, aquatics, cashiers, lifeguards, and boat people who help us rent the boats.
- If you need to register a boat, canoe, or kayak Boat registration is at Recreation.
- Dock space rentals are also taken care of at the Recreation office and your non-power boat racks.
- The Roamingwood Park project will be under way soon bringing the members a brand new bathroom, a walking trail, and a pavilion. We are going to make a transition for anybody who has a non-power boat rack at Roamingwood. We will re-locate the racks and your boats to the new location which will be at the Marina side. There will be a launch provided and a boat dolly with a combination lock in which the member will receive in case your boat is further away from the water.
- Would like to promote the Rewards card in which Recreation offers a monthly special along with the Food & Beverage department, this changes monthly. There are also lots of merchants that participate and for \$5.00 it is worth it after your first purchase. These cards are available at Recreation and at the Registration Office.
- For new homeowners the HASG's have started giving them welcome baskets. In the welcome basket Recreation has provided sample offers to come to all of our amenities.
- Our Woodworkers are having a training that we welcome you to join on Sat., May 9, 2015.

continued on page 23

Board of Directors Minutes continued from page 22

• Recreation thanks all of the departments for working together this year and getting set for members with all new training in courtesy and hospitality.

Lot #3142- Questioned why we are putting a bathroom at Roamingwood Park when the Rules state no outside bathrooms on a lot.

Lot #3521- Asked how much are we charging kids to use new playground at the Beach and why we still charge children to use mini golf. Stated that there should not be a charge to use any amenity.

Lot#4371- Concerned with members that have two or three kayaks set up and are not anchored properly. Also, suggested shade around the dugouts, or where players sit, there is no shade at all also down by the North Pool where they play handball again there is no shade. Asked about concessions at the North Beach. Lot #4193- Inquired about plans to possibly start painting classes or sketching classes since the stained glass classes are successful and if there will be a survey sent around for participants.

Lot #1221- Mentioned possibly fencing in the North Pool Playground because when the kids are playing there is all kind of animal excrement all over the place. Lot#3123- Complained about the road going into the campgrounds and inquired about a solution for it before April 15, 2015. Suggested installing cameras in the campground area for protection. Also, requested to stop the deer cull in the campground areas due to the possibility of attracting coyotes.

Lot #3649 - Asked if there will be any pieces of old equipment removed from the gym. Was wondering if a brief description of what the responsibilities are for the new Recreation Committee could be given. Lot #3916- Stated when the roads defrost they are going to be a disaster, when it warms up are they going to be fixed. Lot #2592- Asked why members have to pay for chairs at the North Beach and why \$5.00 for only a half day.

Lot #3304- Thanked the Board and Sari for their efforts to improve and maintain the facility but questioned the lockers in the men's room being in need of improvements and adding additional lockers. Also the handicap shower has been out of order for some time. Lot #2827- Asked if the Recreation Committee is already filled.

Lot #3837- Questioned the extent of advertising for the Recreation Committee since a lot of people were interested and asked if there is a published list of the committees with members names. Lot #3369- Complimented the new resident's basket gifts. Suggested sending out certificates to entire community with an expiration date to generate more business.

Food & Beverage Manager, Suzy Kearns:

• Food & Beverage is looking forward to a new season coming up with lots of new events for the members. We are going to try some new things such as more entertainment that you have never had in here and see how it works.

• As always we like to take your suggestions and comments.

• Amanda, Lisa, Brett and I have worked over the last couple of months on new summer menus that will be coming out within three to four weeks. We will slowly

introduce some new items and specials for the members.

• We have new staff coming on board and we are training them as well as training the staff we have here now to be more efficient to your needs and more efficient to what is needed as a server.

Lot #4371-Questioned why the date for Easter Dinner is on Saturday not Sunday. Asked if it could be changed. Also, is involved with the dart league and addressed the issue about members not utilizing the Clubhouse dining room because of the atmosphere which then effects the area where darts are being played. Suggested making the dining room a more appealing area to dine so members utilize this side as much as the bar area. Stated that the Dart League will not use the downstairs because of no drink services in this area.

Lot #3665- Questioned if we could get a beer miser for the bar downstairs.

Lot #2827- Welcomed the new Food & Beverage Manager to the Clubhouse and stated there have been seven violations with the Health and Safety Department and asked if she knows that the next inspection is sometime before September 2015. Never personally had a problem but stated these violations were disturbing and is looking forward to seeing an improvement.

Lot #3521- Expressed concerns over the lack of a bar menu and the change to a higher end menu only offering high priced dinners.

Lot #3740- Stated he is a frequent visitor to the Clubhouse and there are bar specials, members just have to be aware and look. Feels the dinner menu is reasonably priced. Feels changes have happened and he thanked Joe Acla for hiring a manger because the food has improved tremendously and recognized Amanda and Lisa along with an improved budget for the past five consecutive months. Stated nothing happens overnight and constant improvement is needed. Explained that the Clubhouse is one amenity that if members support it they do not have to subsidize it, they can actually make money and support themselves. Addressed Dart League's issue with playing downstairs in which the leagues did not want to do.

Lot #3743- Stated Dart League's concern with playing downstairs is older members carrying drinks from the upstairs bar and because the whole upstairs of the Clubhouse would be empty if they were downstairs which would not make sense. Another issue addressed was service and lack of alcohol at the Tiki Bar. Suggested hiring more staff for this location to improve on service.

Financial Report, Donna Kiely, CPA:

• The POA is busy reviewing the budget that was passed by the Board of Directors with the input of the managers for the 2015 budget year.

• With the current weather it is going to be a little bit of an issue with the campground and getting the golf course open.

• We are just finalizing the notes regarding the 2014 annual independent audit of the financials with Zavada and Associates. We are hoping to get this for the Board and members next week and get it approved at the next Board meeting, however this takes a considerable amount of time.

• Basically, we finished out the year with a minor surplus and there was a significant contribution in the way of the Board contingency expense that was available to

us and kept us safe.

• At the end of the past number of years we started a new by-law for a contingency fund and we are projected to finish up 2014 with a remaining \$122,000.00 in that fund for the operations component of our budget.

• We really have only got through February 28, 2015, but we were running behind in January in current dues collections, which was a little worrisome with seventy four members paid in full. However, we recouped and then went ahead of last year and now we are at one thousand thirty two paid in full which is nine ahead of last year.

• We have a new person in our collections department which allowed her to work with members and call people to try to bring the members back in good standing. Now we are turning a corner and bringing people back in as dues paying members.

• On the agenda the Board will be addressing a few capital financial expenditures in which there was a request from the Board to look through and prepare a trend or a balance report for our fund balances over the past few years where we would project where we would be at the end of the year.

• We do have a challenge regarding a large and exciting project on the agenda, Roamingwood Park. Some funds will be moved around to make sure it is completed correctly and have carried forward quite a few dollars from prior years.

• With our staffing changes and various other issues a number of things were pushed from last year to this year. This elevates our expenditure level, however the funds were allocated out of last year, and then a considerable amount of funding for our road paving is actually from 2012 and 2013 rolling forward in the amount of \$200,000.00.

• As for the end of 2014 we have a healthy reserve balance of equity in our reserves of \$3,400,000.00, \$1,600,000.00 is capital reserve, \$230,000.00 of this is new capital, \$1,007,000.00 is our general level build up reserve, \$294,000.00 is in water management, \$234,000.00 is in environmental which is basically what we need for our Gypsy Moth spraying so that will be drawing down, and \$36,000.00 in trash and recycling.

• With our planned expenditures we will be drawing down our equity balance by about \$220,000.00 this year if we were to expend everything that we have here on our list. However, remember that it was a carryover and we probably would have remained about level if we had expended the paving monies in the year we originally budgeted for.

Lot #3304- Mentioned there is a little remiss about not mentioning the budget committee but is glad to hear that the reserve is doing well. Asked the Board regarding the general reserve which is almost a \$100,000.00 plus second largest compared to the capital reserve \$1,600,000.00 or \$1,700,000.00 will there be a cap put on the general reserve at some point in time just a suggestion.

4. Old Business

15-2-MOTION RESOLVED TO appoint Michael Seiden and Barbara White to the Long Range Planning Committee for a three year term to expire on December 31, 2017. Motion made by John McNichol seconded by Sam Wilmot and passed 7-0. (Questions or comments with regard to New Business) - **None**

5. New Business

15-3-MOTION RESOLVED TO move the date for this year's Annual Meeting from

October 18, 2015 to October 4, 2015.

Motion made by Paul Spiese seconded by John McNichol and passed 7-0.

15-4-MOTION RESOLVED TO accept the most qualified competitive bidder recommended by management for the replacement of five servers with a virtual server infrastructure design to Computer Visionaries, Inc. in amount of \$45,964.68. Computer Visionaries, Inc. - \$45,964.68* New Era Technologies, Inc. - \$55,125.83 Dell Corp. - \$54,986.28

Motion made by Rich Passarello seconded by Sam Wilmot and passed 7-0.

15-5-MOTION RESOLVED TO accept the most qualified competitive bidder recommended by management for the Hideout's propane services to Superior, at a rate of \$1.249 for the POA and 1.599 for the members with a two year program offering 1.349 commercial and \$1.699 for members. In addition, remote monitoring systems for all of the POA tanks will be provided free of charge which will ensure we never run out of fuel.

Amerigas - \$1.59 (POA and Members) Suburban Propane - \$1.429 (POA) and \$2.099 (Members)

Superior - \$1.249 (POA) and \$1.599 (Members)* Motion made by Rich Passarello seconded by Fred Sakacs and passed 7-0.

15-6-MOTION RESOLVED TO accept the most qualified competitive bidder recommended by management for the Roamingwood Park Project Contract to Spano Construction in the amount of \$332,299.50 upon review of legal counsel and the Boards further review of full dollar amounts and also review of a funding strategy.

-Spano Construction - \$332,299.50*

-Buranich - \$364,290.10

-Rutledge - \$384,503.00

-Kobalt - \$408,703.00

-O'Hara - \$504,760.50

-SRI - \$718,682.08

Motion made by John McNichol seconded by Paul Spiese and passed 6-1, Fred Sakacs voted No.

15-7-MOTION RESOLVED TO accept the most qualified competitive bidder recommended by management for the Clubhouse Sidewalk Project to R.R. Wilmot in the amount of \$9,473.00 upon review of legal counsel.

Kovaleski - \$19,100.00

Maiocco - \$15,500.00

R.R. Wilmot - \$9,473.00*

Motion made by Rich Passarello seconded by John McNichol and passed 6-1, Sam Wilmot abstained.

15-8-MOTION RESOLVED TO accept the most qualified competitive bidder recommended by management for the Art Center Flooring project to BTM in the amount of \$11,898.21.

Eilbacher - \$11,841.00 (Withdrew Bid)

BTM - \$11,898.21*

Mikes Walk-in Carpet - \$13,978.00

Motion made by Paul Spiese seconded by Sam Wilmot and passed 7-0.

Motion by Rich Passarello seconded by Arnie Milidantri and passed 7-0.

(Questions or comments with regard to Committee Recommendations, if any) - None

6. Committee Recommendations
15-15-MOTION RESOLVED TO accept, by recommendation of the Recreation Manager, that the Recreation Committee be resurrected and named Parks & Recreation Committee. Motion made by John McNichol seconded by Paul Spiese and passed 7-0.

7. General Manager, Joe Acla:

• We have had a fair amount of turnover in the Food & Beverage department and are working on things to make it better. Change is sometimes difficult but hope the membership works with us to make it better.
• Flood Zone A came about mainly when Katrina hit and FEMA received quite a bit of slack as well as financial issues. Recently maps were done with a flat fly over which means they fly over and wherever there was water they delineated it as wetlands. The Hideout unfortunately has a lot of water. We are looking for a map revision if FEMA allows us. RS&W had two foot interval contour maps of the entire community in which we have submitted. The Land and Environmental Manager went to Wayne County to get the Flood Zone maps they had. We had to get all of our deeds for lots here that touched water. We completed this paperwork and it has been sent electronically to FEMA. They have received and reviewed the application and sent back their recommendations of what we have to do. We have to submit base elevations approved by engineers. RS&W is working on this with the map that they gave us of the two foot contours. Once all of that information is re-submitted we will send it back to them for their final review. If anyone has worked with the government, sometimes it works and sometimes it does not. Hopefully, FEMA will grant us a map where we will not have to worry about the flood zone and delineation. This is something we are fighting for the community so members do not have to pay higher insurance premiums which in some cases is five or six times higher for flood insurance.

• The Deer Management Program permit expires in September. We are more than half way through this project. The Wayne County Food Bank sent us a thank you letter as well as recognized the community via WNEP TV. Lake Food Bank also sent a letter thanking the Hideout for the donations. Thank you for coming out.

General Comments and Questions:

Lot #1221- Addressed Board Member, Fred Sakacs, about getting all the committee managers together which was discussed around a year and a half ago. Lot #1603- Expressed disappointment while booking a party with Food & Beverage at the Lodge. Became very upset after seeing the Easter Dinner menu with pricing since she had requested less items and received a higher amount per plate. Currently, has put down a security deposit but has not signed a contract and after seeing the Easter Dinner menu and pricing is unsure whether to book the party

at another venue since this seems unfair. Lot #3737- Concerned with why when the Hideout community does something that other communities have also done it is always publicized whether on TV or in the Newspaper. Would like to see the Hideout portrayed in a better light since this type of negativity and publicity lowers the community's property value.

