President's Message

Happy summer everyone!

Yes, summer is here and it is time for family & friends to get together and have cookouts, enjoy the pools and beaches, perhaps some fishing, tennis, pickleball or mini golf. Enjoy the amenities and let's remember to respect our neighbors, all fellow members, and staff.

If you have not heard the POA is planning to open up a realty office to sell homes and vacant lots within the community. The plan is to be open by January of 2018. The goal is to create revenue for the association while keeping annual dues to a minimum. With the constant increases of insurance, wages, benefits and everything else as well as the need to maintain and upgrade existing facilities there will be the need for increased revenues so our hopes are this new venture will assist with that.

Some of the projects that the Board is looking to accomplish are an upgrade to the Main Lodge and Tiki Bar areas. However, prior to making any renovations at the Main Lodge we must meet ADA requirements such as an elevator and installation of a fire suppression system within the building. The estimated amount for this is approximately 2.5 million to be spent over the next five years. This project has been discussed over the past three to five years and I feel the Board is determined to get the project moving forward within the next couple years. A few other capital projects being looked at are upgrades to the Main Gate entrance area and the completion of a 4 ft. wide walking path along Lakeview Drive which will coincide with RS&W's Stage 3 paving project.

Another issue soon to be on the table that was discussed at last month's Board Meeting is implementing a rule to set limits on the amount of domestic pets each household may have. Some members have been requesting an ordinance like this for years. I feel that this will benefit all members of the Association so please keep an eye out for this upcoming Rule and Regulation.

On a household note, now is the time to run the dehumidifier in the basement area of your home. When the weather is hot, the contrast of temperature between the inside and outside will cause humidity to form on the cool side which now is the inside of your basement. Make sure it can run for a minimum of 8 hours a day so it is able to be drained or pumped out.

I hope to serve the community, managers, and staff well for the next four months as your Board President.

FROM JOE ACLA

General Manager's Message

Now that summer is finally here, the pools, beaches, and lakes are full of people which makes it the best time of the year at The Hideout. Most residents have been back and have opened their homes up, and people are out and about enjoying all of the summertime activities that we have to offer. With that being said, I will touch on a few of the events that are coming up.

On Saturday, July 1 is our annual fireworks display at the Main Lodge Beach starting at dusk. Recreation is hosting the annual Boat Regatta with a movie theme. The Little Miss and Mr.

Hideout Pageant will be at the Main Pool and Beach, and our Tot and Adventure Kids Camps have started up. The Tiki Bar will open full time in the month of July with many different drink specials to keep you well hydrated, and the Nubia Malkin Art Center has a variety of projects for the membership to engage in. On a public safety note, with the increased activity in the Hideout during these busy summer months, I remind everyone to please slow down and take your time while driving.

RS&W's Stage 3 project will be underway, therefore, I am asking the membership to have patience during the final part of this project. We will keep everyone informed as to where they will be working and of any road closures so that everyone is able to move around the community with little to no problems.

Again, during the first five months of operations, managers and their staff are managing with a positive variance to budget. We fully intend to monitor this and strive to maintain a positive number throughout the remainder of the fiscal year.

New to the election process this year are scheduled events where the membership may meet and greet the Candidates running for this year's Board of Directors. I encourage the membership to take the time and get to know the candidates. They will be available on Saturday, July 1 at the Main Lodge and on July 29 at the Play for Pink benefit at the Hideout's Golf Course.

At the last Board meeting, I informed members that starting January of 2018 the Hideout will open their own real estate company. The office will be located at the Main Gate Building. The company name is the Hideout Realty Group. The purpose is to provide other options to the community as well as to market and promote the community. I know that many members are happy about this decision and are looking forward to seeing it get off the ground. To give a little background of the community, in 1970 Boise Cascade was the original developer who then turned it over to Larwin Developers sometime in the mid 70's. Around 1980 it was turned over to the property owners and became The Association of Property Owners of the Hideout. For the most part, all marketing and promotion of the community and amenities fell upon local realtors, and while the community also did some marketing, everyone did a good job to help keep properties moving and helped promote The Hideout. This is by no means to push out any other local real estate company. The intention is to help the Hideout promote what we have to offer and to give residents other options. Over the next few months I will continue to update the membership on this project.

In closing, I hope everyone enjoys the Fourth of July weekend with family and friends along with all of the activities being offered in the Hideout. As always my door is open to any questions or concerns you may have.

Joe Acla

Dear Hideout Members,
In July the Nominating Committee will be hosting two meet and greets for members to meet the 2017/2018 candidates for the Hideout Board of Directors. Please join us on Saturday, July 1 from noon to 4:00 p.m. at the Main Lodge and on Saturday, July 29 at the Play for Pink event at the Hideout Golf Course from 11:00 a.m. to 3:00 p.m. We hope that many of our members will attend. As always, only members in good standing with a current amenity badge are able to attend.
Thank you.

Roamingwood Sewer and Water Association Master Plan Update

If you have recently received a call from our Construction Department or if you have any questions related to the project, please dial (570) 698-6162, press OPTION #2.

All Hideout homes within the project area, whether they currently have a sewage pump system or not, will require a pump to connect to the new low-pressure sewage system.

CONSTRUCTION AREAS AND WORK SCHEDULING

Stage 3 Construction Has Begun

The third and final stage of construction has just begun under a general and electrical contract on May 30, 2017.

Stage 3 home inspections are 96% complete and we encourage all homeowners to call our construction office and set up an appointment if you have not done so already. The inspection is the first of two appointments where the homeowner must provide access to the interior of the house. The inspection

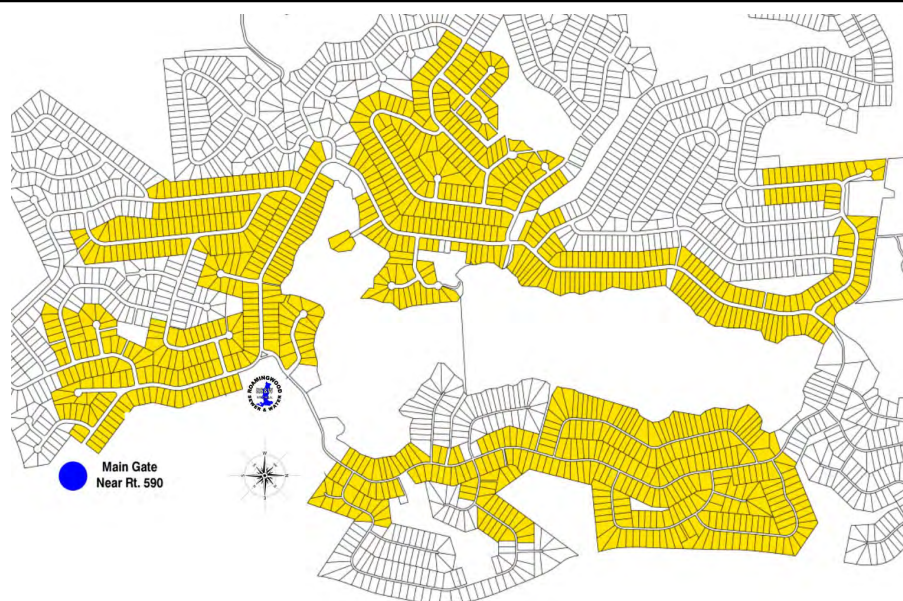

takes about a ½ hour where we inspect the electrical panel and sewer system in the home to assess the compatibility with the new system.

RS&W has begun scheduling a second appointment in the Stage 3 area to install the control panel for the street side pump or the new retrofit pump inside your home.

Stage 3 (Remaining Areas)

(as of August 2016)

No Water Restriction Independence Day Weekend!

In the Hideout Community, over 12 million gallons of drinking water have been saved so far this year due to the RS&W water/sewer infrastructure replacement project. Because of these marked improvements, a mandatory ban on non-essential water use will not be issued for the 2017 July 4th weekend. However, RS&W is strongly urging all Members to be water wise during this time, and restrict any unnecessary water waste where possible.

Please visit our website for water saving tips at www.roamingwood.com.

Thank you for your conservation efforts!"

FROM JOHN GIGLIOTTI, M.P.A., LAND & ENVIRONMENTAL PLANNING MANAGER

Environmental Corner

There are tremendous recreational opportunities to enjoy here at the Hideout! Fishing, boating, swimming are now in full swing on our beautiful and vast lakes. I would like to remind our members to boat safely and adhere to our safety rules.

Attention Canoe/Non-Powered Boat Owners: Since 2011, non-powered boat use on our lakes has increased over 40%. In our attempt to promote safe boating on Roamingwood Lake, we have worked with the PA Boat Commission and received approval to install additional No-Wake Buoys. These Buoys have been strategically placed along the lake shoreline, approximately 100 feet off shore. Besides protecting shoreline property from being damaged, **WE ARE STRONGLY ENCOURAGING ALL NON-POWERED BOAT OWNERS TO NAVIGATE WITHIN THESE SHORELINE BUOYS IN ORDER TO AVOID A POTENTIAL CONFLICT WITH POWERBOATS AND WATER SKIERS.**

Environmental Control Committee (ECC) Matters:

A. Attention Members!

- A reminder to members that the lot number **MUST** be posted on your address post. A Board motioned past last year now requires that your lot number be posted, so as similar to your 911 numbers, public safety officials can respond efficiently to your property in an emergency situation. We will begin enforcing this motion in July.
- Building Permit:** Once you obtain a building permit, it must be posted on-site; preferably on your address post.
- Please clean up waste from your pets.** Do not leave it to decay on the grass near the street. Pet waste that decays and washes into our lakes uses up oxygen and can release ammonia. Low oxygen levels in the lakes and ammonia combined with warm lake water temperatures can kill fish. Also, pets, by means of consuming pet food introduce additional nutrients (phosphorus and nitrogen) to the watershed/lakes that could further enhance algae and weed growth. Moreover, pet waste not only affects water quality but also can affect your health. Various diseases and parasites can be transmitted from pet waste to humans.

SUMMER OUTDOOR RECREATION AT THE HIDEOUT!

Our priority is to serve and assist our members at the highest professional level. Please contact our office at extension 102 or 166 with questions and concerns on related matters.

generosity along with all of our "Friends of Camp Cadet," youth from Wayne, Pike and Lackawanna counties benefit by being able to attend the annual Cadet Program. The goal of the Camp Cadet program is to provide youth with a better understanding of law enforcement by enabling them to spend time in the atmosphere of an actual Police Training Academy. Emphasis is placed on self-discipline, the ability to make new friends and the ability to work as part of a team. The benefits of the program are innumerable.

On behalf of all Cadets and Staff, I thank everyone for their interest and support for this year's Camp Cadet Program.

FROM ROBERT BRINSFIELD, FACILITIES MANAGER Public Works Corner

It's summertime and while the warm weather offers more outdoor activities, an opportunity for an influx of mosquitoes also rises. Although encounters are inevitable, there are ways each person can help control the nuisance.

Mosquito larvae thrive in shallow standing water. Buckets, flowerpot saucers, kiddie pools, birdbaths, and pet dishes are examples of potential nesting grounds. Try to routinely patrol around your property and empty anything that has stagnant water. Eliminating the opportunity to breed is the first line of defense against these pesky bugs.

When outdoors, wear a repellent to avoid bites. Candles and bug zappers are also effective ways to ward off adult mosquitoes. Keep flying insects out of the home by making sure windows and door screens are in good shape with a 16-18 mesh. High grass and unpruned vegetation offer a safe haven for bugs. Mowing lawns and proper landscaping will help to reduce mosquitoes around your home.

Bug Safety Tips:

- Wear a long-sleeved shirt, long pants, and socks.
- Avoid wearing bright colors and perfumes.
- Apply lotion, liquid, or spray repellent to exposed skin.
- Repellents can wear off and may need a reapplication.
- For ticks, when in grass or vegetation, check your entire body and remove attached ticks promptly.

The Hideout POA, Project Website

The Hideout has a website projects.hideoutassoc.com for the POA to solicit bids/quotes from Contractors/Vendors primarily for Capital Projects to be completed in 2017.

All contractors must have \$1 million dollar Liability insurance on file with the POA with the POA listed as the additional insured and be current on Pennsylvania Home Improvement Act registration.

HIDEOUT WEBSITE - www.hideoutassoc.com

We have added an important new feature - a members only portal - that provides Hideout members with access to: • online bill pay • online statements • an interactive website design • online forms for registration and permits • an online roster of members • regular postings of new developments • event calendar • enrollment for enhanced email blast.

The Hideout website www.hideoutassoc.com will be updated regularly with current topics in the member online community, special announcements, and other vital news. We encourage you to check the website on a regular basis, and spread the word to others. *The member roster states your name, and then you decide what you would like to share.

In order to access the members only area, all members will need to re-register. To do so please follow steps 1 to 4 below.

Registration and Login Process

Navigate to your club's login page by clicking on the login button located within the top menu. If this is your first time logging in, you must first activate your account by registering for the website.

1. Member Registration - To register your account, click on the 'Member Registration' link and complete the fields within the registration form.
2. Validation - Enter your Member Number, First name and Last name exactly as they appear on your last paper statement (Note: your First name is typically in our system as your given name). The system will then validate whether the information entered is correct. If the information entered does not exactly match that which is present in your club's files, you will be unable to register. If you continue experiencing issues, please contact the club for assistance.
3. Setup Username and Password - You will then be taken to a page to set your username, password and email address (for website communication). The system will suggest a username (but this can be changed). It will ask you to enter and confirm a password of choice. In the event the password is forgotten, please enter in an email address to which a 'Reset Password' link can be sent. Once all fields are filled out, click on 'Create User' to complete the registration process.
4. Email Confirmation - Upon successful registration, an email message will be sent to the email address entered during the registration process.

BOARD CANDIDATES

The Nominating Committee of the Hideout POA will be seeking qualified candidates to run for two open seats on the Board of Directors. A minimum of four candidates must run for this election. Qualified candidates must be members in good standing who are available to attend regular meetings of the Board as well as volunteer their services to carry out the duties of a Board member. Board members have a fiduciary responsibility to the membership to establish and monitor operating policies as well as oversee the administration of the affairs of the Association. The term begins in October and lasts for three years. As a Board member you receive no compensation.

Interested persons may obtain a petition from the POA Office and acquire 50 valid signatures of members in good standing. The petition must be submitted to the POA Office no later than 4:00 p.m. on Sat., July 15, 2017.

All inquiries should be directed to the Nominating Committee, Hideout POA, 640 The Hideout, Lake Ariel PA 18436.

FROM SANDY SHEPPARD, REGISTRATION MANAGER**Registration Corner**

Our calendars indicate that 2017 is half over !!!! Yet The Hideout is in full "summer" swing!!!

July marks our Nation's Independence. As always, The Hideout will sponsor our annual July Celebration. Be sure to refer to The Hideabout Newspaper, Channel 20 and Hideabout Extra for dates and times of all activities.

HIDEOUT FIREWORK DISPLAY WILL BE HELD ON SATURDAY, JULY 1 AT DUSK.

Members in good standing, age 7 and over, must present a valid 2017 Member or Guest Badge to use any amenity. Seasonal pool stickers may be purchased at the Main Pool or at the POA office.

The month of July is extremely busy at The Hideout. When walking on our streets, please be aware of traffic. Drivers remember to slow down; the maximum speed limit within The Hideout is 25 MPH.

FIREWORKS ARE NOT PERMITTED IN THE HIDEOUT

Let us all work together to enjoy our summer safely.

**I ❤️ the Hideout Photo Contest**

Through the summer Recreation will be hosting a photo contest featuring our "I ❤️ the Hideout" t-shirts. T-shirts are available for purchase in the Recreation building daily from 8:00 a.m.-5:00 p.m. This contest involves taking a picture wearing your "I ❤️ the Hideout" t-shirts throughout the Hideout. Each month we will submit our favorite photos to be printed in The Hideabout newspaper and enter participants into a drawing to win prizes. Please send all photos to recreation@thehideout.us.

Some ideas for pictures include, taking a picture at a recreation event throughout the summer, standing by the Welcome sign, decorating your shirt, or coming up with your own unique way! There are so many different places in the Hideout you can use for picture-taking; the ideas are limitless! Show off your Hideout pride and have fun!

Here are some fun hashtags to submit your photos with:

#TakeYourBestShot-Take as many pictures in your Hideout shirt at as many facilities as you can.

#WearandShare-The most creative way you can wear or use your "I ❤️ The Hideout Shirt."

#ThrowBackThursday- Take a picture in your Hideout shirt at your most memorable location in The Hideout and tell us a story!

#MemoriesMatter-Take a picture at every event you attend in your "I ❤️ The Hideout" shirt.

#ArtInYourHeart- Decorate your shirt as creatively as you can!

Meet our POA Board Candidates

Peter Boyer

To: The Hideout Membership;

My name is Peter Boyer and my wife and I bought our first home in the Hideout in 1985 when our three children were very young. We retired in 2010 and made our permanent move to the Hideout. At the point where we became full time residents, we began to get involved in the Hideout community. We've made many friends here. I'm a member of the Long-Range Planning Committee, the Public Works Committee, The Hideout Adult Social Group, The Voice of the People, The Music Workshop, the Bocce Players and as a candidate: the Budget Committee. **I've also attended the Board Meetings on a regular basis since becoming a full time resident.**

My previous experience was with one of the largest communications companies in the world, for 30 years. I managed teams of employees to better performance, evaluated people fairly and motivated them to improvement. **Presenting a budget and working within the constraints of that budget and fiscal responsibility was imperative.** My work experience also familiarized me with countless technical advances in communications. **While I have the qualifications to make good decisions, my primary goal is to hear from you and what issues you consider to be important to this great community.** In this respect we need to be inclusive of our full membership. It's no secret that Hideout members, both full and part-time, have an acute awareness of the issues facing the Hideout. It's my personal belief that most people are looking for honesty, integrity and transparency in our candidates and their job performance. I truly believe I can commit to the demands of the position as I share in the interests and expectations of the entire membership. The Hideout membership should expect this as well. This really all about YOU.

My education includes: Livingston HS, Essex County College and Rutgers University, Newark, NJ. As a FULL TIME member, I will have no personal agenda other than my responsibility as a Board member who answers to and is accountable to the full membership. I can be reached at: pboyer2711@gmail.com or 570 630-6256. Please feel free to contact me.

In closing, I'd like to say that your vote is important to this community. Your input begins with your vote. Thank you for giving me your time and attention.

Peter Boyer

Michael Terranova

My name is Michael Terranova and I am running for a position on The Executive Board Of The Hideout. I'd like to start by telling you a bit about myself. I have been a full time member of The Hideout since 2013. As a former police sergeant from Cliffside Park, NJ, I found the calm and relaxing environment of The Hideout to be the perfect place for retirement.

Now at the age of 59, I can happily say I've lived a long life, full of great memories and many achievements I am very proud of. My crowning achievement would have to be my family. My wife, Kristal, has been by my side for the last 35 years and I can't imagine my life without her. She has given me three wonderful children who have now grown up to be independent and intelligent adults. We just recently witnessed the birth of our first grandchild, and let me tell you - nothing beats being a Poppy!

My professional life has been just as full and rewarding as my personal life. During my 32 years on the police department, I excelled at my positions as Patrol Squad Leader, Desk Supervisor, Training Officer, Traffic Bureau Officer, and Juvenile Bureau Liaison to the patrol division. I retired with my certification in Doppler Radar operation, Breathalyzer operation, crime scene photography, exploited and endangered child response, along with training in many other areas. I took my positions very seriously and always did my best to serve and protect the town to the best of my ability. Ultimately, the safety of the officers under my command and the residents of the community were at my foremost priority.

I'd have to say time spent as Union Delegate for The New Jersey State Policemen's Benevolent Association (Local 96) was the real highlight of my career. I was directly involved in negotiating several service contracts between the members of the department and the town's municipality. I was there to mediate matters of health care and pay raises, as well as any other issue my officers felt needed attention. Other responsibilities I held included the day to day safety issues of the municipality like maintenance of the equipment, policy and duty of assignment, and required services of all divisions.

I have always had a love for helping people, and I have always taken any opportunity to help those in need. I love my community here at the Hideout and would want nothing more than to improve it. Having spent time on both sides of political table, I think I would make a great addition to The Hideout's Board of Directors.

Meet our POA Board Candidates

Jerry Restaino

Hello friends, neighbors and Hideout residents. My name is Gerard Restaino, but I am known as Jerry Restaino, and I am one of the candidates for the POA Board of Directors. I have a simple philosophy, you pass this way once and must give back. My background and life experiences as set forth below certainly exemplify that philosophy. My major position for being a candidate for a Board of Directors position is to preserve the Hideout as a Gold Star recreational community.

I was born and raised in Newark, NJ, and graduated from Newark State Teachers' College in Union, NJ. I have a BA degree in Industrial Arts and began my teaching career in Newark, NJ (1963-65) assigned to two elementary schools teaching deaf and physically handicapped students. It was challenging and emotional. I then taught Industrial Arts at a junior high school in Edison, NJ (1965-70) where I met my wife Judy, who taught German and later on ESL. We were married in 1967 and bought our first home in Metuchen, NJ. During the next several years our two sons, Gary and John, were born.