Lot #3743- In lieu of the controversy surrounding the deer cull questioned whether the Board is considering asking for a vote on the next cull.

Lot #3649 – Asked if there are specs available to the members on what you are working on in Roamingwood Park and asked if there are any items that come up that we as members are allowed to vote on. Also, inquired about Attorney Farrell along with questioned his presence here at the meeting and compensation for his attendance.

Lot #3142- Bothered with the lack of negotiations between the Board and Cuccos. Questioned how the Board of Directors can only make rules not covered by Pennsylvania Rules or Bylaws without a vote of the membership. Lastly, questioned why he cannot get a copy of the Governing Documents at the POA office and that the Governing Documents are up for review and re-voting by community members every year.

Lot #3066- Asked how many deer were killed up to this point

Lot #3649- Questioned the number asking if it takes into account the Does that are pregnant so that number may double or even triple and expressed concern regarding the dollar amount of the deer cull as well as agency used to conduct the cull. Lot #400- Inquired about who conducted the study for the deer assessment in 2010 and assessment data from both studies and why if no growth it should need to be done again. Lastly, questioned when are our roads going to be resurfaced.

Lot #3649- Wanted further explanation of the social membership procedures and cost as well as the permanent guest requirements for a dependent. Also, inquired regarding a permanent guest not being allowed to attend Board meetings. Lot #2653- Questioned if there is another cull can the membership be allowed to vote on it.

Lot #2374- Addressed the fact that the deer issue has been discussed for many years and multiple meetings and that is when members should have been involved. Now it is a done deal and the community should let the issue lie.

Lot #3304- Expressed feelings regarding better communication within the community using our media sources.

Lot #3123- Asked about the remaining days for the cull and since the permit

is good until September if this would be happening in the summer months. Again, stated does not want anyone with a gun in the campgrounds. Also, questioned the permanent guest rule regarding their attendance at a Board meeting. Questioned if the by-laws could be worked on and what happened to the by-law committee along with Rules and Regulations needing to be updated. Lot#4371- Is concerned with the access at Stockfarm Road because she saw a RS&W truck as well as a Maiocco truck get through that back gate and states it happens repeatedly being that it was just for members it should be addressed. Lot #3140- Complained about a contractor doing work in a homeowner's house who also lives in the Hideout throwing vacuum cleaners, construction debris, and everything into the dumpster at the maintenance yard.

Lot #3649- Asked if it would be possible to put the status of the deer cull on Channel 20 instead of calling every week to find out the details.

Lot #3139- Inquired that there should be weight limits for roads in the Hideout to prevent pipes from breaking.

Lot #3649- Asked since the two bulk days are on a holiday weekend when members are trying to spend time with family if it would be possible to have another bulk day where there aren't thirty cars waiting in line on a holiday.

Lot #1603- Wanted to go on record as being pro deer/anti-cull and anti-paying especially whether it be the Pennsylvania Game Commission or the USDA. Expressed if this ever had to be done again it should have a vote or referendum and think about doing it in-house giving employees the overtime and/or the Board who are volunteers. Stated is pro hunting but anti-paying for it.

Note: 8. Vote to move to Executive Session: Motion by Sam Wilmot seconded by John McNichol and passed 7-0.

9. Board moves to Executive Session -Legal -Personnel -Executive Session Procedures

10. Board moves to end Executive Session and re-open to General Session: Motion made by Sam Wilmot seconded by John McNichol and passed.

11. Board reopens for General Session and the following actions were taken:

15-16-MOTION RESOLVED TO authorize William Rooney to decide whether to accept settlement and/or proceed with action after attending the Campolo mediation. Motion by John McNichol seconded by Rich Passarello, passed 7-0.

12. Adjournment- 2:46 p.m.

Respectfully Submitted,
Brooke Craven, Executive Assistant

Food/Beverage Committee Meeting Minutes - 4/11/15

Meeting called to order 11:00am

Present: S.Spiese (chairperson), B. Gordon, J. Gordon, P. Mazzone, J. Shannon, T. Slattery, B. Scampoli, S. Kearns (F/B Manager), L. Cook (F/B Assistant Manager), A. DiPierro (Executive Chef) and J. McNichol (Board Liasion)

Excused: F. Dougherty, R. Dorfman

Meeting minutes from February 7, 2015 were approved by all.

Old Business: Discussions - Continuing with entertainment for Clubhouse and Main Lodge- specialty events. Still in planning stages for improvements to Main Lodge.

New Business: Discussions-Tiki Bar and Clubhouse summer hours, advertising upcoming events sooner.

Meeting adjourned 12:15 p.m. Next meeting May 9, 2015 at 11:00 a.m.

Submitted by Sharon Spiese – spiesefamily@msn.com

Hideout POA Board of Directors 2015 Schedule of Meetings

Fri., May 29, 2015 - Workshop Meeting, 1:00 p.m. at the POA

Sat., June 6, 2015 - Regular Meeting, 9:00 a.m. at the POA

Fri., July 17, 2015 - Workshop Meeting, 1:00 p.m. at the POA

Sat., July 25, 2015 - Regular Meeting, 9:00 a.m. at the POA

Sat., August 15, 2015 - Town Meeting, 9:00 a.m. at the POA

Fri., September 18, 2015 - Workshop Meeting, 1:00 p.m. at the POA

Sat., September 26, 2015 - Regular Meeting, 9:00 a.m. at the POA

Sun., October 4, 2015 - Annual Meeting, 10:00 a.m. at the Main Lodge

Public Works Committee Draft Minutes of Meeting - 4/8/15

MEETING was called to order by J. Schesny at 9:00 a.m.

The Pledge of Allegiance was recited.

Present: J. Schesny, J. Errico, Facilities Manager, R. Straczynski, S. Wilmot, S. Patterson, and W. Block.

Excused: M. Krakow, J. Hanlon.

Minutes of 3-11-15: Motion to approve was made by J. Schesny and seconded by R. Straczynski. Minutes approved by all.

OLD BUSINESS: Public Works Committee needs new members. J. Errico will develop an e-mail notice to all residents via "The Hideout News." R. Straczynski suggested that "snow birds" should be encouraged to join the committee.

Work Order Management System: The employees continue to adjust and acclimate to the new system.

Water Management: Oak Circle: DEP approval has been received. J. Errico is reviewing the contract document in preparation for bidding.

Storm Water Management Program: Program continues to evolve.

Culvert Swale Repairs: Plans are in place to start six projects shortly.

Recycle Program: The data on the overall new program is still under review.

Boulder Road Drainage: Will be addressed at the end of RSW Stage 2 (2016). The Hideout will need to provide an engineering study for a storm water management design. A coordination meeting with RS&W is scheduled.

Facilities Inspection: Committee responsibility on hold. J. Errico noted his staff inspections of the facilities has reduced the resident complaints.

Board Guidelines for Committees: Tabled revisions to the Public Works Committee SOP incorporating the new Board Guidelines.

RSC: A recommendation to have a complete Structural and Engineering evaluation has been made to the Board for this facility. The cost for this service has to be budgeted. The chairs in the POA meeting rooms are scheduled for cleaning.

RS&W: The North Stage 1 paving is still on schedule to begin this spring. The South Stage 1 paving is still on schedule to begin this summer.

The Stage 2 bids will be received on 4-20-15. Construction work is estimated to start in May. Stage 2 will complete the North section of the community.

Motion to adjourn was made by W. Gross and seconded by R. Straczynski.

Adjourned at 10:10 a.m.

Next meeting will be May 13, 2015 at 9 AM.

ECC Committee Draft Minutes of Meeting - 3/13/15

Call to Order: 8:55 am. Pledge of Allegiance

Present: Rich Straczynski – Chairman, Ed Rannacher, John Schesny, John Gigliotti – LEP Manager, Sam Wilmot – Director, Paul Spiese – Board Liaison.

Excused: Joel Vener, Michael Krakow, Bill Fentress.

Approve Minutes from February 27, 2015

Permits issued by PW Secretary since February 27, 2015 meeting – see attached sheet

Permits for Review –

Lot # 2948 S Fairway Drive	air cond. unit	Frederick	Fred. Logan HVAC
Lot # 3369 Northwood Terrace	addition	Kauders	Brothers

Review/Discussion: Status & updates of:

1. Forest Conservation Program
2. April Hideabout – Invisible Dog Fencing. Rich's article for the April Hideabout will be about the fencing.
3. Rich will be writing an article for the May Hideabout.
4. Contractor registrations are handled by the Front Desk. Kathy says there are a few more.
5. Expired permits are a problem. I have compiled a list of the more recent ones and gave a copy to each member of the Committee. I sent out a letter with a stamped self-addressed envelope asking if the project is completed. All the member has to do is sign and return if the job is done, or call and ask for an extension if more time is needed.
6. A CMR will be written for the next meeting to be given to the Board.

New Business: John will be attending PALMS Conference at State College with Dr. Lubnow.

Meeting adjourned: 9:50 a.m. Motion by Ed Rannacher, seconded by John Schesny, All in favor 3-0.

Next meeting: March 27, 2015

ECC Committee Draft Minutes of Meeting - 3/27/15

Call to Order: 9:00 a.m. Pledge of Allegiance

Present: Rich Straczynski – Chairman, John Schesny, John Gigliotti – LEP Manager, Paul Spiese – Board Liaison, Bill Fentress

Excused: Joel Vener, Michael Krakow, Ed Rannacher

Approve Minutes from March 13, 2015 – were not available at this time

Permits issued by PW Secretary since February 27, 2015 meeting – see attached sheet

Hideout Adult Bowling League

By: Len Wysocki

Only one week to go in this bowling season. Team "NO NAMES" has clinched 1st place this year! Congratulations go out to team members of NO NAMES: Dick Covey, Marianne Sparkowski, Bernie Zelno and Dom Lucarelli. Now, let's get to some scores.

WEEK # 27 – Linda Miller bowled her high series of the year, a nice 355 series(73POA). Ed Sparkowski found the lanes to his liking, shooting his high series of the year, a 464 series(65POA). Three teams showed no mercy to their opposition this week, taking all 4 points: All Girls, Da Goylz and Hit and Miss.

WOMEN HIGH ROLLERS: Sue Dimmick 177; Isabella Tridente 146; Carol Lopiccolo 173; Audrey Quattrachi 159; Dee Pasciola 150; Jean David 172; Linda Miller 128; Marie Krauss 141; Reggie Hadley 208; and Millie Roselli 151.

MEN HIGH ROLLERS: Rick Hadley 195; Tom Maguire 205; Ben Carapella 174; Tom Maher 257; Paul Schiavo 147; Fred Benedicto 178; Bill Roselli 171; and Ed Sparkowski 192.

WEEK # 28 – Gro Paulsen found the groove this week, bowling her high of the year, a nice 437 series(89POA). Bill Roselli bowled his 2nd high series of the year, a 474 series(75POA). Five teams blanked their competitors this week: Almost, Jobile, Barnz Boyz, No Names, and Spare Us Taod.

WOMEN HIGH ROLLERS: Betty Linneman 141; Lucille Koehler 173; Carolyn Barnes 164; Edna Moran 155; Ann Appel 177; Reggie Hadley 184; and Gro Paulsen 159.

MEN HIGH ROLLERS: Ed Sparkowski 174; Dick Covey 148; Bill Roselli 168; Fred Benedicto 188; Ben Carapella 158; Rick Hadley 216; Dave Trombley 192; and Ken Wenz 184.

WEEK # 29 – Denise Guiffredo shot her best of the year, a 471 series(78POA). Fred Benedicto bowled his high of the year, a 536 series(95POA). Three teams

managed to take all four points this week: KISS, Team # 11 and Bowleros.

WOMEN HIGH ROLLERS: Sue Dimmick 167; Miriam Fernandez 171; Lorraine Procopio 200; Jean David 181; Kim Wittreich 167; Merridy Gersten 150; and Denise Guiffredo 170.

MEN HIGH ROLLERS: Dom Lucarelli 189; Roger Cortez 179; Fred Benedicto 203; Paul Schiavo 149; Rick Hadley 186; Bob Fezza 191; and Dave Trombley 183.

WEEK # 30 – Dee Pasciola was at her season's best this week, bowling a 456 series(96POA). Buster Miller was at his best this week, shooting a very nice 605 series(128POA). Five teams bowled their way to four points this week: Barnz Boyz; Hit and Miss; No Names; All Girls; and Yahoo.

WOMEN HIGH ROLLERS: Marie Krauss 153; Pat Finnegan 126; Joyce LaRoca 116; Dee Eifert 171; Jean David 192; Dee Pasciola 205; Gail Endorf 185; Carolyn Barnes 163; Betty Linneman 149.

MEN HIGH ROLLERS: Lou Filosa 152; Buster Miller 222; Jack Perenza 108; Tom Maguire 218; Al Brookmeyer 149; Tom Maher 247; Fred Benedicto 189; Bill Roselli 169; Dick Covey 152; Dom Lucarelli 174; and Dave Dimmick 191.

WEEK # 31 – Edna Moran was at her season's best this week, bowling a 480 series(111POA). Tom Maher put together three consistent games for a nice 639 series(60POA). Fivr teams took all four points this week: Hit and Miss, Greg's Gals, Da Goylz, All Girls; and Team # 11.