We purchased our first home in the Hideout in 1993, our current home in 2001 and became full time residents in 2003. As part-time residents we enjoyed all of the amenities whenever we spent time here. I appreciated reading the Hideabout which gave me a perspective on the community and our investment for the future. Since we have been full-time residents I attend Board meetings and have been concerned and interested in all issues which affect the community. I also belong to the Woodworkers Club and the Hideout Adult Social Group. I am a member of the new Governing Documents Committee, and we are committed to submitting recommendations to the Board for Bylaw changes for a vote by the community. My wife is a member of the Lakes Committee and volunteers at the library in Hamlin.

The Hideout is a terrific, well-established recreation community with a diverse population that can and should take advantage of our amenities. I was recently informed that a new full-time couple purchased here only after looking at many other communities and felt the Hideout is the best. The indoor tennis courts sold them on buying a home in the Hideout. As an arbitrator/mediator the following has served me well: if you always do what you always do, you will always get what you always get. We need to involve more residents in the decision-making process, be it volunteering on a committee or becoming a Board candidate. I find it amazing that a minority of residents make decisions that impact the majority. When was the last time that a majority of our residents voted in an annual election? Moreover, I am extremely concerned about our shrinking property values, and I plan to work toward reversing that uncomfortable trend.

In my second year of teaching in Edison I became a representative for the Edison Township Education Association (ETEA) and addressed and resolved problems for my colleagues. I became more active with the ETEA and was appointed the Grievance Chairperson for the entire Association. This was at the time when NJ public employees were granted statutory rights to negotiate collectively, which resulted in written contracts/agreements.

In June of 1970 I made a life-changing decision to take advantage of a contractual provision and took a leave of absence from teaching and became the first full-time president of an education association in the entire state of NJ. As the full-time President I was responsible for developing the ETEA's budget, meeting with local, county, state and national elected officials, negotiating successor contracts and handling grievances and arbitration cases. The one thing I learned that has served me well to the present is that negotiations is the art of compromise while not losing sight of your goal; being flexible, patient and creative usually will help you achieve your goal. In September of 1975 I joined the staff of the New Jersey Education Association (NJEA) and was assigned to a Regional Office with a partner and 4500 members. I did the same thing as I did in Edison, except on a much larger scale.

In 1993 I retired from NJEA and took over my dad's electrical contracting business while starting a part-time arbitration practice. At that time I also had a NJ State Electrical Contractor's License and Business Permit. I bid the jobs, worked on the jobs, met with inspectors, designers, builders, got more work, and paid all bills. In 1998 I completed the last electrical installation, closed the business, and became a self-employed full-time arbitrator.

Because I was a known quantity based on my days in Edison and the NJEA staff, I was quickly accepted on various arbitration panels in NJ, NY, PA, as well as the Federal Government. In 2000 I became a member of the National Academy of Arbitrators (NAA). I became actively involved in the NAA with various committees and rose to be the Regional Chair of Region 3, Philadelphia for a 2 year period. I am still an active arbitrator handling a myriad of cases.

To be a successful and acceptable arbitrator I need to be flexible, sensitive, inventive, patient, assertive, have good communications skills, and maintain a high level of integrity. All of the above clearly and without reservation demonstrate that I can be a very successful Board member.

Thank you and best regards.
Jerry Restaino

Avoiding Hand & Wrist Injuries

By: Bernard J. Povanda, PT, COMT,
Direct Access Certified

Whether you're an athlete playing your favorite sport or a "weekend warrior" who enjoys hitting North Fairway Drive for a game of golf, or grabbing your racket and heading for the RSC Courts, your hands and wrists are uniquely prone to athletic and overuse injuries. As a physical therapist, I see an increase of injuries to the hands and wrists facing athletes this time of the year. With so many bones, ligaments, tendons, and joints keeping hands and wrists working, there is ample opportunity for injury.

Two Categories of Hand & Wrist Injuries:
Traumatic (acute) injuries- include sprains, muscle strains, tendon inflammation, ligament tears, joint dislocations, and broken bones. These are more likely to occur in athletes who participate in sports that require higher levels of contact (hockey, football, or wrestling).

Overuse (chronic) injuries- are stress-induced and include tendon inflammation and dislocation, nerve injury, and overuse stress fractures. These often result in athletes who participate in sports that require them to "repeat" a particular movement (tennis, golf or baseball).

Preventative Measures:

- Do sport-specific stretching & strengthening exercises.
- Always stretch before playing.
- Take breaks.
- Don't play through pain.
- Wear protective equipment- wrist guards & gloves.
- Use proper technique & posture.

Some of these injuries may not seem serious at first, but if left untreated, could put you on the sidelines for months. They may also have a lasting effect on your comfort and everyday function. Physical therapy is a treatment option for many of the injuries mentioned above. A physical therapist can also help devise the proper stretching & strengthening plan for your particular activities in helping you to prevent some of the overuse injuries in your particular sport!

COMMITTEE MEETING MINUTES

Lakes Committee Draft Minutes of Meeting - 4/22/17

Chair: Tim Jeffers.

Members: Bob Kravetz, Rick Nolte, Bob Reimers, Kent Fairchild, Larry Garlasco, Judy Restaino, Iggy Rivera, Jeff Silverman.

Staff: John Gigliotti, Manager and Francine Spinelli, Administrative Assistant.

Board of Directors Liaison: Barry Neiss

Excused: Charlie Durkin, Rick Nolte, Karen Greenfield, Jim McLoone, and Arnie Milidantri, **Guest:** Eileen Culley, 851 Deerfield Road

The meeting was called to order at 9:05AM.

T. Jeffers advised one order of business if Francine taking notes and recording, asked the Committee to announce their name and can associate with comments.

Second order of business is the minutes of last month. No one had any comments. The minutes were approved with a motion by L. Garlasco, a second by B. Kravetz, and approval by all (8-0-0).

T. Jeffers advised last meeting went through program and good communication with Dr. Lubnow of Princeton Hydro.

Opinions were voiced on some issues to his program, i.e. fishing.

T. Jeffers asked J. Gigliotti if he has key dates for budgeting. J. Gigliotti advised he does not have exact dates and is working on preliminary operations and capital and will be submitted to the Budget Committee starting in June. Further, J. Gigliotti advised he has a rough draft of what he would like to do with some adjustments to the dredge plan to Roamingwood Lake which will be a two year process and that requires complex permitting. J. Gigliotti will give T. Jeffers the exact dates in June.

DEERFIELD LAKE:

1. Aeration System: J. Gigliotti presented photos of the new aeration system. New system should be operational next week. Electrician coming on Monday to do wiring. Fish stocking order has been placed. B. Kravetz asked if the system will be marked for future. J. Gigliotti advised it is GPS located. No marine floats required.

2. Eileen Culley, 851 Deerfield Rd.: Will there be aeration in the corner where there is a lot of lily pods. The truxtor will take care of this and then will spot

spray. T. Jeffers advised the aeration system will give oxygen into the water to eliminate sediments and phosphates in the water. E. Culley - when the ski hill work disrupted water flow between boats and her house. Needs to be cleared out. J. Gigliotti advised it was channeled and that this area is a wetland. E. Culley advised there are ducks at the end of her driveway by the road and should not have that much water for the ducks. J. Gigliotti will look at this. E. Culley - Fire Dept. trucks were running water and it was spraying across the street for hours at full blast. B. Neiss advised the hydrant was on for training at this site.

3. Canary Grass: Did we treat canary grass at Deerfield? J. Gigliotti advised there was not a problem only at the pump house and by Eileen's house.

ROAMINGWOOD LAKE:

1. Gate Valve: New main valve is now fully installed and operational. They will be back in the fall to install the five foot valve when the lake is lowered. This will occur sometime after Columbus holiday. J. Silverman asked how does J. Gigliotti control the lake. He advised he would start with the side valve to lower the water. He can use any valve. J. Restaino asked if the cost was higher to install the main gate valve since it took longer. J. Gigliotti advised the additional cost was not absorbed by the Hideout due to it being a contractor issue. K. Fairchild asked about the small valve size. J. Gigliotti advised it is 4 feet wide and 4 feet high, goes up and down and draw down depends on the weather. Side valve is higher and placed at the bottom of the lake.

2. Winter Recreation on the Lake:

L. Kravetz asked about ice fishing on the lake as it was allowed years ago. B. Neiss commented it is a danger issue and a liability. T. Jeffers advised he went to the Board three years ago and the attorney was present and talked about winter use of the lake. There is a liability and also there is training, response time by EMS, equipment needed for ice rescue and policies and procedures to put in place to identify when it is safe to enter the lake. There is a monetary and logistic expense and the Board did not want to move

forward. More discussion followed on ice skating, etc. and T. Jeffers advised this is all about winter use of the lakes and went back to approaching the Board with the lawyers. Too much logistics and costs.

3. Fish Stocking: J. Gigliotti advised putting in the lake 200 walleye, 150 small mouth and fat head minnows into the lake. Fathead minnows will also spawn.

B. Kravetz advised about the upcoming fish tournaments. Recreation coordinates this event.

4. 5 feet Draw Down: T. Jeffers asked that when we start the draw down in the fall to let people know so boats are not in the water. J. Gigliotti advised he will put an article advising all.

5. Dock in Marina: J. Restaino asked when the docks will be placed in the Marina. J. Gigliotti advised roughly May 1.

BROOKS LAKE:

1. J. Gigliotti advised the biggest challenge this year is that the lake was never permitted and is combining this task with the dredging. Working with DEP and Harrisburg on the permitting. Dr. Givler will do an official inspection. Critical part is the spillway is large enough so no modifications there. One thing to do on the bottom of the concrete weir has a metal plug and they need to know if this is operational. Will have to get in there to see if it works, if not then will put in the budget. Discussion followed. K. Fairchild asked if it was to be fixed, can we get a conditional for dredging. K. Fairchild expressed disappointment the dredging is held up until fall and noted the tree stumps left where excavating was done looks like a war zone and if anything can be done. T. Jeffers advised this is a side effect of excavating. This area will be reconditioned when the dredging project is complete and possibly add additional boat racks, landscape. This fall the area will be prepped and then begin dredging and that excavation is integral with dredging and trees will be planted. T. Jeffers advised that members of Brooks notice this and department is trying to accomplish all this. B. Kravetz thought of putting boat racks in would encourage people to use the lake. J. Gigliotti advised when done dredging we will enlarge parking also.

T. Jeffers explained about Dam Safety and what they do and about classification rated to hazard rating. If the dam would break, what is the hazard, J. Gigliotti advised not as bad as Deerfield or Roamingwood.

J. Gigliotti advised the aeration is huge and the fall dredging. Deerfield and Brooks are clear flow systems and taking the motor and compressors that are new and using as a backup for Brooks. T. Jeffers asked how many more years do we have, J. Gigliotti advised in the reserve study, possibly 10 years before the motors have to be changed out and marine tubing, 15 years before changing out. Brooks has the same tubing but porcelain aerators. T. Jeffers asked if the Truxor has been scheduled. J. Gigliotti advised the Truxtor comes in every year around Memorial holiday. Will look at Brooks and Deerfield for maintenance. Water quality monitoring will start next week. T. Jeffers asked about the baffle box plans and requested J. Gigliotti asked it be sent to him and the committee and to follow-up with canary grass issues.