WOMEN HIGH ROLLERS: Carol Lopiccolo 175; Lorraine Procopio 233; Edna Moran 173; Dee Pasciola 151; Barb Misercola 163; Lucille Belvedere 152; Carole Maguire 136; Marianne Sparkowski 165; and Millie Roselli 156.

MEN HIGH ROLLERS: Dom Lucarelli 199; Paul Como 247; Paul Schiavo 143; Tom Maher 216; Mike Messina 199; Ben Carapella 178; Rick Hadley 188; Dave Trombley 194; Lou Filosa 171; and Bill Brenner 202.

ECC Committee Minutes - 3/27/15 continued

Permits for Review: There were no permits to review.

Review/Discussion: Status & updates of:

1. The new Board Committee guidelines were passed out to the members.
2. The CMR for Impervious Surface Ratio will be presented to the Board at the next meeting.
3. The Contractor Vehicle Signage CMR will be presented to the Board at the next meeting.
4. The CMR for Resolution #14-41 Electronic Pet Fencing was tabled until Rich can talk to Public Safety.
5. The May Hideabout will feature an article by Rich on "Open Fires."
6. John is in contact with local foresters and they are discussing the types of trees we should be planting.
7. The updated version of the ECC Manual has been finalized.

New Business:

Meeting adjourned: 9:45 a.m.

Motion by Bill Fentress, seconded by John Schesny, All in favor 3-0

Next meeting: April 10, 2015

Footnote Explanations

- A Dues related Income stated on Accrual Basis.
- B Dues related Income Budget Based upon 2015 Dues Billings less Allowance for Bad Debt.
- C Dues & other Non Amenity Income projection currently based upon original budget.
- D 2015 Projection based upon actual results achieved through March 2015 with budgeted data for April through December.
- E Current Year Surplus (Deficit) 2015 (subject to Audit adjustments).

Forecast Adjustments

- a Current Dues and other Non Amenity Income forecasted to be on budget.
- b Contingency Expense reserved 40k.
- * Remaining Monthly Budget reviewed for all Amenity operations, adjusted as follows:
(Timing Differences or Known Variances from Budget).
- c Marina: Revenue -36k timing (early receipt of revenue).

Budget Variances

- 1 Dues Collections on budget .
- 2 Resale Certificates & Miscellaneous Revenue slightly favorable to budget.
- 3 Public Safety: Revenues unfavorable 4.7k, Wages & Taxes & Benefits unfav. 5k, IT unfav. 2k, Vehicle Maint fav. 2.7k, Fuel fav. 3.3k .
- 4 Laurel Park: on budget.
- 5 Ski Hill: Revenue net unfav. 10.9k , Wages & Benefits favorable 3.6k, Operating Supplies fav. 2.4k, Repairs & Maint unfav. 5.8k., Utilities fav. 2.5k.
- 6 Lakes & Marina: Revenue fav. 36k.
- 7 Pools & Beaches: Revenues unfav. 6k.
- 8 Recreation: Revenues net unfav. 5.2k, Wages & Taxes unfav. 3.5K, Utilities unfav 8k.
- 9 Golf Operations: Net Revenues fav. 2.3k, Wages fav. .7k, Supplies fav. .8k.
- 10 Golf Maintenance: Wages & Benefits favorable 1.8k, Utils fav. 1k.
- 11 Arts & Crafts: Revenues net unfav. 1k, Wages & Taxes unfav. 1.6K.
- 12 Maintenance: Revenues on budget, Wages, Taxes & Benefits unfav. 1.8k, Fuel fav. 6.7k, Snow removal unfav. 28k. Repairs fav. 4k, Road Repair unfav. 1.5k, Outside Eng. fav. 1.1k, Supply & Tools fav .5k, Vehicle Maint fav. 2.9k.
- 13 Woodshop Amenity: On budget.
- 14 Grounds: Vehicle Maint. Unfav. 1.1k.
- 15 Administration: Revenues fav. 3k, Benefits unfav 8k, Wages fav, 8.5k, Utils. unfav 1.6k, Dues fav. 1k, IT unfav. 3.9k, Conference & Training fav. 1.4k, Legal unfav. 1.1k.
- 16 Community Relations: Revenues unfav. 6k, Wages, Taxes & Benefits fav. 1.4k, Printing unfav. 1.7k.

GOOD NEWS

is a new section in the Hideabout where members have an avenue to report good news, show their appreciation, or just praise our wonderful Hideout.

Good News should be sent to:
Debbie McGowan, Hideabout Editor,
640 The Hideout, Lake Ariel, PA 18436
or email dmcgowan@thehideout.us

TO MR. WILLIAM ROONEY AND BOARD MEMBERS:

I have been a property owner at the Hideout for the past ten years. Needless to say it has been one of the best investments I have made. Even though we do not live there full time, we thoroughly enjoy the time that we spend there. It is a great place to spend with our family, especially the grandkids.

I would like to commend the president and board with the way they are taking care of the welfare of the community. I realize that sometimes there are tough decisions that have to be made, one being the overpopulation of deer. I have been on the receiving end of a deer running across the road and hitting my vehicle at the Hideout. I have also seen many other incidents of the same happening. I am an animal lover and will do whatever I can to safeguard nature's creatures. But sometimes decisions have to be made to keep the delicate balance between nature and its surrounding community. Kudos to

Mr. Rooney and the others on the board for making this situation a little more palatable for both species.

My hat also goes off to the other decisions made by the board for the welfare of the community. I know that there isn't always agreement with the board on decisions that have to be made, but they have seemed to work out their differences. If only our federal government could work together as you do. Thank you for taking such good care of us.

Dennis Tave

Good News Editor:

Biill Rooney's explanation, analysis, and justification of the solution to the deer problem (President's Message - March) was intelligent, well-written, and valid. Tough and unpopular decisions sometimes have to be made and he did. It's best for the Hideout and the deer with the ribs showing. They suffer enough.

John Menichiello, Lot #3653

THE SPEED LIMIT IN THE HIDEOUT IS 25 MPH

DRIVE SAFELY

DRIVE SAFELY

Except in designated safety zones where the speed limit is 15 mph.
Please watch for our pedestrians.

The good weather will be taking us all outdoors again. We have many children and adults that will be out riding bicycles and walking dogs. Please observe all signs and association rules for the safety of our members.

THE HIDEOUT POA, INC. Dues Payment Status as of March 31, 2015

Number of Properties Billed

Improved	3,256
Unimproved	797
Total	4,053

Number of Properties with Balances Due

Improved	607
Unimproved	421
Total	1,028

Number Improved	Number Unimproved	Reason	Amount Due
517	195	Dues - Annual Billings	1,503,251
5	3	Payment Plans	12,713
21	3	Dues and Citations	125,788
2		Citations and Fines Only	1,820
3	54	Collection Agency	916,774
1	1	Civils Complaint Filed	20,097
13	6	Judgements in Place plus New Dues	126,163
4	4	Delinquent Dues - Payment Plans	46,674
17	143	Uncollectable	2,804,501
7		Foreclosures	36,727
15		Pending Foreclosures	111,725
2	12	Bankruptcy Filed	203,048
		Legally Mandated Discharge	4,647
		Accounts In Need Of Cash Discount	5,057
		Intercompany Charges	1,344
607	421		5,920,330

For 2015 budgeting purposes we estimated we would collect from 3665 lots (90%). As of March 31, 2015 3027 properties (75%) have zero dues balance compared to 3065 (76%) for 2014.

The Best Food is Local Food

By: Elaine Frey RN

Hurray, spring has sprung and soon we will be able to avail ourselves of fresh, locally grown food and not mystery food from far away places. I can't help but wonder about the safety and freshness of our food supply. Food producers and distributors are getting bigger and fresh produce is being transported from all over the world. We don't know what went into growing it, whether the crop is genetically-modified, what types of pesticides or irradiation may have been used, or how long the produce has been in transit and then sitting on the shelves losing nutrients every day until there are none left. More than ever I think it's so important to eliminate our lawns and either grow your own, or at least know where our food comes from and the people who have grown it. Cancer is on the rise in this country and there is often a direct correlation to dietary practices. For those that are interested in a more local food supply that is fresher, nutrient dense and free of pesticides and other chemicals, here are some ideas of many ways to access the freshest and best food for ourselves and families. For those who want to grow their own, there are many options.

1. Grow your own: Some may feel that a garden can be intimidating, but even growing just a few items can be simple and rewarding. A few tomato plants, a small bed of lettuce (very easy to grow) and radishes. With more experience, you can add more items and your garden can grow. If you don't have the land space or your property is too rocky the Earth Box does a great job on your decks and the wheels allow them to be moved around to follow the sun - www.earthbox.com. Their distribution center is in Scranton, PA!

2. Share the growing: If you don't have space or are limited on time for gardening, there are a couple of ways to share the workload for plentiful results:

a. Community garden-Many towns, cities, counties or even gated-communities have sponsored community gardens. A specific area is set aside and people sign up for a "plot" for growing items of choice. Individuals can get their own plot, or a few people can work together. Community gardens are especially beneficial to those who may not have any growing space in their own backyards. The Hideout had its first growing season a few summers ago. The gardening plots are located behind the Clubhouse. For a minimal fee you can have a great family summer project. Call Recreation to reserve a plot. 570-698-4100, ext 160. Penn State Co-operative extension is a great resource, very helpful and informative-<http://extension.psu.edu/> wayne.

b. Gardening co-op-If someone has plenty of gardening space but doesn't always have the time to keep up a full-sized garden, look for people in the area who want to help with the gardening chores and offer a small monetary contribution to offset some of the seed costs. In exchange, everyone shares in the harvest each week. Several people working together on a single large garden yields greater results than people working independently- <http://www.scrantongreenhouse.org/> in Scranton, PA.

3. Join a local farm membership program: Community Supported Agriculture (CSAs) farms are becoming more popular and abundant. Many are

organic growers so you can be assured of chemical-free food that is fresh, nutritious and delicious. Check out www.localharvest.com to search your area for such opportunities. If you are a snow bird and are heading down to the west coast of Florida this fall, check out The Worden Farm CSA in Punta Gorda-it's organic and fantastic. <http://www.wordenfarm.com/>. In the Hideout we are surrounded by many wonderful farms. Right outside Stock Farm Gate is Safford Farm. They grow fresh produce for many restaurants, farmers markets and their own CSA- <https://www.facebook.com/pages/The-Garden-at-Safford-Farm/379761772054767>.

4. Shop at farmer's markets: Farmer's markets promote local growers that sell their own products. I love meeting the farmers that grow the food. I can ask about their farming practices, if pesticides were used, do they use GMO seed, etc. Scranton's Farmer's market is open Mon, Wed and Fri starting in late spring/early summer- www.coopfarmersmarket.com/. The Cooperage on Main Street in Honesdale has a wonderful farmers market on Wednesday evenings in the growing season, Saturdays in the winter, along with weekly entertainment and educational activities- www.thecooperageproject.org. The yummy part of the Cooperage Project is the kitchen restaurant which is run by The Ant Hill Farm. They prepare and serve locally grown foods for easy dining. Wayne County Farmer's Market is on Saturday in Honesdale- <https://www.facebook.com/pages/Wayne-County-Farmers-Market/342783086762>? Ritters Farm Market outside the main gate on RT 590, and RT 348 in Mt Cobb, offers many locally grown and produced foods, much of which is pesticide free- www.rittersfarmmarket.com.

5. The Lackawaxen Farm Co: This to me is the best of all the opportunities to eat fresh, organic and local all year round. Most farmer's markets are seasonal and close in late fall, but The Lackawaxen Farm Co is open all year. Area producers have come together to sell their healthy sustainable products. They have been working non-stop to build a network of people and businesses and to create a logistical system that can get food and other products directly from local farms and artisans to the public. This year they are offering a joint farm CSA membership and delivering their products to many different CSA sites on any given number of days. These many wonderful local producers have come together under the inspiration of Ant Hill Farms of Honesdale to offer a web site store as well. The store is open Sunday to Monday evening at www.lfcfresh.com. Placing an order to be picked up by the customer at a convenient location on the following week is a snap. There is enough of a selection of products and network of producers to get more than 90% of the food that my family consumes from local farms, and it is forever growing -vegetables, fruit, beef, pork, eggs, dairy, herbs, maple products, honey, homegoods, coffee, seafood, poultry as well as ready to eat yummys.

We are blessed to live in an agricultural based state where small family biodynamic farms are making a big comeback along with modern technologies like hydroponics etc. Enjoy and be well!

Rental is restricted to Members and their Guests and will be based on Lifeguard Availability.
No Food or Drink in the Pool Area.

Children's Easter Egg Hunt Co-Sponsored The Hideout and RE/MAX Best

On Sat., March 28 at the RSC Tennis Courts, the Hideout's annual Children's Easter Egg Hunt hopped into action. Both the early date of Easter this year and the long winter conspired to keep us indoors. As the children entered the RSC, they were greeted by the lively, jovial Easter Bunny and were given a ticket to win one of the fabulous door prizes. As they journeyed into the tennis area, the children were excited to see hundreds of wonderful prizes donated by RE/MAX Best and thousands of colorful eggs scattered throughout the floor. The egg hunt was split up into four groups, 3 and under, 4-6, 7-9, and 10-12. The children had a great time racing to get as many eggs as they could put in their baskets, hoping to find the eggs with the special prizes in them. Before the children left, they had their picture taken with the Easter Bunny and received a goodie bag filled with Easter toys and candy. Thank you very much to Betty Covey, Heather Meagher and all the associates at RE/MAX Best for their generosity and commitment to the Hideout.