NEW BUSINESS:

1. K. Fairchild - under Lake & Environment related-trees planted in the entry way. J. Gigliotti advised a lot of trees are growing and will mark trees that are not growing. Public Works is swamped and this will have to wait until after the summer. T. Jeffers asked if these are the ones Public Works put in and J. Gigliotti advised yes. New Trees are mostly surviving as a professional company came in and did the planting. T. Jeffers noted it is cost effective to have Public Works plant the trees. J. Gigliotti advised he will try to get in there to mark some of those and then make a plan.

2. B. Kravetz - 2nd fish tourney, put in minnows first before the tourney. Do we have to go to the Board? J. Gigliotti advised he would talk to Joe and will look at the fish stocking budget. B. Kravetz would like to see some in before June tourney.

The next meeting will be on May 20.

The meeting was adjourned at 10:30AM with a motion by J. Restaino, a second by L. Garlasco and approval by all (8-0-0).

Respectfully submitted,
Francine Spinelli

COMMITTEE MEETING MINUTES

Long Range Planning Committee Draft Meeting Minutes - May 20, 2017

Call to Order: 10:00 am - Robert Brinsfield - Facilities Manager
Pledge of Allegiance

Present: Peter Boyer, Walter Buda, Nick Sambuco - Chairman, Michael Seiden, Larry Holmes, Barbara White, Virginia Sabia

Guests: Jerry Restaino, Barry Neiss - Board Director

Excused: Kristen Victory, John McNichol, Sharon Spiese, Marie Krauss - Board Liaison

Minutes from the March 28, 2017 meeting were approved.

Motion to accept the minutes made by Peter Boyer and Second by Barbara White.

Discussion:

Long Range Planning meetings will be scheduled on the second Saturday of each month at 10:00 AM during summer months, when more members of the Committee are available. When the season is over (during winter months) the opportunity of a smaller Committee could meet during the week.

A motion for the meetings to be held on Saturday by Robert with the second by Peter Boyer. All in favor.

The Long Range Five Year Plan was given to each Committee member.

The Committee agreed to start first with the Walking Trail along Lakeview Drive and second with the re-design of the Front Gate. At the next meeting, June 10, 2017 a vote will be taken.

Proposal was made to bring forth Community wide Wi-Fi capabilities to modernize the amenities. The Community is not Wi-Fi ready.

Robert will review a community wide 10-year plan, in order to help with the guidance of the five-year plan.

We should look at the community as a whole, for placement of different amenities.

It is the consensus of the whole committee to update the community.

Motion to adjourn: 11:20 AM. Motion by: Peter Boyer
Second: Barbara White

Next meeting: June 10, 2017 at 10 AM

Respectfully Submitted:
Deborah Henneforth

Review/Discussion
New Business

1. **Revision to Tree Deposit Policy/Tree Policy**
The following verbiage will be added to the New Home Permit Application: A Tree deposit of \$3,000 will be collected and held during the construction process. If the final inspection reveals that all tree/land clearing work has complied with design standards of the permit application, this tree deposit will be refunded back to entity that initially submitted deposit. If the final inspection reveals that the tree/land clearing work completed was in violation of the approved permit issued, then the deposit will be retained by the Hideout POA and utilized to mitigate losses both on-site and possibly off-site to improve other open space-common areas of the Hideout. Homeowner and Contractor to sign off on above.

MOTION: To accept the above verbiage to be added to New Home construction permits, Paul Spiese. Seconded by: John Schesny. Motion passes: 3-0-0
2. **Revision to ECC Permit Application**
Discussion took place on the following verbiage to add to the existing permit application:
“The Hideout does not have a building inspector and is not liable for any of the workmanship and/or work of your contractor, nor is the Hideout responsible for any building inspectors.”
MOTION: to accept the above verbiage to be added as a caveat to all Permit Applications, Paul Spiese. Seconded by: John Schesny. Motion passes: 3-0-0

MOTION: To adjourn, Paul Spiese. Seconded by: John Schesny. Motion approved 3-0-0. The meeting ended at 11:30AM.

COMMITTEE MEETING MINUTES

Public Works Committee Draft
Minutes of Meeting - 5/10/17

Call to Order – Robert Brinsfield –
Facilities Manager 9:00 AM
Pledge of Allegiance
Present: Robert Brinsfield – Facilities Manager, Sam Wilmot – Board Liaison, Bill Fentress – Chairman, Richard Maxwell. Robert Addieg, Andy Vuolo, Peter Boyer, Michele Popadynech, Karl Englert.
New Committee Member – Laura Rusnak
Minutes from April 12, 2017 were reviewed. Motion to accept by Andy Vuolo and Second by Peter Boyer. All in Favor.
Discussion: Bill Fentress – Chairman
There have been many issues with regard as to who is responsible for the swales and ditches on each member's property. In the Protective Covenants, that each member received at the time they purchased their home, it states in **Section One, #U. Ditches and Swales. Each Owner shall keep drainage ditches and swales located on his Lot free and unobstructed and in good repair and shall provide for the installation of such culverts upon his Lot as may be reasonably required by the Committee.** It is also referenced in **# 7. Easements iii. Slope and Drainage. A 30-foot-wide easement on each Lot along the line of such Lot abutting a street for the purpose of cutting, filling, drainage and maintenance of slopes and drainage courses.**
With regards to the driveways being installed, the Environmental Control Committee has been monitoring, all driveways to be sure that they are installed properly. The Public Works Committee also helps with the monitoring.
The Committee asked for a vote to support the Protective Covenants. It was a favorable vote, with all Members (8) voting yes. The Chairman of the Committee will be sending a letter to Mr. Robert Brinsfield and Mr. Joe Acla supporting the Protective Covenants. Letter attached.
The Dog Park fencing is complete and looks very good. It was asked if more stone could be put in section between the gates.

The Laurel Park Gates were brought up and are in Public Safety's hands. There is a concern that anyone can obtain access to all the campers and boats that are being stored there.
Robert's Discussion: Golf Maintenance project is almost complete. The roofing and new paving have been completed. The new siding will be done this week. The Lodge Repointing and Brick work is on schedule and should be completed soon. The results so far are very favorable.
The North Recreation Building project has been completed. The timber posts have been repaired.
Main Pool has been completed and has been made ADA accessible with the addition of a chair lift.
Heller's is the new propane supplier for the Hideout. There is a Member discount price if interested.
The rock on right side of the parking lot of the Lodge going is a concern to some members. Could it be moved back.
Many complaints have been received on the condition of Ridgeview Drive. Temporary patching was done on May 2, 2017. The road will be repaved at the conclusion of the RS&W Phase 3 project.
The triangle at RS&W is going under a renovation. New shrubs, trees and a new sign will be planted and installed as soon as weather permits. The time table is set for the third week in May. The Garden Club has been a tremendous help with this undertaking.
There was a concern with the mess at the Recycling Center Sunday night. Maintenance will be coordinating with Public Safety with regards to the matter.
The trees on Hidden Lake Drive need to be trimmed
New newspaper stands have been ordered to replace the ones at the mailboxes.
The North Gate planter box needs some repair work done to it.
Motion to adjourn: 10:00 am. **Motion by:** Peter Boyer. Second: Robert Addieg

COMMITTEE MEETING MINUTES

Parks and Recreation Committee
Draft Minutes of Meeting - 6/15/2017

IN ATTENDANCE: Debbie Dahmer, Recreation Manager, Joe Carolan, Recreation, John Bobcik, Chairman, Committee Members, Kristen Victory, Rick Yocum, Sue Dougherty and Joan Snyder. Guest attendance from the “Pocket/ Billiards Pool League of 2017,” Steve Toner, Joe Sperazza, Rich Maier, Rob Metzner, John Martino and Helen Evans. Meeting called to order by Chairman, John Bobcik.

Following up on old business:
The necessity for anchors at tables at Roamingwood Park, was addressed by John Bobcik for safety concerns. Also, the pet signs at Roamingwood Park. The “ water hose” problem was addressed by Sue Dougherty and corrected with the addition of a new hose. Also the need for holes to be filled with soil in the large and small dog park.

John Bobcik suggested the sign for OSC change direction for better visibility. Kristen Victory visited every tennis court in the Hideout before this meeting and noted corrections and work necessary by the Maintenance Department to keep our exceptional tennis courts in good condition.

The “Pocket/Billiards Pool League” is

a wonderful addition to our amenities, a seasonal sport enjoyed not only in the summer months, but also by all members during the long winter. The membership and interest to this League continues to grow and the Recreation Committee agrees and supports the request of this League to purchase two (2) new professional Pool Tables at a very reasonable fee. We thank the League members who took the time to voice their opinion at our meeting.

The Recreation Committee discussed the safety concerns of all the residents of the Hideout and the benefit of a presentation by the PA State Police regarding the “Active Shooter” program. A motion was made by John Bobcik to adjourn. Next meeting scheduled for September 21, 2017.

As a Recreation Committee member, under the direction of Debbie Dahmer, as well as every resident at the Hideout, we can attest to the excellent, professional decisions she has put into motion raising the level of recreation in this community to one of the best in the State of PA. All of us “thank you” for the opportunity to serve on your Board. We will miss you!

Hideout Committee Volunteers

Committees are an important part of our Association operations. Committee members help keep our community vibrant; and, by augmenting paid staff, they save the Association thousands of dollars each year. The association wouldn’t be what it is without our active and effective Committees. They deserve our sincerest thanks. However, to be successful, our Association needs to cultivate fresh ideas and encourage additional resident involvement in our Committees.

Committees give the Board a way to gather information, offer new ideas and opinions and provide a training ground for future Board members. All Committees are advisory to the Board unless given specific decision-making authority by the Board or our Governing Documents. Each committee has a goal and mission statement to help it succeed as a community resource.

Our association has three types of Committees:

Board appointed Committees; ECC, Public Safety, Budget, Disciplinary, Long Range Planning, Wildlife & Forestry Management, and Governing Documents are established by the Board for a specific purpose under the supervision of the Board. Some are required by our Protective Covenants or By-Laws. They often have clearly defined power and authority. Appointments are made for a three year term; however, there are no term limits as to how many terms someone can serve.

Standing Committees; Food & Beverage, Golf, Public Works, Communications, Lakes and Parks & Recreation are ongoing and have members who have expertise with a specific area within our community. These Committees generally make recommendations to the Board pertaining to the specific area.

Ad-hoc Committees are established by the Board as needed for specific projects and tasks. When the task is complete, the committee is disbanded.