The Hideout Recreation Staff would also like to thank all the volunteers that stuffed eggs, packed goodie bags, and donated prizes-- the Friday Quilters, the Hideout Association of the Arts, Kim Klein, Stephanie Carolyn, Thomas Pfaeffle, and everyone else who helped make this event a huge success.

2015 Indoor Soccer Camp

Fresh off the ringing of the New Year's bells, nine of the Hideout's finest aspiring young athletes strapped on their shin guards and laced up their shoes for our annual winter Indoor Soccer Camp. Starting on January 5 and running each Monday evening for six weeks, the children's soccer camp is designed to introduce players to the fast paced world of Indoor Soccer, focusing on the fundamentals of passing, dribbling, and shooting, as well as teamwork and sportsmanship. Each practice began with stretching and a quick jog to get the blood flowing, followed by various drills to introduce new skills. The second half of practice consisted of playing various games designed to reinforce the focus element, but most importantly to have fun! Despite some less than cooperative winter weather that forced us to reschedule twice, by the end of the camp our little athletes were playing full court scrimmages, and even took on the two coaches in a season finale! Players, parents, and coaches alike celebrated with a pizza party to wrap up the camp. If you missed the winter programs, make sure to check out our summer sports series, with baseball camp starting July 13, tennis and soccer starting July 20, basketball beginning July 27, and Golf camp August 3. We can't wait to see you all in the sunshine!

The Hideout Book Club

MEETING PLACE AND TIME:

4:30 p.m. in the Library of the Recreational Sports Complex on the 3rd Thursday of the month. Here are the dates and books that we will be reading.

Scholarship will be awarded, in person, at the August meeting of Hideout Art Association.

2015 Aquatic Programs

Preschool Swimming Lessons-children 3-5 years of age. This is a child's first experience in the pool without parental assistance. Children are taught basic skills that are the building blocks of swimming. They also learn about pool and boating safety and the use of personal flotation devices. These 30-minute swim lessons are taught by caring American Red Cross Swimming Instructors using the guidelines of the Learn to Swim Level 1 program.

Session Dates	Days	Time	Member	Guest
01 June 22-July 3 (6classes)	Mon., Wed. & Fri.	10:00-10:30am	\$30	\$35
02 July 6-July 17 (6 classes)	Mon., Wed. & Fri.	10:00-10:30am	\$30	\$35
03 July 20-July 31 (6 classes)	Mon., Wed. & Fri.	10:00-10:30am	\$30	\$35
04 Aug.3-Aug.14 (6 classes)	Mon., Wed. & Fri.	10:00-10:30am	\$30	\$35

Youth Swimming Lessons-Youth ages 5-12 years of age. These lessons follow the American Red Cross Learn to Swim Lesson format and are designed for children to progress through five levels in a natural progression. Children learn not only swim strokes, but also learn about personal safety, basic rescue skills, personal growth issues and water sports and games. We incorporate all of these components in an effort to help our American Red Cross class participants become well rounded swimmers whose aquatic knowledge can provide them with a lifetime of water enjoyment

Level 2: 9:00-9:45am; **Levels 3 & 4:** 10:00am-10:45am; **Level 5 & 6:** 11:00-11:45am

Session Dates	Days	Member	Guest
01 June 22-July 3 (10 classes)	Monday-Friday	\$50	\$60
02 July 6- July 17 (10 classes)	Monday-Friday	\$50	\$60
03 July 20- July 31 (10 classes)	Monday-Friday	\$50	\$60
04 Aug. 3-Aug. 14 (10 classes)	Monday-Friday	\$50	\$60

Parent-Child Class Levels A & B-for 6-36 months and one parent or guardian. The primary objective is to get both the parent and child comfortable in the water. The child will become aware of the differences between moving through water and on dry land, while the parent will become aware of how to teach his or her child to be safe in and around the water. Classes are designed to allow the child to have fun in the water while the parent guides him or her to learn aquatic skills. The child will be exposed to games that use basic movements in the water such as kicking, arm strokes and breath control. Activities are based on the developmental ability of the child.

Session Dates	Days	Time	Member	Guest
01 July 7-July 16 (6 classes)	Tues & Thurs	10:00-10:30am	\$30	\$35
02 July 21-July 30 (6 classes)	Tues & Thurs	10:00-10:30am	\$30	\$35

Private Swim Lessons or Semi-Private Swim Lessons-begin June 15. One-half (½) hour lesson all ages, abilities and levels welcome. Contact Aquatics Office (570)-698-7014 to set up lessons. Payment required in advance for all lessons. (Maximum 2 people).

	Member	Guest
Private Lessons	\$15/per person	\$18/per person
Semi-Private Lessons	\$10/per person	\$12/per person

SPECIAL EVENTS & PROGRAMS

Beach Parties-Three annual beach parties are held during the summer at the Main Lodge Beach. Each party is unique with music provided by a DJ. Admission to the parties is free to all members and guests with a valid amenity badge. Refreshments will be available for a fee. A shuttle bus is provided for transportation from the Nubia Malkin Art Center to the Main Lodge.

	Date	Time	Rain Date

• Boat Regatta Sat., July 4, 2pm at the Marina. This year's theme is "Favorite Holiday"			
Labor Day Beach Party -Sat., Sept. 5, 2:00-6:00pm, Rain Date Sun., Sept. 6			

American Red Cross Guard Start July 6 (6 weeks). Class will be held every Monday from 5:30-7:00pm. Lifeguarding Tomorrow program is available to youth interested in becoming a lifeguard in the future. This program gives pre-teens and teens, ages 11-14 years old that have the desire to learn about the responsibilities and duties of a lifeguard. This program will help your child build a foundation of knowledge, attitudes and skills to become a future lifeguard. All materials are included in the registration fee of \$60 for Members/\$70 for Guests.

CERTIFICATION COURSE

American Red Cross Lifeguard Course-The purpose of the American Red Cross Lifeguarding course is to provide entry-level lifeguard participants with the knowledge and skills to prevent, recognize and respond to aquatic emergencies and to provide care for breathing and cardiac emergencies, injuries and sudden illnesses until emergency medical services (EMS) personnel take over. Minimum age 15 on or before the final scheduled class

Pass pre-course swim tests:

1. Swim 300 yards continuously demonstrating breath control and rhythmic breathing. Candidates may swim using the front crawl, breaststroke or a combination of both but swimming on the back or side is not allowed, goggles permitted.
 2. Tread water for 2 minutes using only the legs.
 3. Starting in the water, swim 20 yards, surface dive to a depth of 7-10 feet, retrieve a 10 pound object, return to surface and swim 20 yards with legs only and exit the water in 1 minute 40 seconds (goggles are not permitted). 100% class attendance and participation
- Pass both a water skills test and written exam. Participants should bring a whistle/lanyard, pen/pencil and paper. Attendance at all classes is required.

Course Dates & Times	Member	Guest
Fri., July 10 (4:00-7:00 p.m.)		
Sat., July 11 & July 18 (8:30 a.m.-5:00 p.m.)		
Sun., July 12 & July 19 (10:00 a.m.-4:00 p.m.)	\$175	\$250

WATER FITNESS

Aqua Zumba with Julie (June 30-August 27)-Tuesday and Thursday 9:00-9:45am.

This class is a fun and invigorating way to exercise and is conducted in the shallow end of the pool. Class is choreographed to music, is designed to stretch and tone the main muscle groups as well as promote cardiovascular fitness, reduce stress, improve physical appearance and develop a sense of well-being. Member & Guests Free

LAP & LAKE SWIMMING

Lap Swimming (June 22-August 27). Enjoy lap swimming at one of the two Hideout Pools. Circle swimming will be encouraged with high volume of swimmers.

Day	Time	Place	Pool Lanes Available

BOATING AT THE HIDEOUT

Boat Registration in the Hideout began on **Wednesday, April 1**. All Hideout members must register their **power and non-power boats** at the Recreational Sports Complex before using them on the Hideout Lakes. Under recommendations from the Lakes Committee, in their September 2006 meeting, the Board of Directors accepted the motion to change the Horsepower limits for wave runners (not including jet skis) to include four stroke engines raising the hp from 85hp to 110hp for wave runners for 4 stroke engines only.

BOAT REGISTRATION

All powerboat owners must have the appropriate documents on file with the Recreation Department in order to re-register. This includes current amenity badge, a copy of their insurance naming the Hideout as certificate holder and current state registrations for both boat and trailer. All new PWC owners must bring their craft and boating safety certificate to the Recreation Department. All owners of watercrafts (20hp or more) must have at least \$250,000 bodily injury liability coverage and \$50,000 property damage liability coverage. Owners of watercraft nineteen (19hp or less-not including electrically powered) must have at least \$100,000 in liability insurance. Electrically propelled watercraft(s) need a State Registration but do not require a Certificate of Insurance. Thank you in advance for your cooperation in the registration process.

Maximum boat size--17ft., 90hp. **PERSONAL WATERCRAFT, i.e. JET SKIS (SUBJECT TO 85HP)--ONE PERSON CRAFT AND WAVE RUNNERS ARE SUBJECT TO A MAXIMUM OF 110 HORSEPOWER PROVIDED THE PWC HAS A FOUR (4) STROKE ENGINE--MAXIMUM HORSEPOWER FOR A TWO (2) STROKE ENGINE IS EIGHTY-FIVE HORSEPOWER (85).**

The Hideout must be named as certificate holder on the insurance policy.

FEE SCHEDULE:

Registration-Powerboat 20hp & over	\$ 95.00
Registration-Powerboat 19hp & under	\$ 50.00
Registration-Non-Powerboat	\$ 20.00
Registration-Electric Motorboat	\$ 30.00
Registration- Jet Ski	\$ 95.00
Yearly Storage Permit-Powerboat	\$100.00
Yearly Storage Permit – Powerboat > 22ft.	\$155.00
Yearly Storage Permit-Non-Powerboat	\$ 55.00
Dock Space Full Season	\$600.00
Dock Space Full Season-Pontoon Boats	\$675.00

BOAT STORAGE FACILITIES AT THE HIDEOUT

DOCK SPACE STORAGE

If you are interested in a Full Season Dock Space, please call Recreation (570) 698-4100, ext. 160) to be put on the wait list.

NON-POWER BOAT STORAGE

All members with boats stored in our non-power storage areas must pay for their storage area by the deadline of Thurs., April 30. This can be done in person at the Recreation Department, by mail or over the phone with a credit card. If payment is received by April 15, the Recreation Department will put your storage sticker on your boat for your convenience; otherwise you can pick up your sticker at the RSC. If payment is not received by the deadline your boat will be subject to removal and your space given to the next person on the wait list. See fee schedule for non-power boat storage fee. Anyone interested in storing a boat at one of the areas must check at the Recreation Office for availability and will be put on the wait list. Storage areas are located at Deerfield Park, Getaway Park, Holiday Park and Roamingwood Park.

DRY DOCK STORAGE AT LAUREL PARK

Storage is available for your power boat in a gated lot with cameras, for your security located at Laurel Park. See fee schedule for pricing. Upon registering for Dry Dock Storage please have a copy of your state registration, insurance, and trailer registration. Please call Recreation (570) 698-4100, ext. 160 for more information.

Tent, Trailer & RV Camping at Laurel Park

Please note: In storage there are no electric or water hook ups.

Vehicles must be registered with the state of residence, and insured. Proof of registration and insurance must be provided. Contact the Recreation Department for further details.

(570) 630-3733

The Hideout Tot Camp is a seven-week recreational and educational program for children ages 3 to 6. Camp is conducted June 29 to August 14 from 8:30 a.m. to 1:00 p.m. at the Ski Hill, Monday, Wednesday, and Friday and at the Main Lodge Beach every Tuesday and Thursday.

All children are asked to bring their lunch every day. The staff will provide a beverage and a mid morning snack. If the weather warrants, the camp will occasionally walk to Holiday Park for a picnic.

The Camp is divided into two subgroups: 3 & 4 and 5 & 6 year olds. The maximum number of children is 30, so please sign up early.

We also ask that the children wear their bathing suit and bring a towel on Beach Day (Tuesdays & Thursdays), which includes a swim lesson with a Water Safety Instructor. The dress code for camp is casual, so please keep in mind that the children do play outside and use paint and glue, etc.

Weather permitting; each group will have at least one hour of outside physical activity, one hour of structured activity, and plenty of time to discover the world. This schedule allows each subgroup significant time to themselves and more individualized attention, while also allowing enough time for whole group activities. Cost per day per child is \$25.00, per week per child \$100.00, and full season is \$650.00-fees are not refundable.

The Hideout Adventure/Kids Kamp, is a recreational program devoted to the social, intellectual, physical and emotional development of children ages 7-13. Those who want to have a fun and an enjoyable summer, sign up today! Camp runs Monday through Friday for seven weeks from June 29 to August 14 and meets 9:00 a.m. to 1:30 p.m. Camp will meet at the Outdoor Sports Complex every day except Tuesday and Thursday, when it will meet at North REC. We ask that you bring a lunch every day. Sneakers are required for campers every day. On pool day please bring or wear a bathing suit, towel, sunscreen, and a lunch. Cost per day per child \$23.00, per week per child \$90.00, full season \$550.00-fees are not refundable.

Below is the registration form that needs to be completed and returned with payment and a copy of the child's birth certificate to the Recreation Office. No one will be admitted without a completed registration form and verification of age. You may register on a daily, weekly, or full season basis. Please be advised that registration fees are not refundable.

Memorial Day

Memorial Day is observed on the last Monday in May. It was formerly known as Decoration Day and commemorates all men and women, who have died in military service for the United States. Many people visit cemeteries and memorials and it is traditionally seen as the start of the summer season.

Memorial Day is a federal holiday. All non-essential Government offices are closed, as are schools, businesses and other organizations. Most public transit systems do not run on their regular schedule. Many people see Memorial Day weekend as an opportunity to go on a short vacation or visit family or friends. This can cause some congestion on highways and at airports.

What do people do?

It is traditional to fly the flag of the United States at half mast from dawn until noon. Many people visit cemeteries and memorials, particularly to honor those who have died in military service. Many volunteers place an American flag on each grave in national cemeteries. We might catch a glimpse of our President placing a wreath at the Tomb of the Unknown Soldier at Arlington Cemetery, which inspires our own love of country.

Many people choose to hold picnics, sports events and family gatherings on this weekend. This day is traditionally seen as the start of the summer season for cultural events.

For a special group of Americans, the meaning behind Memorial Day is observed in a totally different manner. Sunday, May 24, will mark the 25th Anniversary of the Rolling Thunder "Ride for Freedom" motorcycle parade in Washington, D.C. It moves from the Pentagon to the Vietnam War Memorial Wall, a tribute that started in 1988

with just an idea for a one-time rally in remembrance of all Prisoners of War (POW) and those Missing in Action (MIA).

An increasing number of war veterans, who were Harley riders and from all walks of life, learned of the rally and wanted to join. The original 2,500-participant demonstration has increased to 900,000 this year, the world's largest single-day motorcycle ride and the most attended Memorial Day event in the nation.

The low rumble of Harley engines reminds many attendees of the sound created in the 1965 bombing campaign against North Vietnam named Operation Rolling Thunder. Rolling Thunder has over 100 chapters throughout Canada, Australia, Europe and the United States. Members actively promote legislation regarding POW/MIA issues from all wars. They also spend many hours collecting and providing food, clothing and other essentials for veterans and their families, and support for veterans' groups and women's crisis centers.

National Military Spouse Appreciation Day

America's military spouses are the backbone of the families who support our troops during mission, deployment, reintegration and reset. They are the silent heroes who are essential to the strength of the nation and they serve our country just like their loved ones.

On Military Spouse Appreciation Day, we celebrate military spouses' contributions to keeping our country safe.

This observance is always held on the Friday before Mother's Day in May. This year it will be celebrated on Friday, May 8, 2015.

May brings return of migratory birds to our localities

Millions of birds are in the process of migrating to the United States and Canada from their winter habitats in Central and South America. They are driven by their instinctive urge to return to their summer nesting grounds.

International Migratory Bird Day (IMBD) is May 9. The Smithsonian Bird Center originated the event in 1993, but it became the major education and conservation program of Environment for the Americas (EFTA) in 2007. Now, it highlights the habits of 350 migratory bird species in the Western Hemisphere.

This year's IMBD theme is "Restore Habitat, Restore Birds." It emphasizes the preservation and environmental efforts that directly affect migratory birds. Why should you become a birder? Think about these inspiring facts: * More than 251 species are recorded at the Chicago Botanical Garden, including flycatchers, tanagers, orioles, and up to 36 species of warblers. * About 280 species are recorded in New

York City's Central Park. * Some 500,000 Sandhill Cranes and endangered whooping cranes use the Central Platte River Valley in Nebraska as a staging habitat during their migration to Canada and Alaska. * More than 98 percent of the 338 species of migrants are recorded in Texas. May brings ruby-throated hummingbirds, sandpipers, yellow cuckoos, flycatchers and warbler species. * Most of the 6,000 species of migratory songbirds are seen in May. * An amazing 20 million shorebirds and waterfowl use the Copper River Delta during spring migration in April and May. * Of the over 320 species of hummingbirds, only 26 are found north of Mexico. After flying across the Gulf, they migrate 20 miles per day. Their wings flutter 80 times per second, but not in flaps; in a figure eight, which enables them to fly backwards and to hover.

Migrating birds cover thousands of miles in their annual travels and have amazing navigational skills, including by the stars, sensing changes in the earth's magnetic field, and even by smell.

Internet Tidbit

Internet Tidbit: ManualsLib

Have you forgotten how to use all the settings on your bread maker? Did you inherit your brother's digital camera and don't know how to access the settings? Instead of hunting for the user manual, head over to ManualsLib.com. This free website is the largest online database dedicated to manuals and user guides. There are over 628,000 pdf manuals covering over 12,400 brands of products. All you do is enter any of the information you know: product's name, model number, or description. When you find the manual you need, you can read it online or download it to your computer.

App of the Month: 1Password

Using one password for everything may be convenient and easier to remember, but it is less secure and can leave you susceptible to hacking. Security experts recommend having a unique password for every one of your logins, but this can feel impossible to manage. This is where 1Password comes in. 1Password is a simple, secure app that lets you create unique, strong passwords for all your logins. You only have to create one master password which is then entered on any device that has 1Password installed. You log in with your master password and then have access to all your other passwords. You can also store your credit card numbers and other secure wallet items. To keep things secure, there is an autolock feature that will protect your passwords even if your phone, computer, or tablet is stolen. 1Password is available for Android and iOS and best of all is free!

The TV revolution: The skinny bundle

You have 300 channels. You watch five. Or 10. You'll never, ever watch 100 of the channels. But, can you buy just the channels you want? No sir. To get the channel you love, you have got to go up a tier with your cable company. That's about to end.

Apple will be introducing the skinny bundle TV service through its Apple TV controller that could give you your favorite channels at half the price. Media companies are negotiating with them for an online TV service. Apple's slimmed-down channel package will leave out less popular stations, creating a 25-channel package. You will be able to buy Time Warner's premium network, HBO, as an unbundled add-on. What could happen, however, is that all television distributors will probably have to cut prices in the short term.

In the long term? How about a la carte television? It won't be long before you can order ONLY the channels you want, to stream through your Apple TV or other desktop sets. Observers say it's coming soon.

Springtime at Woodloch

On Tues., May 19, 2015, the Adult Social Group is sponsoring an outing to Woodloch Resort that is open to all Hideout residents.

The evening begins in the Mt. Laurel Dining Room at the Inn at 6:00 p.m. sharp with their incredible smorgasbord table with an eye-popping array of selections. Some of the items included are Alaskan king crab legs, jumbo shrimp, cold meat platters, assorted salads, butterfly shrimp, BBQ spare ribs and their famous mud pie with whipped cream and toasted almonds. There will be a cash bar for cocktails at 5:00 p.m. on the Lakeview Deck at the Inn.

After your meal, around 7:30 p.m., spend some time dancing in the Heritage Club or just sit and enjoy the music. At 8:30 p.m., enjoy the musical revue and the antics of the visiting entertainment.

The cost of the Woodloch experience is \$39.00 per person (\$78.00 per couple) that includes the smorgasbord, tax, tip and entertainment.

Reservations will be taken by calling Barbara White at (570) 698-7469, or by email at white7469@gmail.com. When signing up, please include your email address so we may contact you for any updates. The cut off date for reservations and payment is May 5, 2015.

Directions to Woodloch from the Hideout - take 590 out of the front gate to Hawley, turn left on Route 6/Route 590 into Hawley. Stay with 590 and follow the signs to Woodloch. (It is about 9 miles from Hawley). Driving time is approximately 45 minutes from the Hideout. The fall outing is scheduled for Wed., October 7, 2015.

2015 REWARD CARDS ARE AVAILABLE AT THE HIDEOUT

POA ADMINISTRATION BUILDING & AT RECREATION

FOR only \$5.00 EACH.

How To Make The Most of Spring Curb Appeal

By Terri Ditty, Associate Broker

According to the National Association of REALTORS®, 63% of homebuyers will make a showing appointment after viewing a home they like online. If your home isn't alluring from the outside, potential buyers may never schedule a showing to see the desirable features within it. Here are some tips to create a first impression that may lead to a sale this spring.

1. **Under pressure** - Pressure washing is budget-friendly way to dramatically improve a home's exterior. Dingy siding, mildewed decks, faded walkways and oil-stained driveways can be returned to pristine condition. Just do it!
2. **Contain yourself** - Consider investing in container plants. Arranging them around your deck and/or entryway is a quick way to brighten up a space and create a splash of color.
3. **Get rid of gutter clutter** - Clean your gutters. Often leaves, branches and debris may be visible from the street.
4. **Open up** - Homes with open blinds/drapes often look brighter and more inviting.
5. **Enjoy the view** - Clean windows speak for themselves.
6. **Lighten up** - Outdoor lighting is aesthetically pleasing and provides visual aid in the dark.
7. **Quick fixes** - Updated hardware, such as doorknobs, lighting and even the curb side post can greatly improve the first glance.
8. **Store more** - Put away any tools, toys, bikes etc. out of sight so they do not detract from the home.
9. **Repair and renew** - Improve the obvious by filling in sidewalk cracks, fixing screen doors, and touching up any paint that is chipped.
10. **Tidy up** - Remember to get rid of last fall's leaves and clean up broken branches to give the yard a boost.

The short and sweet of it....Curb appeal is crucial, so the facade of your home should be inviting, not alarming.

Garden Club Flower Sale

Sat., May 23, 9:00 a.m. - 3:00 p.m. at the North Beach parking lot. RAIN OR SHINE.
For information call Fred or Jackie at (570) 503-0322.

Firearms Familiarity Course

On Sat., June 13, the Hideout Sportsman's Association once again offers a Firearms Familiarity Course. This course only covers the most basic of firearms information. It is given to the public as well as Hideout members at no cost to the public. People seeking basic information about firearms and their care and maintenance should come to this course. Please leave your firearms at home, no firearms will be permitted in the classroom without the express approval of the Hideout Sportsman's Association.

People interested in the course should contact Harry Gold (570) 224-4471, please call as soon as possible as seating is limited. People with concealed carry permits should bring them, but once again please leave your firearms at home.

Attention Veterans

If you have a chronic illness or an injury which occurred while you were in Military Service, you may be entitled to compensation. However, you must first file a claim with the Veteran's Administration. For additional information, please contact Disabled Veterans Bob Addieg (570) 698-8337 or Jim Fleming (570) 698-6765. There is no fee involved.

Looking For Lady Golfers

Like to play golf just for fun? Come join the Ladies Golf Bags on Wednesday mornings starting at 9:00 a.m. If interested, please call Vinnie Nestor at (570) 698-6457.

Voice Of The People

We are a newly formed social group for members of all ages. We gather on a monthly basis, or more often if required by you, to talk about issues that are important to all of us in the Hideout. Let your voice be heard and join us. We will welcome your input. Contact: thehideoutvop@gmail.com

HASG Bus Trip To Mackinac Island, Michigan

7 days, 6 nights, June 7-13, 2015. \$599pp including taxes and gratuity.

For more info call Diane (570) 698-6227

HAA News

The members of The HAA enjoyed a lesson in floral arrangement presented by Countryside Florist after the April meeting. The ladies made lovely basket arrangements of ferns, daisies, poms and carnations.

The HAA will award a One Thousand Dollar (\$1000.00) Scholarship. The chosen recipient will be notified by July 30. The winner will be expected to attend the August meeting of the HAA to accept award. Students entering or continuing an education in The Arts are encouraged to contact Ms. O'Brien (570) 698-1199. Email Belmontbet@gmail.com complete application (on this page) or pick up an application at Recreation.

CARD and GAME PARTY

A Card and Game Party will be held on Wed., July 29, 2015, 10:00 a.m. - 3:00 p.m. at the Clubhouse. \$20 for all Hideout residents and guests. This includes lunch, door prizes, and other surprises.

Register all players and tell us the game you will be playing. (Canasta, bridge, mahjong, dominoes, spades, etc.) Don't have a table? Call and we will put you on a player needed list. Please complete the registration form below and return to Kathy Trombley, 1390 The Hideout or Lucille Koehler, 370 The Hideout by July 15, 2015. Any questions please feel free to call either Kathy (570) 630-2107 or Lucille (570) 335-3503 application also available at Recreation.

HIDEOUT ADULT SOCIAL GROUP

The Hideout Adult Social Group (H.A.S.G.) was formed more than 30 years ago to provide an opportunity for members of our community to meet and socialize with other members of the community. If you enjoy meeting new friends, socializing with old friends and like to party, then the H.A.S.G. is for you. Typical events include dinner dances, picnics, luaus, a "social" golf league, local outings, travel and anything else you can think of that involves socializing, dining and just generally having a great time with wonderful friends new and old.

The Hideout Adult Social Group meets the second Thursday of every month in the Main Lodge Dining Room at 1:00 p.m. and is open to all Hideout members and renters age 40 and above. Come join us at our next meeting for a hot cup of coffee or tea and some home-made refreshments and some great friendship. Let us know you're coming and a member of our Welcoming Committee will greet you at the dining room door.

For more information please contact Audrey Straczynski (570) 698-5791, mtnhome@echoes.net. We all look forward to meeting and socializing with you.