Therefore, if you’re interested in helping improve your community or plan to run as a candidate for the Board of Directors and would like to learn more details of the Association operations, please call the POA at (570) 698-4100 for more information or pick up an application directly at Registration.

COMMITTEE MEETING MINUTES

Laurel Park Complex Committee
Meeting - May 27, 2017

The meeting was called to order by John Ellicott, co-chairman, at 9:15 am. The following members were in attendance:

- | | |
|-------------------|-----------------------|
| Edward Sparkowski | Don O'Connor |
| Wayne Balanovich | Lucy Ellicott |
| John Ellicott | Martin Ellicott |
| Sue Dougherty | Don Di Bello |
| Kevin Hoepfner | Joan Di Bello |
| Connie Richard | Eric Brown |
| Mike Murphy | Jerry Restaino, guest |
| Karen Murphy | |

Representing the Hideout:
Joe Acla, General Manager
Scott Patterson, Maintenance
Joe Kozuck, Public Safety Manager
Debbie Dahmer, Recreation Manager

- OLD BUSINESS:**
- Bathrooms** - Problems with one of the toilets in the men’s room. Scott in consultation with RS&W is awaiting the completion of the 3rd water phase. The problem might be solved after the completion.
 - Dog Park** - The new fencing and gate have been installed. It is a great improvement over the old fence and members of the park thanked Scott and his men for all their work.
 - Gates** - The new card gates have been installed. Joe Kozuck explained that everyone will need a card, clicker or current guest badge displayed in order to get into the Complex. Joe explained that since the gates were just installed, there may be some “bugs” in the system that will need to be adjusted.
 - Hot Spots** - Since the gates are now operational, Joe stated that it might be possible to have a hot spot installed at the guard house. He was going to look into the matter. This week-end cell reception within the Complex was impossible.
 - Sites** - Due to the difficult winter with the snow, Scott was unable to create new storage sites. Currently, some trailers are being stored in the boat storage area. Scott and Debbie will plan and make available additional sites for the storage of trailers. Due to the increased use of the facility, plans for additional trailer sites will be developed for daily and permanent use along with pull-through sites for short-term bus and trailer use.

- NEW BUSINESS:**
- Water leaks at the valves: Sites 17, 18 & 21. Site: #27, valve is pulling away from the post. Scott will look into replacing with current valves with ball valves.
 - Jerry Restaino spoke to the committee concerning subjects pertinent to the upcoming Board Election.

The meeting was adjourned at 10:05am

Respectfully submitted,
Joan Di Bello, Secretary

*The Accelerated Death Benefit may or not qualify for a favorable tax treatment under the Internal Revenue Code of 1986. This depends on factors such as your life expectancy at the time benefits are accelerated or whether you use the benefits to pay for required qualified long-term expenses. If the Accelerated Death Benefit qualifies the Benefit will not be subject to federal income taxation. Tax laws relating to the Accelerated Death Benefits are complex. You should consult with a tax advisor about how you can receive the Accelerated Death Benefit excludable from income under federal law. In addition, receipt of the Accelerated Death Benefit may affect your family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI) and drug assistance programs. You should consult with social service agencies concerning how receipt of such payment will affect eligibility for public assistance. See rider for terms, conditions, and restrictions. Boating at the Hideout

Boat Registration in the Hideout began on **Sat., April 1**. All Hideout members must register their **power and non-power boats** at the Recreational Sports Complex before using them on the Hideout lakes.

BOAT REGISTRATION - Maximum boat size-17ft., Maximum **Four stroke** engine horsepower, 90hp. *Used boats owned by a Hideout Property owner and were previously registered for Roamingwood Lake and are sold to another Hideout Property owner for use on Roamingwood Lake will be considered "grandfathered" and will be exempt from the Four Stroke Motor only restriction.

PERSONAL WATERCRAFT - i.e. Jet Skis and Wave Runners are subject to a maximum of 110 horsepower provided the PWC has a four (4) stroke engine. Maximum horsepower for a two (2) stroke engine is eighty-five (85) horsepower.

All powerboat and Personal Watercraft owners must have the appropriate documents on file with the Recreation Department in order to re-register. This includes current amenity badge, a copy of their insurance naming the Hideout as certificate holder* and current state registrations for both boat, PWC and trailer.

All **new PWC owners** must bring their craft and boating safety certificate to the Recreation Department.

All owners of watercrafts (20hp or more) must have at least \$250,000 bodily injury liability coverage and \$50,000 property damage liability coverage.

Owners of watercraft nineteen (19hp or less - not including electrically powered) must have at least \$100,000 in liability insurance.

Electrically propelled watercraft(s) need a State Registration but do not require a Certificate of Insurance.

The Hideout must be named as certificate holder on the insurance policy.

FEE SCHEDULE:

Registration-Powerboat 20hp & over	\$ 95.00
Registration-Powerboat 19hp & under	\$ 50.00
Registration-Non-Powerboat	\$ 20.00
Registration-Electric Motorboat	\$ 30.00
Registration- Jet Ski	\$ 95.00
Yearly Storage Permit-Powerboat	\$100.00
Yearly Storage Permit - Powerboat > 22ft.	\$155.00
Yearly Storage Permit-Non-Powerboat	\$ 60.00
Dock Space Full Season	\$650.00
Dock Space Full Season-Pontoon Boats	\$725.00

**Generally, a Certificate of Insurance is a summary document usually issued by an agent on behalf of an insurer that says a policy has been issued to an insured for a general type of risk. The Certificate is usually issued to a third party (ie: The Hideout POA) who wants some evidence or assurance that a policy has been issued.*

Thank you in advance for your cooperation in the registration process.

Boat Storage Facilities at the Hideout

DOCK SPACE - If you are interested in a Full Season Dock Space, please call Recreation at (570-630-3733) to be put on the wait list.

NON-POWER BOAT STORAGE - All members with boats stored in our non-power storage areas must pay for their storage area by the deadline of April 30. This can be done in person at the Recreation Department, by mail or over the phone with a credit card. If payment is received by April 15, the Recreation Department will put your storage sticker on your boat for your convenience; otherwise you can pick up your sticker at the RSC. **If payment is not received by the deadline your boat will be subject to removal and your space given to the next person on the wait list.** See fee schedule for non-power boat storage fee.

Anyone interested in storing a boat at one of the areas must check at the Recreation Office for availability and will be put on the wait list. Storage areas are located at Deerfield Park, Brooks Lake, Getaway Park, and Holiday Park.

DRY DOCK STORAGE AT LAUREL PARK - Storage is available for your boat, personal watercraft and trailer in a gated lot with cameras, for your security located at Laurel Park. See fee schedule for pricing. Upon registering for Dry Dock Storage please have a copy of your state registration, insurance, and trailer registration. Please call Recreation at (570) 630-3733 for more information.

2017 Aquatic Programs Swimming Lessons

Preschool Swimming Lessons-Children 3-5 years of age. This is a child's first experience in the pool without parental assistance. The children are taught the basic skills that are the building blocks of swimming. They also learn about pool and boating safety, and the use of personal flotation devices. These 30-minute swim lessons are taught by caring American Red Cross Swimming Instructors using the guidelines of the Learn to Swim Level 1 program.

Youth Swimming Lessons-Youth ages 5-12 years of age. These lessons follow the American Red Cross Learn to Swim Lesson format and are designed for children to progress through five levels in a natural progression. Children will learn not only swim strokes, but will also learn about personal safety, basic rescue skills, personal growth issues and water sports and games. We incorporate all of these components in an effort to help our American Red Cross class participants become well rounded swimmers whose aquatic knowledge can provide them with a lifetime of water enjoyment.

Level 2: 9:00-9:45 a.m.; **Levels 3 & 4:** 10:00 a.m.-10:45 a.m.; **Levels 5 & 6:** 11:00-11:45 a.m.

Parent-Child Class Levels A & B-For 6-36 months and one parent or guardian. The primary objective is to get both the parent and child comfortable in the water. The child will become aware of the differences between moving through water and on dry land, while the parent will become aware of how to teach his or her child to be safe in and around the water. Classes are designed to allow the child to have fun in the water while the parent guides him or her to learn aquatic skills. The child will be exposed to games that use basic movements in the water such as kicking, arm strokes and breath control. Activities are based on the developmental ability of the child.

Fish-For-Free Days

Your Fishing Holidays!

Fish-for-Free Days allow anyone (resident or non-resident) to legally fish on Pennsylvania waterways on the designated days with NO FISHING LICENSE REQUIRED (Trout/Salmon and Lake Erie permits are also NOT required). All other fishing regulations still apply.

Fish-for-Free Days are great ways for families to "catch" the fun of fishing!

9-Ball Pool Tournament

The pool league kicked off their summer season with a 9-ball tournament through the week of June 5. A pool of ten players were excited to play in search of the title in this double elimination format, race to three tournament. The first round featured some fast paced play and great shots. Rich Maier quickly took out Joe Carolan, Helen Evans came out ahead of Jim Merri, John Goldman defeated Rob Metzner, and Steve Toner got the better

of John Martino. After the second round of play John Goldman made his way to the semi-finals after beating Tom Luniewski and Jeff Zatuschny would move on from his match against Helen Evans. The semi-finals saw plenty of exciting matches with Rich Maier pocketing Jeff Zatuschny 3-0, and Steve Toner bumped John Goldman to the elimination bracket 3-1. Rich would continue his winning streak and made his

way to the finals after running away from Steve with all three games. Meanwhile, players were being eliminated one-by-one. The first exits were Jim and Rob, followed by Helen and Tom. Next, Joe was sent away by John G. and Jeff took a loss to John M. John G. would continue his solid play through the loser's bracket, eliminating John M. in the process, but he would finally be stopped by Steve, who would once again play against Rich. Unfortunately Rich Maier made quick work of Steve in the championship match, but Steve became one of two players to even take a game against him. The pool league welcomes all players of any skill to join them for open play on Mondays from 6-9pm and Thursdays from 1-4pm. An 8-ball tournament will be held during the week of July 17 and new competition is certainly welcome!

Children's Fishing Derby

A picture perfect morning at Roamingwood Park gave reeled in eager young fishermen and women to participate in our annual Memorial Day Weekend Children's Fishing Derby. At 9:00 a.m. the shrill of the starting whistle pierced the air, signaling the anglers to cast their lines. After a few minutes of nibbles the first rock bass took the bait and was carried to the scorer's table. This broke the ice and got the train rolling as rock bass, after rock bass, after rock bass, got their fair share of the live bait buffet and were tallied up under their respective captor's number. After a short three hour time span filled with plenty of action, the final whistle sounded. As the

anglers packed up their poles, tournament officials were hard at work gathering results. Winning the 2017 "Most Fish Caught" trophy was Hunter, who reeled in 20 fish. This year's "Shortest Catch" trophy went to Tyler, who brought in a 3" sunny, a whole 1.5" shorter than last year's shortest catch! The final two awards "Heaviest Catch" and "Longest Catch" went as a pair to Zach, who wrestled a 14.5" small mouth bass that weighed in at one pound nine ounces. Not too far behind Zach was DJ, who wrangled a 13.5" and one pound small

mouth. When the dust settled 103 participants managed to reel in a total of 395 fish, using just about six pounds of live bait.

After the awards were presented a raffle was held to give away some cool prizes donated by our awesome sponsors. Kay's Italian Restaurant donated five "Create Your Own Pizza" certificates. Bait-N-Basics threw in a tackle box. Hunter's Gallery gave a pair of fishing rods. New Wave in Recreation continued tradition by providing a pizza party. All of the children that attended received a snack bag with some goodies alongside of appetizer and kid's meal coupons donated by Texas Roadhouse. The Recreation Department would like to thank our sponsors who continue to donate to our yearly event.

Pickleball Against Prostate Cancer Tournament

A wet morning gave way to a beautiful sunny day on June 3 as the community's pickleball addicts gathered at the Main Lodge tennis courts for some fun competition for a good cause. The tournament was brought to life by community members Ken Procopio, a prostate cancer survivor, and Pat Mozzone with support from Rich Guiffredo to raise money for the PA Prostate Cancer Coalition and bring awareness to benefit men's health. Over \$500 was raised by tournament participants through donations and purchase of raffle tickets. Donations were received from many local businesses: Ritter's Farm Market, Weis Markets, Yo Po II, Backdraft, John's Italian Restaurant, Sunshine Cleaners, Lori's Corner Kitchen, Jack Williams, Qwik Mart, Hamlin Distributors. Harry Papazian donated a \$100 gift card and Joe Carolan threw in a pickleball paddle to be raffled. Each participant received a drawstring bag courtesy of Pickleball Central.

After the courts were dried by the immense sunlight, play kicked off in the preliminary rounds. Seven teams battled it out, with the top two teams playing for the championship. There were quite a few close matches and numerous great points played out in the 28 round robin games. While matches were raging, players waiting for their next match were able to keep cool with a variety of beverages courtesy of Madison Refrigeration. When the dust settled, two teams posted a perfect 4-0 record. Spencer Williams and Ron Tortoriello would face off against Laura Rusnak and Andy Wargo for the crown, while K.C. White and Al Marino would play Harry Papazian and Rich Guiffredo for third place and bragging rights.

Spencer and Ron, two of the most decorated Hideout Pickleball Champions, took the court opposite their opponents, Andy and Laura. Things got off to a slow start with neither side willing to give up more than a point at a time. Eventually Ron and Spencer mixed things up with a bit of "stacking" and found a way to break through the fierce team of Laura and Andy, taking game one 11-7. This new strategy continued to pay off for Ron and Spencer as they breezed to an 11-3 game two win to take the title. Both first and second place teams received a prize donated by The Hideout POA and a beautiful trophy, a custom painted ceramic ribbon by Sarah Blanche Brinsfield. The action on court two finally finished up with K.C. and Al finishing in third place. However, this wasn't enough for K.C. and Al as they challenged Andy and Laura to a match to prove who the real second place team is. Post-match reports indicate that Al and K.C. beat them up on the court, and again off the court, running away with the second place trophies.

Tournament organizers would like to thank members of the community that participated in the event, as well as businesses in the community that helped make this event a success in raising awareness for prostate cancer. As the pickleball community grows we hope to make this an annual event... see you all next year!

Sour Name, Sweet Game: Pickleball

That's a funny name... what is pickleball anyway? Pickleball is a court sport best described as a cross between tennis and ping-pong, and it first came to life due to a lack of badminton equipment. Players are equipped with a racquet, either wooden or made of composite materials, and play with a whiffle ball on what can be compared to a mini tennis court. The game is designed for players of all ages and skill levels, making it the perfect family sport. Since its creation pickleball has swept the nation gaining popularity in communities in the southern states, in schools, and in recreational clubs.

There will be Open Play Pickleball every Tuesday and Friday at the Main Lodge Tennis Courts from 12-4 p.m., weather permitting. Veterans and new players are all welcome to join. Paddles are provided by Recreation for those who do not have their own equipment. Stop by on either of those days to get some exercise and learn one of the fastest growing sports in America.

2017 Hideout Camps

The Hideout Tot Camp is an eight-week recreational and educational program for children ages 3 to 6. Camp is conducted June 26 to August 18 from 8:30 a.m. to 1:00 p.m. at the Ski Hill, Mon., Wed., and Fri., and at the Main Lodge Beach every Tues. and Thurs. All children are asked to bring their lunch every day. The staff will provide a beverage and a midmorning snack. If the weather warrants, the camp will occasionally walk to Holiday Park for a picnic.

Camp is divided into two subgroups: 3 & 4-year-olds and 5 & 6-year-olds. The max. number of children is 30, so please sign up early. We also ask that the children wear their bathing suit and bring a towel on Beach Day (Tues. and Thurs.), which includes a swim lesson with a Water Safety Instructor. Dress code for camp is casual so please keep in mind that the children do play outside and use paint and glue, etc.

Weather permitting; each group will have at least one hour of outside physical activity, one hour of structured activity, and plenty of time to discover the world. This schedule allows each subgroup significant time to themselves and more individualized attention while also allowing enough time for whole group activities. Cost per day per child is \$25 per week per child \$100, and full season is \$700-fees are not refundable.

The Hideout Adventure/Kids Kamp, is a recreational program devoted to the social, intellectual, physical and emotional development of children ages 7-13. Those who want to have a fun and an enjoyable summer, sign up today!

Camp runs Mon - Fri for eight weeks from June 26 to August 18 and meets 9:00 a.m. to 1:30 p.m. Camp will meet at the Outdoor Sports Complex every day except Tues. and Thurs., when it will meet at North REC. We ask that you bring a lunch every day. Sneakers are required for camper's every day. On pool day please bring or wear bathing suit, towel, sunscreen, and a lunch. Cost per day per child \$23, per week per child \$90, full season \$600-fees are not refundable. You may register on a daily, weekly, or full season basis. Please be advised that registration fees are not refundable.

Father's Day Tournament

A great Father's Day Miniature Golf Tournament was played! The rain stopped and the sun came out, as did fathers, grandfathers and kids. There were hole-in-one's, trophies, excited children and proud fathers (with moms and grandmothers on the sidelines cheering)!

For the second year in a row, Shawn and Skyler (6) Skokowski, were the winners, with a total score of 88. Congrats to those who had a couple hole-in-ones: Grandpa-John Simon, Brendan Kelly, Sr., Steve, Nick & Lily Fronhoefer, Shawn & Skyler Skokowski.

Many gift certificates and gifts were raffled off. THANK YOU so much to our wonderful sponsors this year: Black Lotus Salon, John's Italian Restaurant, Hideout Food & Beverage, The Hideout Pro Shop, Advance Auto Parts, Countryside Floral, Kay's Italian Restaurant, Sammy O's, Sue's Corner Cuts, Madison Refrigeration, and Harlin's Place!

Sign-up at the Nubia Malkin Art Center in advance. Price \$45.

Introducing Mosaic Camp for Kids! Wed., July 19 and Fri., July 21 from 2-4:00 p.m. For kids ages 7+. This year we are introducing something exciting and new at the Art Center. This two-day camp will focus on mosaics and design. Cost \$40 per child and spots limited. Sign-up at the Art Center for this super fun class!

Art Camp - Mon., July 24 through Fri., July 28, 2-4:00 p.m. This year we will be exploring the Studio Arts in the form of hand-building with clay, painting on canvas board, and once again, designing and making tie-dye T-shirts, to name a few. Camp is geared for ages 7 and up and price for the week is \$60 per child. Sign-ups taken at the Art Center and a registration form must be filled out in advance. Sign-up as soon as possible, spots are limited. **Children's Art Show-Sat., July 29**, for anyone under 18 that lives in the Hideout, with children's art displayed throughout the day followed by a reception and awards at 6:00 p.m. We hope to see you there to show your support!

The Hideout's Adult Art Show (18+) will be held on August 12 and 13 with a Reception from 6-8:00 p.m. on Sat., August 12. Up to 10 items per person may be submitted to the Art Center **BETWEEN AUGUST 1 and 5 ONLY THIS YEAR** and must be labeled with your name and lot number. Last year's Adult Art Show was an overwhelming success and the staff and I look forward to this year's show!

Art-At-The-Beach and Ceramics-On-The-Beach Wed., Fri., and Sat., 2-4:00 p.m. Look for us at the Main Lodge Beach, set up by the pool, for some fun and exciting projects to keep you and your little ones busy this summer. Prices vary.

Story-Explory Time is a chance for you to pull up a carpet square, relax with your child or grandchild, and enjoy an interactive story time, followed by a craft or painting project that explores one or more concepts from the book, while teaching things like fine motor skills and cooperation. Each Saturday at 10:15 a.m., we sing a song about the colors of the rainbow and then explore the pages of a specially picked book or sometimes two! **Story is always FREE** and projects start at just \$2.00. Our book and project list for the month of July is as follows:

7/1 **In my Town** by Richard Scarry. Book tells a story of all the wonderful things that are in my town. After story, let's paint a tile showing the favorite place in "our town!" \$8.00
7/8 **Puss in Boots**. Has a surprising ending from one very smart cat! Let's paint cats to celebrate how smart and clever they can be! Price varies depending on piece chosen.
7/15 **Aliens Love Underpants** by Claire Freedman and Ben Cort. When aliens come to earth, who knew that all they really want are underpants? You won't want to miss the illustrations in this super silly book. Then we will paint some super cute aliens! Prices vary.
7/22 **Please Say Please** by Margery Cuyler. A Penguin's Guide to Manners. Let's learn what manners are and how to be polite in almost any situation. Don't miss this very important story time!

7/29 No Story/Explory Time today. **Come enjoy our Children's Art Show on display from Noon-5:00 p.m. A Reception and Awards Ceremony will be held at 6:00 p.m.**

Artist Of The Month

The Hideout would like to congratulate **Michael Seiden** for being chosen as The Hideout's July Artist-of-the Month. Dr. Seiden will be displaying his photographs' at the Nubia Malkin Art Center throughout the month of July so be sure to stop by to view his collection and sign his register book while you're here! His Artist's Statement is as follows: As a student at Columbia University, in the summer of 1973, I had the opportunity to "bum" across the United States, Canada and Mexico with my good buddy Steve in his little Fiat sports car. I knew little of the world outside Brooklyn where I grew up. To me at that time, nature was limited to the trees erupting through the concrete streets of Bensonhurst. The world was different then. Gas was 30 cents a gallon, no cellphones, no GPS and no digital cameras. Armed with a Yashica camera that an uncle gave me, Steve and I, inspired by the Simon and Garfunkel song America, took off on our own journey, to "Look for America."