Synopsis of Western Wayne School District Minutes - March 2, 2015

The regular meeting of the Western Wayne Board of Education was held on March 2, 2015 in the Western Wayne Administration Building located at 1970C Easton Turnpike, Lake Ariel, PA 18436. The meeting was advertised in the legal section of the February 20, 2015 edition of the Wayne Independent. Board President Alvin Hollister called the meeting to order at 7:25 P.M. Miss Faliskie offered a prayer followed by the Pledge of Allegiance. Board Secretary Rose Emmett took roll call. (8) Board Members were present: President Alvin Hollister, Vice President Donald Olsommer Jr., Board Members David Lindow, Donald McDonough, Bernice Fiorella, Doris Pliss, Andrew Gaudenzi, and Gary Podunajec. William Gershey was excused. Administrators Present: Superintendent Dr. Clayton LaCoe, Assistant Superintendent Patrick Sheehan, Business Manager/Board Secretary Rose Emmett, High School Principal Dr. Matthew Barrett, Middle School Principal Kristen Donohue, EverGreen Principal Ellen Faliskie, Robert D. Wilson Principal Maria Miller, Assistant High School Principal Paul Gregorski, Assistant Middle School Principal Mary Ann Olsommer, Assistant Director of Special Education Cynthia LaRosa, Early Intervention Supervisor Elizabeth Gregory, and Food Service Director Maria Liptak. Administrator excused: Director of Special Education Tanya Carrelle.

Approval of Minutes: A motion was made by Pliss and seconded by McDonough to accept the minutes generated from the Rescheduled Regular Meeting and the Adoption of the Preliminary Budget of February 18, 2015. Gaudenzi noted one correction to the E-Rate Funding Motion. He was a yes vote, Podunajec was the no vote for that motion. The motion including the correction carried with all affirmatives. **Treasurer's Report:** A motion was made by Fiorella and seconded by Pliss to accept the Treasurer's reports generated from the General Account and the Food Service Account. 6664 The motion carried with seven affirmatives and one no vote by Mr. Gaudenzi.

Approval of Bills: A motion was made by

Fiorella and seconded by Pliss to pay the bills generated from the General and the Food Service Account. Podunajec asked if Gershey reviewed the bills prior to this meeting, Emmett confirmed that he did. The motion carried with seven affirmatives and one no vote by Gaudenzi.

Student Recognition: Hollister presented Student Awards to the following individuals: 9th Grade Tylea Alpaugh and Mal-lory Jablon. 10th Grade Kelly DeVito and Benjamin Field. 11th Grade Alexandra Mosomillo and Alaina Lengner. 12th Grade Lila Fairclough and Timothy Lescinski. High School Principal Matthew Barrett introduced three outstanding students Rachel Carmody, Kylie Clark and Rebecca Carmody for student recognition.

Recognition of Public-15 minutes: Kay Johnson, who was an instructional aide for Western Wayne School District's Pre-Kindergarten program for many years, spoke about the importance of our Pre-Kindergarten Program for the students. She then asked that the Board of Education not eliminate that program in the coming school year.

Enrollment Report: Totals: Ever-Green-582; RDW-343; MS-476; HS-674 TOTAL: 2,075 Last meeting-February Total: 2,077.

District School Calendar for the 2015-2016 School Year: A motion was made by Pliss and seconded by Fiorella to approve the 2015-2016 School District Calendar (Option 2). The motion carried with six affirmatives and two no votes from Gaudenzi and Podunajec.

Act 80 Days: A motion was made by Fiorella and seconded by Olsommer to approve the listed early dismissal days for students in order to conduct Act 80 activities with the Professional Staff: 1. September 23, 2015 2. October 30, 2015 3. November 11, 2015 4. January 18, 2016 5. February 12, 2016 6. March 9, 2016 The motion carried with seven affirmatives and one no vote from Podunajec.

Real Estate Tax Rebate: A motion was made by Podunajec and seconded by Olsommer to approve a Real Estate Tax Rebate in the amount of \$1,456.02

on property # 22-0-0018-0128 in Salem Township. The rebate is due to a Veteran's Tax Exemption Certification. The motion carried with all affirmatives.

NEIU #19 Budget: A motion was made by Hollister and seconded by McDonough to approve the NEIU #19 Budget for the 2015- 2016 school year with the estimated share from Western Wayne School District at \$85,698.82. The motion failed with three affirmatives and five no votes from Fiorella, Gaudenzi, Lindow, Pliss and Podunajec.

Joint Purchasing: A motion was made by Olsommer and seconded by McDonough to authorize the participation of the Western Wayne School District in the joint purchasing of copy paper and #2 fuel oil through N.E.I.U. #19. The motion carried with seven affirmatives and one no vote from Gaudenzi.

WVIA Agreement: A motion was made by Podunajec and seconded by Pliss to approve an agreement with WVIA Public Television and Radio for V-Media program at Level II for \$1,425.00 per year for the 2015-2016; 2016-2017; 2017-2018 school years. Motion carried with all affirmatives.

Transportation-New Contract: A motion was made by McDonough and seconded by Fiorella to approve the following new Transportation contract at State Formula for the 2014-2015 school year: a. Sara Wasman - Van #126 - Lake Ariel to Western Wayne High School & Western Wayne Middle School. Effective February 9, 2015. The motion carried with all affirmatives.

Acceptance of Deputy Tax Collector: A motion was made by Olsommer and seconded by Podunajec to accept Cindy Ziegler-Hefty's, Sterling Township Tax Collector, appointment of Deborah Gromlich as Deputy Tax Collector for Sterling Township during the term of January 1, 2014 through December 31, 2017. The motion carried with all affirmatives.

Informational Items: IMPORTANT DATES 1. Read Across America - March 2, 2015 - 5:00 PM - Robert D. Wilson 2. Dangers of Social Media Presentation - March 12, 2015 - 7:00 PM - HS 3. Wayne County Heroin Prevention Task Meeting -

March 19, 2015 - 7:00 PM - HS 4. Robert D. Wilson Science Fair - March 26, 2015 - 6-8 PM Pre-kindergarten and Kindergarten (pending program availability) registration for the Western Wayne School District will be held the week of March 23, 2015 in the Robert D. Wilson and EverGreen Elementary Schools. Student Teacher - BAPTIST BIBLE COLLEGE - Morgan Jones - EverGreen Elementary - Jill Butler - February to April 2015 **Other Business:** Roger Shaffer Jr. asked if the Board of Education has information on the shooting. Hollister stated that the Board of Education would meet in executive session for personnel after this meeting. Tony Renda spoke about the gun that was used. He had a copy of the gun manual with him and talked about the danger of the situation that occurred, referring to the Wayne Independent articles and the DA's Report. Hollister stated that the employee involved is on suspension at this time and the Board of Education will rely on the DA's Report in their discussions. Gaudenzi congratulated the Wrestling Team and Wrestler Cole Fuller, as well as the Girls Basketball Team.

Future Meetings: Hollister announced that the Board of Education will meet in executive session immediately following this meeting. April 08, 2015 - 6:00 P.M. Board Committee Meeting, District Board Room, Administration Building, 1970C Easton Turnpike, Lake Ariel, PA 18436 April 13, 2015 - 7:00 P.M. Atkinson Materials 500 Tons 2A \$6.25/ton at the plant, \$12.12/ton delivered. 100 Tons AASHTO #3 \$9.00/ton at the plant, \$14.87/Ton delivered. 100 Tons AASHTO #1 \$9.00/ton at the plant, \$14.87/Ton delivered. Hanson Aggregates 400 Tons ¼" washed stone-antiskid \$13.50 at the plant \$16.16 delivered. 500 Tons 2A \$7.75 at the plant, \$10.85 delivered. 100 Tons 2B AASHTO #57, \$12.00 at the plant, \$15.10 delivered. 100 Tons 3A AASHTO #3, \$10.75 at the plant, \$13.85 Delivered. 100 Tons #4 AASHTO #1, \$10.75 at the plant, \$13.85 delivered. 1000 Tons 9.5MM Superpave Fine Graded wearing Course, \$63.65 at the plant, 90.00/hr portal to portal delivered.

After discussion and review Hanson Aggregates, Bid all items and correct quantities and the travel time for hauling is less than 1 mile. F. Birmelin moved to approve

Hanson Aggregates for 2015 materials, carried 3-0. 2) T. Jaggars moved to Donate \$10,000.00 towards future Ambulance payments, carried 3-0. 3) Maplewood Fire Co. advised that their donation would go toward the QRS vehicle and any balance would be applied to the Ladder truck payments. T. Jaggars moved to donate \$10,000.00 toward these payments, carried 3-0. 4) Lake Ariel Fire Co asked for a donation to do Building updates, Supervisors requested documents showing what they planned on doing and Quotes for projects. F. Birmelin moved to approve a donation for \$10,000.00 to Lake Fire Co. when more documentation is received carried 3-0. Discussion noted that the Township is in need of Lake Ariel Fire Co. insurance bill for reimbursement that was approved last year. 5) Spring White Goods and electronics collection will be scheduled for April 4th and April 18th, 2015 from 9am until 1pm. S. Swingle moved to approve and advertised carried 3-0.

New Business: 1) S. Swingle moved to approve the use of the Township Building for May 19, 2015 Primary Election, carried 3-0. 2) F. Birmelin moved to approve S. Swingle agent authorizing him to add and sell items from the Lake School to Muncibid.com, carried 3-0. S. Swingle moved to pay the bills and to approve the payroll and to adjourn the meeting carried 3-0. Jennifer Wargo, Secretary

Synopsis of Salem Township Minutes - March 10, 2015

The regular monthly meeting of the Salem Township Board of Supervisors was held on March 10, 2015. The meeting was called to order by the Chairman at 6:30 p.m. with all members present. The Pledge of Allegiance was recited. The minutes of the February 10, 2015 meeting were approved as presented with no comments or corrections on a motion made Dennis Chapman, 2nd by Robert Wittenbrader, with all in favor. The minutes of the Special Meeting that was held on February 24, 2015 were approved as presented with no comments or corrections, on a motion made by Dennis Chapman, 2nd by Robert Wittenbrader, with all in favor. The Planning Commission meeting minutes were read.

New Business: Hamlin Fire & Rescue had ask to be put on the Agenda unavailable, provided its call list for year and its training schedule for the upcoming year. The Hamlin Assembly of God Church requested use of the Park for a family fun day, in which they will have a moon bounce and giant slide. Insurance from Hamlin of God Church along with the Moon bounce company providing insurance and the Township listed as additional insured. Clean up after event also required.

Spring Clean-Up Day to be held on May 9, 2015 from 8am until noon, Robert Wittenbrader made a motion to hold and to advertise, electronics accepted along with noting no commercial garbage and proof of residency required. Motion was 2nd by Dennis Chapman with all in favor. Penn-Dot wrote the Township advising of the drainage area replacement to be made at the end of the Cemetery Road that intersects with SR 590 and the need to close this intersection during the construction for approximately 4 days. Merel Swingle moved to approve the closure as to allow the project to be completed 2nd by Robert Wittenbrader with all in favor. Road Signs will be posted with detour around the Spudeno Road to J&J back to SR590.

Annual Donation for the Fire Companies was discussed. Ledgeale provided its financial Statement, Hamlin will provide. Merel Swingle moved to give \$10,000.00 to each Ledgeale and Hamlin, 2nd by Dennis Chapman with all in favor. It was discussed to give Maplewood \$500.00 on

a motion made by Merel Swingle, 2nd by Dennis Chapman, with all in favor. The Supervisors noted that they would also help Ledgeale with the cost of a cover for their dive boat. The annual Library donation was discussed and a motion to approve a \$2500.00 donation was made by Merel Swingle, 2nd by Dennis Chapman, with all in favor.

Old Business: The Well Ordinance Location Hearing was then held. Attorney Treat reviewed the proposed ordinance. Violation addition needs to be added and amount for enforcement purposes. Application needs to be drafted. Motion to continue until next month for updates to be added made by Merel Swingle, 2nd by Dennis Chapman, with all in favor.

Correspondence: Wayne County Township Officials meeting scheduled for March 18 at the Seeleyville Fire Hall at 7PM. The 2015 State Liquid Fuels allotment was received in the amount of \$138,278.49. Berkheimer representative will be available in the township office at the end of the month for questions concerning the Earned Income Tax. Wayne County wrote with its Hazard Mitigation update. Atkinson Materials is hosting a breakfast for municipal officials on Wednesday, April 15, 2015. Wayne County Planning Department provided the Township with its 2014 Annual report. Real Estate transfer tax received for the month of February in the amount of \$6,780.37. Bills were reviewed and a motion to approve and pay as presented was made by Dennis Chapman, 2nd by Robert Wittenbrader, with all in favor.

Public Comment: Mr. Jones suggested a street light to be considered for the end of the Township driveway. Supervisors agreed but the Township first needs to move the pole and widened the driveway access. A concerned resident spoke regarding the park and the snow on the trail, advised the Township should post. Noted had no idea how deep it was and that it could be dangerous. Supervisors' discussion noted that signs should be posted noting no winter maintenance for future years. With no other business or comments a motion to adjourn was made by Merel Swingle, 2nd by Dennis Chapman, with all in favor. Meeting adjourned at 7:15PM. Respectfully submitted, Jennifer Wargo, Secretary/Treasurer

Dry Dock Boat Storage at Laurel Park

Secure year-round storage for boats. Boats and trailers must be registered with the state of residence, and insured. All boats that are used on Hideout property lakes must be registered and insurance must have the Hideout listed as a certificate holder.