I had never taken a photo before, but the magnificent beauty of our country forced me to try and at least capture some memories of the wonders I saw.

A professional career and family put the marriage of photography and nature on the back burner for about 30 years, until I bought my first digital camera. I never studied photography in any kind of formal way, but the same love of nature that inspired me in my youth, forced me to learn by myself, on the fly, when I started traveling the world with my wife, Lili. I felt compelled to capture the beauties of the world to relive the memories of my experiences and to share with others. The experiences and photos were their own reward, but I was fortunate enough to share them with others, at an exhibition in Chelsea, in NYC, at the Margaret Thatcher Gallery. I also had one of my photos exhibited at the United Nations Convention of Climate Change, in 2014, in Lima, Peru, attended by 197 countries. That photo was the cover photo of a United Nations report that came out of that conference.

The photos that you see are taken from some of the most beautiful places in the world, ranging from its southern reaches of Tierra Del Fuego (South America), and the Cape of Good Hope (Africa), way up to 400 miles north of the Arctic Circle. Included are numerous stops in between, in the Amazon, Africa, Asia, the Middle East, Iceland, Europe, South and Central Americas, and of course the United States.

HIDDEN FROM SIGHT

We can't see it
Still we know it's there
The air we breath
The reason we sneeze
The moon
The stars
Clouded in the dark
The sap in trees
Covered in bark
What lies beneath
What is beyond
Why won't it show its face
We stand in place
With heart in hand
Filled with mysteries
Will we ever see what lies beneath
Or view what is above
What challenges must be fought
What golden rings must be caught
Is it all for naught
For their it stands within our grasp
At last we see it clear
That ever-hidden image
That tells us now beware.

Synopsis of Salem Township Minutes - May 9, 2017

The regular monthly meeting of the Salem Township Board of Supervisors was held on May 9, 2017. The meeting was called to order by the Chairman at 6:30PM with all members present. The Pledge of Allegiance was then recited.

The minutes of the April 11, 2017

meeting were approved as presented with no comments or corrections on a motion made by Dennis Chapman, 2nd by Robert Wittenbrader with all in favor. Planning Commission meeting minutes were read.

Sub-divisions: The Shaffer family sub-division was reviewed and SEO Gary Enslin noted sewage planning required. Gary Enslin spoke with Mr. Hennings who was the surveyor and representing. Mr. Hennings asked for continuance of time for this subdivision. Merel Swingle moved to approve the request for time extension for review and possible change, 2nd by Robert Wittenbrader, with all in favor.

Lacawac Sanctuary, sub-division lot consolidation was also tabled at the request of Mr. Schoenagel surveyor due to comments from County that needed to be updated. Dennis Chapman moved to approve the request for Table and 2nd by Robert Wittenbrader with all in favor.

New Business: Equipment purchase. The Township is in the process of looking into the purchase of a new truck through the CoStars program. This program does not require bidding procedures for purchasing. Question to the type of truck the township was looking at - noted a Freightliner.

Old Business: Road Projects for 2017 were discussed. Paving Chapman Road, Stanet Road, Everly Road. Seal Coat and chip the Savitz Road, and over the Stanet Road. Motion to advertise Paving Project and Seal Coat project for bid opening at the June 13, 2017 meeting made by Merel Swingle with reserving the right to accept or reject and one or all roads and or accept or reject and one or all bids, 2nd by Robert Wittenbrader with all in favor. Neville trailer park. Attorney Treat noted he was in attendance at a meeting with Ms. Neville, her Attorney and DEP in Wilkes-Barre. They will be getting an Engineer to pursue the requirements. Attorney Treat noted Township court proceedings against Ms. Neville scheduled for May 17 at 9am at the Wayne County Courthouse for contempt and failure to comply with directive. It

was requested that the Secretary contact Louise Montalovan, Tom and Linda Neville to advice of the upcoming court date if they wish to attend. Motion to contact was made by Merel Swingle, 2nd by Dennis Chapman with all in favor. Attorney Treat noted that the Wallenpaupack Watershed would be also attending, they had believed it was completed before this.

Park use policy. Park facilities intended for public use no accessories or additional items to be added or brought to the park without special permission. Motion to note these restrictions made by Merel Swingle, 2nd by Dennis Chapman with all in favor.

Attorney Update: Draft ordinance for Fire Company accident billing has been completed and will have at next Township meeting for review.

Correspondence: NIMS training being held in Lackawanna County. Bills were reviewed and a motion to approve and pay as presented with no comments or corrections was made by Robert Wittenbrader, 2nd by Dennis Chapman with all in favor.

Public time: Ed Jones questioned the guard rail out front. Township unsure of whom or what exactly happened. Asked about the Street lights and noted that the driveway is being widened and lights will be installed. Also it was noted the new flagpole is being installed for the Veterans out front by the sign. Adam Petrosky questioned the Board as to the complaints of the 4 wheelers running and now they have begun to play music loudly. The Supervisors noted they understand the dispute between neighbors and the 4-wheelers unsure if it breaks the noise ordinance, but difficulty measuring the noise due to timing and availability of Ordinance officer. Don Janusewski went over his meeting with Engineering firm Milnes last week he provided a map to them. He further noted that Damns and Waterways will obtain a copy of his 2013 application that was denied, due to much water running. He will be reviewing the information with NEPA Alliance, noting that Damns and waterways will be communicating.

With no other comments or questions, a motion to adjourn was made by Merel Swingle, 2nd by Robert Wittenbrader, with all in favor. Meeting adjourned at 7PM. Respectfully submitted, Jennifer Wargo

From The Pro Shop

The Camp Cadet Tournament was held on Sunday, June 10. We had a sellout. The event was well received and a fun time was had by all. The next golf tournament was the North South Memorial held on June 24t with a smaller but enthusiastic turnout. The weather cooperated and again a fun time was had by all.

The next Tournament is the HDA to be held on July 15. It is open to both members and guests. \$55.00 for golf pass holders, \$65.00 for members and \$75.00 for guests. Breakfast, 18 holes of golf with cart. Hot dogs on the turn with liquid refreshments on the course and a luncheon to follow. This is a two person captain and mate event with proceeds going to the North East Regional Cancer Institute. Contact the Pro Shop to register.

The Tuesday Morning Men's League is in full swing. The first two weeks were rained out, but the weather is now cooperating. The Monday Morning Ladies league (HWGA) started on June 5 and runs through early September. There are still openings for players. The Thursday Morning Adult Social Group (HASG) also started on June 1 and runs until Labor Day. Remember, all skill levels are welcome and a fun time is had by all. Contact the Pro Shop for further information.

The Pro Shop carries a nice assortment of clubs, balls, gloves and golf apparel. Our prices are competitive with other golf outlets. We invite you to come in and look around. Remember you must check in with the Pro Shop before proceeding on the golf course.

May 19, 2017 Golf Committee Draft Minutes

Committee members present: Jim Lagrosa, Fred Held, Vito Montone, Larry Lutz, Barbara White. **Guests:** Don Mundrake-Assistant Golf Course Superintendent, Al Lutz-Pro Shop Manager, Fred Sakacs, Board Liaison, Emil Boss, Jerry Restaino-Board Candidate.

Meeting called to order by Chairperson Larry Lutz at 9:00 A.M. Ken Procopio is away, Bruce Cameron is no longer a member of the committee, Stan Weckstein had surgery and may not return. Mike Kline is recovering from an illness. Jerry Restaino presented his background and reasons for running for the Board.

Motion made by Barbara White to accept the September 19, 2016 meeting minutes. Seconded by Vito Montone.

Reports:

Treasurer- Barbara White: Opening balance unchanged from 2016. Deposited checks for 40 handicaps. Total handicaps for last year were 147. The Treasurer's Report was accepted as read. A copy is on file.

Pro Shop- Al Lutz: Thursday Men's League completed third week. There are 40 golfers in two divisions. Tuesday Men's League scheduled to start May 30. Ladies League scheduled to start in June. Adult Social Group scheduled to start June 1 with 50 golfers. Tournaments delayed or cancelled due to weather. Early Bird has 60 golfers scheduled for Saturday, May 27. June 10 Camp Cadet is sold out. Western Wayne golf coach contacted Larry Lutz to determine if team members could practice here instead of Red Maples. Al Lutz will contact the coach.

Unfinished Business:

Update on 6th hole Red tee box – Don Mundrake: Due to Mike's illness and existing staff, tee work is temporarily on hold.

Tree trimming update: Tree work is proceeding on hole 7 left side. Other trees are under consideration. Also working on hole 7 ditch repair.

Driving range mats update: Two mats purchased last year simulate hitting off grass and are working out fine. Golfers can use their own tees in mats. Additional mats not needed at this time.

Shade for practice area: Don Mundrake suggested installing a roof over the practice area. A proposal is needed for the Budget Committee. Bids to be obtained from local contractors. Larry Lutz, Jim Lagrosa and Vito Montone formed a committee to follow up.

Follow up on communication on 5th and 6th holes: Al Lutz will contact Joe Kozuch to install a repeater.

New Business:

Expand Gold tee box on hole #3: Construction to be planned after 6 hole red tee box work completed.

Review Handicap Flag rules: Existing rule will be maintained. No red flags will be issued when course conditions require cart path only play.

Netting for practice area: Currently on hold.

Laser reflectors on flag sticks: Lasers can provide exact distance to flag poles fitted with prisms. Since most people have rangefinders there would be no need to add prisms on flag poles.

Plants: New plants and/or oriental grass will be obtained from another company to replace dead grasses. Don Mundrake will discuss with Mike Kline.

Golf Course attire: Jim Lagrosa raised concern on the wearing of jeans on course. Jim will provide a proposal for the next meeting.

Vito Montone made a motion to adjourn. Seconded by Barbara White. Meeting adjourned at 10:19 A.M. **Next meeting:** June 9, at 9:00 A.M.

Respectfully submitted, Fred Held – Golf Committee Secretary

From The Rough

A golf tip from Larry Lutz, Hideout Golf Teaching Pro

A couple of small changes to how you tee up your ball for your driver can have a big impact on how far and straight you hit your drive. Here are two tips to help ensure you are setting up for success.

1. **Tee the ball up to its equator.** Set your driver on the turf and push your tee in until half the ball is above the head (crown) and half is below.
2. **Line up the ball with your front foot.** Your driver is designed to be hit on the up-swing. Move the ball up in your stance so it is lined up with the in-step of your front foot. This will make it easier to hit on the up-swing without making any changes to your swing.

I hope you find this tip helpful, but most of all, remember your good shots, learn from the bad ones, and have fun.

Roamingwood Sewer and Water Association**Indoor & Outdoor Water Conservation Tips for the Summer Season****INDOOR WATER LEAKS**

A leaking pipe or fixture within your home will increase the water usage as measured by your water meter. If you receive a high water bill or notice an increase in usage, we suggest you look at your faucets and toilets to see if a small leak is present. A large amount of water can flow through the meter due to a leaky faucet or toilet.