Contact the Recreation Department for further details.

NO CHEATING, NOW.....

Keep that brain working; see if you can figure out what these seven words all have in common?

- | | | |
|------------|-----------|-----------|
| 1. Banana | 4. Potato | 7. Assess |
| 2. Dresser | 5. Revive | |
| 3. Grammar | 6. Uneven | |

Give it another try.... Look at each word carefully.
You'll kick yourself when you discover the answer.

If you take the first letter and put it at the end and spell it backwards it is the same word.

Cross Browser Support:

The framework supports all of the most popular browsers such as: Firefox, Chrome, Safari, Internet Explorer, Opera and more!

Print & E-mail Friendly Pages:

Articles posted on our website include a Print or E-mail function in the top right corner.

CONSTRUCTION AREAS AND WORK SCHEDULING

Our primary contractors will be working (weather permitting) Monday through Friday, between the hours of 7am and 5pm. The construction work is in progress in multiple areas simultaneously, so please use caution in all construction areas and on the roads in and around the Hideout.

Current and upcoming work areas include:

- North: Construction in the North Section has come to a close. You can expect restoration work and paving to begin Spring 2015.
- South: Parkwood Drive, Parkwood Court, Woodhill Lane, Woodcrest Lane, Woodview Terrace, Westwood Drive, Briar Lane, Brentwood Drive, Deerfield Rd, Forest Lane, Willow Court, Pinecrest Court, Deerfield Court, Vista Court, Oak Circle, Oak Ln, Oak Court, Oak Rd

During the winter season, weather permitting, various clean-up and other preparation activities will occur in all previous construction areas.

Stage 1 RS&W is now in the process of preparing Stage 1 of the North section for paving. With joint efforts and cooperation between RS&W and the POA, we are going to be able to overlay the whole road. This will include a scratch

coat where needed and tar before the 1 ½ inch overlay. The contractor in the North is going with Hanson, one of the most reputable paving contractors in the area. In addition, we are hopeful that our Eco-Tran installation contract will be done in the South section of Stage 1 to allow us to overlay all of those areas, as well, before the end of the summer.

We are excited to see a final product on a major area of the community and would like to extend our gratitude to everyone in that area. We thank you and appreciate all of your patience, support and cooperation in a trying time.

Stage 2 Update All permits have been reviewed by the regulatory agencies and recently approved and received at Roamingwood Sewer & Water Assoc. accordingly. Bids went live on Monday April 20, 2015 and were awarded shortly thereafter.

Bidding Process Our Bids, as in Stage 1, will be managed by the PennBid system. This Process allows all parties to review the bids online at the same time without anyone associated with Roamingwood or its officers handling or collecting any required information. PennBid is an approved State Sponsored Agency that receives all bids and state papers, certificates of insurance, background information consistent with the requirements of the USDA, PaDEP and EPA.

RS&W SEEKS QUALIFIED MEMBERS IN GOOD STANDING

The Nominating Committee for Roamingwood Sewer & Water Association is seeking qualified candidates to run for the Board of Directors. There will be two (2) positions open in this election year. The term of office is three (3) years.

Qualified candidates must be Members in good standing and be available to attend regular monthly meetings of the Board. Board Members receive no compensation.

MEMBERS WHO WANT TO BE CONSIDERED FOR NOMINATION BY THE COMMITTEE MUST SUBMIT A LETTER OF INTEREST BY 4:00 PM, FRIDAY JUNE 12, 2015.

This short letter expressing interest in being nominated should include:

- 1) name, address and lot number;
- 2) brief resume of work and volunteer experience;
- 3) short statement as to why you would like to be a Board Member.

After Letters of Interest are received, the Nominating Committee must assure there is a minimum of four (4) nominees.

Notice of the Committee's decision will be mailed to all persons expressing interest by Wednesday, June 17, 2015.

In this notice, the Committee will ask candidates to answer two written questions, the answers to which will be used in the 'Election Newsletter.' It is important that you answer the questions, so that your complete views are expressed.

Further election information and other important dates will be published in the June edition of The Hideabout.

REMEMBER! EXPRESS YOUR INTEREST SOON!

Direct all inquiries to: Nominating Committee, P.O. Box 6, Lake Ariel, PA 18436, email: rswa@rswanepa.com, or hand deliver your Letter of Interest to the RS&W office Monday-Friday, between 8:30 am - 4:30 pm

Easy Recycling in The Hideout!

We are pleased to announce that the Hideout has begun a new single stream (co-mingle) recycling program.

Essentially, you are no longer required to separate out the various types of glass, plastic, cardboard or paper. There will now be one co-mingled container for facilitating all recyclable materials. In addition, you will now be able to recycle plastic containers #1 through #7, instead of just containers made of No. 2 plastic.

Please review the list of other additional items that can be included in the recycling program. As always though, PLEASE BE SURE THAT ALL CONTAINERS ARE EMPTIED AND RINSED BEFORE DISPOSING.

This new RECYCLING program is not only a great convenience to you, our members, but will also further encourage recycling efforts at the Hideout.

This will in turn help to reduce both the overall trash tonnage going into the landfill and cost to the Association.

Finally, we have worked out an agreement with Waste Management for members to purchase recycling containers and simply pass the same cost.

The containers are available for purchase at the POA office. The cost per container is \$10.00.

**RECYCLE OFTEN.
RECYCLE RIGHT.™**

RECYCLE OFTEN:

Metal Cans

Steel, tin & aluminum soda, vegetable, fruit & tuna cans

Plastic Bottles & Containers #1-7

Paper

Brown paper bags, non-confidential office paper, newspaper, magazines

Paper Cardboard, Dairy & Juice Containers

Flattened Cardboard & Paperboard

Glass Bottles & Jars

RECYCLE RIGHT:

Things you can do to ensure quality material is recycled:

DO NOT INCLUDE: Food waste, plastic bags, or polystyrene foam cups & containers

Paper and cardboard must be dry and free of food debris.

Paper food containers must be rinsed out, no caps.

Tissues, paper towels or other paper that has been in contact with food is not acceptable.

Make sure food contamination and caps are removed from cans and plastics and all containers are empty.

Separate plastic lids from plastic bottles (often made from different materials)

Keep medical waste (syringes, needles) out of recycling containers or place in safe disposal containers like Waste Management's MedWaste Tracker® box.

The Hideout Flyers Swim Team

Our swim team is open to any member in good standing with a child age 5-18 years who can swim for 25 yards (one pool length) and or tread water for (1) one minute. You are invited to come and see what we are all about during the **week of June 22**. This will be during our open swim tryout. Don't worry about having Olympic talent. Just bring your desire to have fun!

The Hideout Flyers is a competitive swim team associated with the Pocono Summer Swim League, which includes five other teams. The tentatively scheduled meets are Tuesdays and Thursdays in July and the Swimming Championships are in August. These dates will be announced at a future time. The banquet for swim team members will be held at the Main Lodge on Saturday, August 8 and is really enjoyed by both swimmers and their families alike.

The Hideout Flyers is a Parent /Recreation run organization and parent participation is crucial for its success. Each child is required to have a parent or guardian volunteer for at least two (2) meets in order for this season to be "super" successful. The 2015 Hideout Flyers registration fee is \$75.00 per member, \$70.00 for a second child and \$65.00 for each additional child in the family. These fees help subsidize bus transportation for the children, ribbons for the younger children (under 10), trophies, coaches' salaries and participant team gift.

If you are a newcomer and would like a registration packet, please pick one up at the Recreation Office or mail the form below to: 1093 The Hideout, Lake Ariel, PA 18436 and one will be mailed to you. The registration forms and fees need to be in by May 1. All checks should be made payable to: The Hideout Flyers Swim Team. If you are already on our updated mailing list, your registration packet will be mailed. If you have any questions, please call Liza Pfaeffle at (570) 698-0452, email hideoutflyers@msn.com or call the Recreation Office at (570) 698-4100 x160. Regular practice begins June 29 at the North Pool. Come learn what the best-kept secret in the Hideout is! Have fun improving your swimming, making new friends, keeping in shape and having a great time. See you at the pool!

HIDEOUT FLYERS SWIM TEAM REGISTRATION

Hideout Flyer registration fee: \$75.00 1st child
\$70.00 2nd child
\$65.00 each additional child
Please make check payable to: The Hideout Flyers Swim Team
Registration form and fees should be returned to:
The Hideout Flyers, 1093 The Hideout, Lake Ariel, PA 18436

THE HIDEOUT RECREATION BUS TRIPS

MOHEGAN SUN CASINO

The popularity of Casino trips have been well established in The Hideout's history.

There have been excursions scheduled on a year-round basis, with seasonal additions for outings to the Mohegan Sun Casino.

The excitement has been *harnessed* for an additional bus trip scheduled on Saturday evenings this summer for members who prefer a week end day for their trips.

This totals three trips per month; a daytime excursion on the first Wednesday, and evening outings on the 3rd Wednesday and the fourth Saturday of the month.

With all these choices, everyone should have the experience of visiting Mohegan Sun this summer.

Mohegan Sun cost \$20 per person. Special offers from Mohegan Sun vary, please check on arrival.

DORNEY PARK & WILDWATER KINGDOM

For all the amusement park enthusiasts, we have scheduled a trip to Dorney Park in Allentown, PA. The Wildwater Kingdom is also included in the ticket price, so you can cool off after the adrenalin rush of the roller coaster.

The bus trip is scheduled for Saturday, July 25, 2015 with the bus departing from the Art Center at 8:00 a.m. and leaving the park at 4:00 p.m. Deadline for registration and payment is July 10. The cost is \$70 per person. Children under 18 years of age must have an adult chaperone.

NEW YORK CITY

On Wednesday, May 27, 2015, the New York City bus trip will be leaving the Art Center at 7:00 a.m. and departing from NYC at 7:00 p.m.

This trip allows you to choose your own itinerary for the day. Take the day to see a Broadway show, have lunch with friends, go shopping or sightsee.

The cost is \$38.00 per person.

BRONX ZOO & BOTANICAL GARDEN

The trip to the Bronx Zoo and Botanical Gardens has been scheduled for Wednesday, June 24, 2015. Both of these venues are free admission on Wednesdays.

This is a perfect time to enjoy the gardens or visit the zoo. Take your camera and capture the beautiful pictures. Create family moments to cherish with your child's favorite furry animal.

There are many different offerings for meals from the many cafes and kiosks at both the zoo and the gardens.

The cost is just \$38 per person. Children under 18 years old must have an adult chaperone.

Please contact the Recreation to register and pay for the bus trip of your choice. Call directly to the Recreation department at 570-630-3733. We can take credit card information over the phone, or stop in to pay with check or cash. Cancellation of trips will occur if less than 30 persons have reserved two weeks prior to the departure date.

HIDEOUT SINGLES OVER SIXTY

Our new group is doing very well and we keep getting new members. Some people are part timers...some full timers. Some are snow birds and some are not, and some are men and some are women. But, the one thing we all have in common is that we want to make new friends and have fun.

The group meets every Monday, 5:00 p.m. at the Clubhouse. It is more of a meet up group where we can exchange e-mails, phone calls, dinners, card games, trips or whatever you would like.

Thanks to all of you who have joined the SOS group and please tell your friends.
Noreen crummy - Noreenc126@aol.com

HASG GOOD NEIGHBORS CLUB

The Hideout Adult Social Group (HASG) is expanding our recently-formed Good Neighbors Club. We are pleased to coordinate the following Good Neighbors Club services to all members of the Hideout Community:

1. Many of us own wheelchairs, walkers and other medical equipment that we are not currently using. Others are in need of some of this equipment for a period of time. The HASG is compiling a list of such equipment. The intent is to have a central contact point where those in need can inquire about who may have the equipment they need and be willing to loan it to a fellow Hideout member. If you possess such equipment and are willing to help out by lending it to a Hideout neighbor, or if you are in need of same, please contact Louise Brevet, Chairperson at (570) 698-5102, or Judy Restaino, Co-Chair at (570) 698-9840.
2. A number of us have survived major illnesses: cancer, heart attacks, strokes, etc. If you are a survivor of a life-threatening illness and are willing to talk, one on one, with others currently going through a similar situation, or if you are fighting such a situation and would like an opportunity to talk to someone who has "been there done that" please contact Louise Brevet, Chairperson at (570) 698-5102, or Judy Restaino, Co-Chair at (570) 698-9840. Confidentiality will be observed.
3. Many of our neighbors live alone. If you are by yourself and would like a daily phone call from a fellow community member, or if you would like the opportunity to brighten someone's day with a friendly "hello, how are you today?" then again please contact Louise Brevet, Chairperson at (570) 698-5102, or Judy Restaino, Co-Chair, at (570) 698-9840.

The HASG believes in neighbors helping neighbors. Although the Good Neighbor Club is a function of the Hideout Adult Social Group we are pleased to offer these services to ALL Hideout residents.

Sen. Baker Launches Second Annual Calendar Contest

Sen. Lisa Baker, R-Lehman Township, is once again calling on area shutterbugs and asking them to participate in the 2nd annual "Scenes from the 20th Senatorial District" Photo Contest, which kicked off in March.

"Residents are proud of the historic structures, natural beauty, events and people that make their towns special," Baker said. "I invite everyone to share the sights and scenes that best showcase their communities."

Last year, nearly 200 photographs were entered and more than 16,400 votes were cast to select the winning entries. "The quality of the images was remarkable and truly captured the splendor and excitement of the region," Baker added. "I am confident there will be even more interest this year."

Contestants can submit their favorite shots by going to <http://www.senatorbaker.com/photo-contest/> between March 1, 2015 and August 31, 2015. Photos will be organized by the season they best represent – Spring, Summer, Fall or Winter. Voting will take place from September 1, 2015 to September 30, 2015. The top three vote-getters in each category will serve as a featured month in the 2016 "Scenes from the 20th Senatorial District" Calendar.

The contest is open to all individuals, but photos must have been taken within the boundaries of the 20th District, which includes all of Pike, Wayne and Wyoming counties and portions of Luzerne and Susquehanna counties. Go to <http://www.senatorbaker.com/new-20th-district/> to see a map and list of municipalities that make up the territory.

AARP Driver Safety releases the 2015 Wayne County Class Schedule

Formerly "55 Alive," the new SMART DRIVER 4 & 8 hour defensive driving course is designed for qualified drivers aged 50 and older. There are no tests and membership in AARP is not necessary. All automobile insurance companies doing business in Pennsylvania are required by state law to give a minimum discount of 5% to all qualified policyholders age 55 and over who take the course. The discount is for a minimum of three years. Always check with your agent to make sure you qualify for the discount.

All classes are taught by trained, unpaid volunteer instructors. The eight hour class is given in two, four hour sessions and is required for first timers and those who have not taken the class within the past 36 months. The one day four hour class is only open to those who provide evidence of taking the class during the previous 36 months. A \$20 fee (\$15 for AARP members with membership card) is charged for each class. Class size is limited, so advance reservations are necessary for placement in any class. Please bring your driver's license.

To qualify for the 4 (four) hour class, evidence must be provided with pre-registration or at class registration that you have previously taken one of the classes within the last thirty-six months (3 years). Such evidence could be a copy of your Course Completion Certificate from the previous course or a copy of your auto insurance policy that indicates you are currently receiving a discount for Defensive (safe) Driving.

The class is taught by volunteer instructors. The non-refundable fee is \$20.00 (\$15.00 for AARP members) per person, paid in advance when registering for any class. All AARP members, please bring your membership card to class. Payment is made by check or money order payable to AARP. Class size is limited, so advance reservations are required to assure placement in the class. Those completing the course will be given a certificate which is valid for three years. Remember to bring your drivers' license and a pen to class. Call the Wayne County Area Agency on Aging at (570) 253-4262 to make a reservation and get directions to one of the classes listed below or if you have any questions regarding these classes.

Senior Center: Lunch is served at noon daily at each of the senior centers. Those individuals who are interested in eating lunch at a center are asked to call at least one day before the date of the program to make their reservation. Any individual over the age of 60 may reserve a lunch and contribute to the cost of the meal on a donation basis. If you are under the age of 60, the cost of the meal is \$7.10. An a-la-carte menu is also available from 11:00-1:00 p.m. at the Honesdale Senior Center. Please visit our website for more information about the many services offered. <http://aging.waynecountypa.gov>

8 hour sessions (all Thursday & Friday's from 1-5 p.m.) Honesdale: May 14 & 15; July 23 & 24. Hawley: May 28 & 29. Hamlin: September 17 & 18
Honesdale Senior Center - 12:30-4:30 p.m. 4 hour class- June 18, 2015, and September 17, 2015
Hamlin Senior Center-10:00-2:00 p.m, 4 hour class-May 14, 2015 and October 15, 2015
Hawley Senior Center 1:00-5:00 p.m. 4 hour class-September 28, 2015, October 29, 2015

PAUSE

Just before you say those words that hurt your good old friend
Just before you scream out loud and make a friendship end
Think about the years before that made our friendship blend
then Pause...

Search within what beats inside your chest all day and night
Search your soul that constant voice that one thing you can't hide
Think out loud as in a crowd when we both walked side by side
then Pause...

Be grown up not like a kid who kicks his feet and cries
Be as tall as tall you can remembering your ties
Think my friend is this the end or did another lie
then Pause...

I'll be here no matter if I'm gone and left your side
I'll be here as if a ghost upon the wall inside
Think of what you had when together we were tied
then Pause...

When you fell I was the one that picked you up those many times
When you fell I was the one who wrote a thoughtful few line rhyme
Think what could have happened if you crossed that fatal line
then Pause...

Times may change things go on fortunes go from low to high
Think of all the years gone by there must be more than just goodbye.

Adult Easter Hunt

Oops . . . here is the correct 12th Annual Hideout Reunion picture that was held on Sun., February 22, 2015 at Davinci's Restaurant in Boynton Beach, Florida.

Attention Members

Fishing in the Hideout is Catch and Release

MOTION RESOLVED THAT all fishing, within the Hideout, be done as "catch and release." Signs shall be posted at all access points to the lakes and ponds advising "fishing is catch and release and no fish may be permanently removed from the lake or pond. A fine of \$125.00 per fish not immediately returned to the water will be imposed for failure to comply."

A notice of this rule shall be placed in the Renters Package given to renters and also be given to anyone who registers a watercraft for use in the Hideout. Motion made by Bill Brenner, seconded by Andrew Miller and passed 7-0.

Attention Members

When your guests come to visit, please make sure that they know your lot number when registering at the gate. This will expedite entrance into the community.

MEMORIAL DAY

VIDEOS NOW AIRING ON HIDEOUT CHANNEL 20!!!

Dear Hideout Members,

Did you know that Channel 20 is airing short video clips of Hideout Happenings?

Every day at 10:00 a.m., 3:00 p.m. and 7:00 p.m. there will be a video of a recent event. Thursday is "Throwback Thursday" where we will take a trip down Memory Lane. Have you been dancing at a party, chowing down at a barbecue, pitching a horseshoe, or climbing aboard a hayride with the kids? Tune in and see if you are "Now Showing" on Hideout TV.

Resident Benny Appollonio from APPTVIDEO studio has volunteered his professional experience and knowledge to showcase the great life we have in the Hideout. He is often assisted by Bette O'Brien as they film, edit, write dialogue and package each program.

THAT'S A "WRAP"
FOLKS.

SEE YOU ON
CHANNEL 20

Singer ? - Musician ? - Share your talents with others at the Adult Music Workshop, hosted by Bette O'Brien and Jim Dunn, 7:00PM, every Thursday evening at the Art Center.

Editor's Note:

We would like to apologize for announcing in the April Hideabout the incorrect name for the winner of the Wing Contest. The correct name is Doreen Aragona.

GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

DIFFICULTY: ★

★ Moderate ★★ Difficult
★★★ GO FIGURE!

"The ladders are for the tourist trade."

We use the _____."

SCRAMBLERS

Unscramble the letters within each rectangle to form four ordinary words. Then rearrange the boxed letters to form the mystery word, which will complete the gag!

Send
VOCENY
Glee
GLITHED
Great
PERSU
Vision
MADRE

TODAY'S WORD

Even Exchange by Donna Pettman

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.

In Memoriam Stanley Smith

Stanley Smith, 86, passed away on April 12, 2015. He is survived by his daughter Karen Singer (and husband Sandy) of Forest Hills, NY and son Steven Smith (and wife Laura) of Lexington, NC, as well as his grandchildren Sophia, Abigail, Hannah, Zachary, Jordan and Sammy. Stanley was predeceased by his wife Trudie and son Michael. Stanley and Trudie had a 60-year loving marriage.

With a real sense of adventure, Trudie and Stanley emigrated from London to New York City on their honeymoon in 1952. They left New York City in 1990 and settled into retired life at The Hideout. They loved living in The Hideout and enjoyed the quiet and the activities. Stanley was a dedicated card player and golfer. He loved to tell stories and enjoyed socializing with his many neighbors and friends.

Services were held in Rockland County, NY on April 14, 2015. Anyone wishing to send a message may contact Karen Singer directly via email at karenbsinger@gmail.com

Obituary Guidelines

To submit an obituary (Hideout members only) please follow the guidelines below (350 words or less). To include a photo, please email dmccgowan@thehideout.us or deliver/mail to the Hideout POA, 640 The Hideout, Lake Ariel, PA 18436.

- The person's full and complete name, date of birth as well as date of death
- Names of husband or wife and names of children, number of grandchildren
- Add where he or she went to school and graduated from
- Services/Mass/Cemetery information.

Sat: 8 a.m. Divine Liturgy, 4 p.m. Vigil Sun: 9:30a.m. Divine Liturgy, 4 p.m. Vespers and Matins. www.sttikhonsmonastery.org HISTORY: St. Tikhon's is America's oldest Orthodox monastery. Whether serving the community through its orphanage or as a Mission Center, it has been home to many saints who have prayed, worshipped, and lived there. St. Tikhon's also houses the Metropolitan Museum and John & Lucille Guzey Icon Repository-one of the largest in the world outside of Russia-preserving artifacts dating from the 1700s. Artifacts include vestments, icons (dating from the 15th Century from Russia, Greece, Bulgaria, Romania, Yugoslavia, Syria, Dalmatia, and Egypt), books and other liturgical items. Tours can be arranged in advance by calling (570) 937-4390. MONASTERY BOOKSTORE, COFFEE SHOP: Hours: M-F, 9:30-4 p.m. / Sat, 10-12 a.m. The monks make honey, soap, candles, prayer ropes, and jewelry. They also sell icons, coffee, books, liturgical supplies, CD's, and many other gift items.

FIRST BAPTIST CHURCH OF HOLLISTERVILLE, 23 Pond Road, Moscow, PA 18444. (570) 689-3071. email: pastorjimsheridan@gmail.com. Pastor Jim Sheridan. Sunday School 9 a.m. Sunday Morning Worship 10 a.m. Sunday Evening Worship 6 p.m. Wednesday Prayer & Bible Study 7 p.m.

Hideout Pet Regulations
as defined in the Consolidated Rules and Regulations.
Paragraph #8, Page 7 states pets will not be allowed to enter any facility controlled or owned by the Association. (Exception Guide Dogs).
Paragraph #9, Page 8 states pets must be licensed, inoculated, leashed and kept under the owners control at all times. **Paragraph #20,** Page 8 states it is the responsibility of the owner of the pet to clean up and remove animal excrement of their pet.
All Pet complaints are processed via the Hideout North Gate Control Center. The owner may be subjected to fines and or sanctions depending on the violation. In addition, the Wayne County Dog Warden has jurisdiction and will respond to animal complaints and take the appropriate action as deemed necessary. Pet regulations are in place for the protection of residents and guests and the ultimate goal is to seek voluntary compliance on the part of the membership.

Hideout Dog Park Registration -
Bring proof of Rabies and Distemper Shots from your Veterinarian to the Registration Department at the POA. Vet forms must indicate that males are neutered. You will be asked to complete a Hideout Pet Registration Form. The Dog Park Registration section of the form is optional for members wishing to join the Dog Park. Registration will file copies of your documents, collect the \$5 annual fee and issue a Dog Collar Tag authorizing membership and admission to the Dog Park. Your pets must be registered even if you are not applying for Dog Park membership-however, there is no fee unless you are joining the Dog Park. The Dog Park Tag must be affixed to your dog's collar prior to entry to the Park. Note that a current amenity badge must also be carried in the Park at all times.

Dog Park Regulations - You must pick up after your dog. Owners ignoring this rule will be asked to leave and be denied future entry. Mutt mitts for waste disposal pick-up are available. Used Mitts must be placed in Trash containers. Aggressive dogs are not allowed and must be removed immediately. Each car must display a current Hideout Membership/visitor sticker on their vehicle. Each dog must display a Collar Tag issued by the Dog Park Committee indicating Veterinary Certification that each male dog is neutered and has a current immunization for: Rabies and Distemper. Female dogs in heat are not allowed in Park. Children under age of 12 may attend only under supervision of an adult and adult must be supervising the dog. Members may supervise no more than two dogs per adult. Hours of operation are posted. The Park is self policing and dog owners using Park enforce these rules. Small dogs are free to use the Small Dog Area & all areas of the Park. Large dogs must be kept out of the Small Dog Area.

Dog Park Etiquette - It is important to remember common courtesy when using a dog park. Here are some tips that will help make your experience a great one.

- Make sure your dog is healthy before leaving home. This includes having current immunizations.
- When using our dog park, make sure to stop by and register him or her with the POA and receive your tag for your pet. The registration fee is \$5.00. This will also help in the return of your pet in case he or she gets loose. Security will have a better chance of returning the pet to the property owner.
- Plan on being responsible for your pet's behavior. You should monitor your dog closely, especially if he or she is not used to being around other dogs. Watch his body language and look for any signs that your dog may be fearful or aggressive. You should also be aware that others may not be as responsible as you are, so watch the other animals as well.
- Clean up after your pet. As soon as your dog makes a mess, clean it up and throw it away. Most parks have scooping supplies, but bring your own just in case.
- Leave your dog's favorite toys at home. You don't want the dogs at the park fighting over your dog's toys. Most parks have communal tennis balls that are free for tossing around.
- Take care when bringing your children with you to the park. Dogs in the park often run quickly and play rougher than they would at home. If you have toddlers, you may not want to bring them at all.