To check for leaks, look at the red triangle on your water meter at a time when you are not running water. If the dial is spinning slowly, there is most likely a small leak. Toilets can be checked for leaks by placing a few drops of food coloring into the water hold tank and seeing if any color seeps into the toilet bowl. You should also try to shut off the water supply to the toilet and see if the red triangle on the water meter stops spinning. If you will be away from the home for a while, note the reading on your water meter before you leave, then check it again when you return to see if the reading has changed. Fixing these leaks will save both water and money.

Waste per quarter at 60 psi water pressure

	Diameter of stream	Gallons	Cubic Feet
Water costs money...			
	1/4"	1,181,500	158,000
	3/16"	666,000	89,031
<i>A dripping faucet or fixture can waste 3 gallons a day... a total of 1085 gallons a year.</i>	1/8"	296,000	39,400
	1/16"	74,000	9,850
	↑ A continuous leak from a hole this size would, over a three month period, waste water in the amounts shown above.		

SAVE WATER INDOORS**Toilets**

If your toilet is not a low-flow model, you can install a water-saving displacement device in the tank to reduce the amount of water needed to flush. Flush only when necessary.

Washing Clothes

Match your washer's water level to your load size. Repair any leaks from faucets, hose connections, or pipes. Look for water-efficient models when purchasing a new machine.

Showers and Sinks

Try a faucet aerator on your sink to reduce water while maintaining flow. Take shallow baths. Keep showers short and use a low flow showerhead. A flow restrictor lets you maintain the faucet setting and shut off water at the showerhead while soaping or shampooing.

Doing Dishes

When you wash dishes by hand, use basins rather than running water. Soak pots and pans before washing. If you use a dishwasher, run only full loads and avoid extra cycles.

Preparing Food

Thaw frozen food in your refrigerator. Wash food in a basin, not under the tap.

OUTDOOR WATER LEAKS

The water service line to your home may develop a leak, and this will not show up as usage on your meter. Underground leaks do not always show up as a stream of flowing water on the surface. If you notice a puddle that doesn't go away in dry weather or an area that has become soft and squishy compared to the surrounding area, then that could indicate a leak in the water service line.

An underground water leak can cause significant damage to your home and property if it is not addressed and wasting water ends up costing all of us in the end, so please contact us immediately if you suspect a leak is present.

While a large water main break can sometime be very obvious, water leaks are not always that easy to find. Water leaking in a toilet, in a yard, or under a street may go undetected for a long time and waste a vast amount of water. Our personnel search for suspected leaks, but sometimes they notice signs of a water leak while doing other tasks or even just driving to work. By following the tips below, you can help find leaks yourself, which can save you money, prevent damage to your property, and help conserve our vital drinking water.

SAVE WATER OUTDOORS**Driveways, Sidewalks, and Walkways**

Instead of the hose, use a broom or leaf blower to remove dead leaves and other debris.

Hoses and Faucets

Repair all leaks and install a water-saving shutoff nozzle that can be adjusted to fit the task at hand.

Landscaping

Minimize lawn space and plant drought-tolerant natives.

Your Vehicle

Wash your vehicle at a car wash so the water can be properly recycled. The help and cooperation of every resident is critical to preserving the Hideout water supply. RS&W sincerely appreciates your conservation efforts through this critical time. Thank you!

Help Protect Water Quality

Many of our water supplies are threatened by contaminants. Here's how you can help protect the quality of your supply:

Around the House

Look for nontoxic alternatives for household products, and properly use and store all toxic products, including cleaners, solvents, and paints. Take unwanted pharmaceuticals and household hazardous materials to a local collection site for disposal.

In the Garden

Switch from garden chemicals to nontoxic alternatives. Use chemicals carefully and sparingly in accordance with labels and dispose of them at a collection center. Use a broom or rake rather than a hose to clean up garden clippings.

Your Vehicles

Take used motor oil and antifreeze to a proper collection center. Have your vehicle inspected and maintained regularly to reduce leakage of oil, antifreeze, and other fluids. Wash your car at a car wash so the water can be properly recycled.

In the Kitchen

Compost food waste when possible. Putting food waste, oils, and grease down the drain burdens wastewater treatment plants and affects aquatic life and water quality downstream. Please help us protect this vital resource!

STATE CAPITAL VISIT

On June 14th 2017, various members of our Roamingwood Board went on an enjoyable road trip with Senator Lisa Baker to visit the State Capital. The Senator has been a continuous champion for us in securing the necessary funding for our sewer & water replacement project.

REMEMBER WHEN

Who remembers these three initials . . . ABH!

Who remembers the slogan . . .

ABH truly is the Heart of the Community.

The Association For A Better Hideout (ABH) was formed in 1988 and had a small group of members. The objective of ABH was to establish and develop a community awareness of all policies, functions, and activities that affect the Hideout. It provided a forum for all residents to channel their suggestions and complaints to be sent to the Board of Directors with the backing of the ABH rather than an individual. Back in the 1990's Hideout Board of Director meetings were not open to the membership, but thanks to the ABH those meetings were now well attended. Their voices were being heard, but little did they know how much their organization would benefit the Hideout in so many other ways.

Left to right: Virginia Sabia, Jerry Peet, and Betty Sullivan

ABH meetings were held once a month and guests were often brought in to inform the members on various topics such as: Estate Planning, Long Term Care, the Probate Process, Senior Housing, Lifeline (a personal response and support service), Medical Alert Dogs, to name just a few. ABH also realized that they had to get local politicians involved with the Hideout community, to listen to their concerns, so politicians were invited to speak and listen. During one of these meetings, Mr. Jerry Peet, an emergency response coordinator, member of Hamlin Fire & Rescue, and founder of the Hideout Emergency Response Team, who was invited by the ABH to speak, pointed out the need for life-saving equipment and training to service the Hideout membership and the surrounding area. He noticed that there was a major lapse in time between the time of the emergency call and arrival of personnel on the scene, and that something had to be done.

Betty Sullivan, Virginia Sabia, and all of ABH started the process of raising funds to help Hamlin Ambulance get a defibrillator. Members could be found everywhere in the Hideout spreading the message. It took a year, but they raised enough money (over \$10,000) to purchase a defibrillator for Hamlin Fire & Rescue and two small AED's for the Hideout's Public Safety Department. The purpose of the donations was to get the lifesaving help of a defibrillator to heart patients in The Hideout and surrounding areas quickly. Also donated was a simulator for Hamlin Ambulance personnel and training equipment for use at the Hideout. ABH also secured a doctor, Dr. George, from Wayne Memorial Hospital to be the Doctor on record for all the defibrillators, and he also trained and monitored the program. Also purchased were beepers, jumpsuits, and bags for our Public Safety Officers and also a third defibrillator.

The Hideout, because of ABH was the first community to ever have EMT's, defibrillators, and small AED's. In 1997, a Hideout resident was the first person whose life was saved. Lake Wallenpaupack followed our example and started their own Emergency Response Team. ABH President Betty Sullivan and Vice President Don Snyder traveled to a community in North Carolina and helped them organize a similar group. Virginia Sabia who was on the Hideout Budget Committee established a line item for the EMT's in the Hideout budget, so that there would always be funds for the Emergency Response Team and to help keep their equipment up-to-date. ABH was so successful that at their 13-year anniversary in 2001, they were 110 members strong. Betty Sullivan was the only president that served ABH, and Ed Roessler, Don Snyder, and Tony Sabia served as Vice Presidents. In 2005, after 18 years of service to the Hideout, the group dissolved. They had accomplished all that they had set out to do, and most importantly they cared for their Hideout neighbors and surrounding community.

ABH CARE

ABH Care was part of the Association for a Better Hideout and was formed in 1992 by Gordon DuBuque. Gordon, who was legally blind, came to the ABH to request that they form a care unit to help people by offering volunteer assistance to their fellow neighbors in cases of emergencies. There were 95+ volunteers who volunteered to go out on emergency calls, pick up residents from the hospital, to see a doctor or pick up a prescription, and other assorted emergency errands, and our volunteers did this with no compensation whatsoever. There was also a health equipment closet on site in the Hideout to provide at no cost, needed medical equipment such as hospital beds, wheelchairs, crutches, etc. when needed. Have you noticed the Wayne County Transportation vans in the Hideout? Thanks to ABH Care and Betty Sullivan's participation with the Area of Aging for getting this much needed service for our Hideout residents. ABH Care also received the Human Services Award from the Pocono Northeast Community Awards Program in 1993. ABH Care brought a sense of community to the Hideout since its beginning. Neighbors helping neighbors!

If anyone is interested in finding out more about the history of ABH or starting their own organization similar to what the Hideout has please call Betty Sullivan at (570) 698-0905.

31st Annual Jack Chapman Memorial Tournament

After several rainy weekends, the skies finally brightened and the sun shone down warmly for the 31st Annual Jack Chapman Memorial Mixed Doubles Tennis Tournament and its participants held on May 27 and 28.

The sun shone brightly on the husband-wife team of Scott and Christine Wiss as they rolled to a 6-2, 6-2 win over the game team of Ray and Kristen Victory. Even though the match was two sets long, each game was fiercely contested with many of them going to numerous deuces. It was a critical volley or overhead that turned those games into the win column for the Wiss team. The match was definitely hard fought and could warrant a future re-match.

Both winners and runners-up were awarded with certificates by the Recreation Department.

Important Information You Should Know

THE SPEED LIMIT IN THE HIDEOUT IS

25 MPH

In the designated Safety Zones fines are doubled. Please watch for our pedestrians. We have many children and adults that will be out riding bicycles and walking dogs. Please observe all signs and association rules for the safety of our members.

ATTENTION MEMBERS

When your guests come to visit, please make sure that they know your lot number when registering at the gate. This will expedite entrance into the community.

HAVE GUESTS COMING TO THE HIDEOUT FOR A VISIT?

You can register your guest online or using your mobile device including Apple, Android and Blackberry. To register please visit the Hideout website <http://www.hideoutassoc.com> and click on "On-line Guest Registration" to fill out the form. Once signed up, you will receive an email with directions.

LAKEVIEW AND WOODPOINT COURT

A dangerous condition arises on busy weekends from vehicles parking on the side of the road on Lakeview and Woodpoint Court. Vehicles parked on the side of the road in this location impede traffic and could possibly block access to the area by emergency vehicles. Due to this condition the Board has passed a motion deeming Lakeview and Woodpoint Court "Emergency Access Roads."

No parking will be permitted on the side of the road in this area. The Public Safety Department will aggressively enforce this rule. Anyone who parks in this location will be subject to a \$125.00 fine and a \$250.00 fine for repeated offenses.

AMENITY BADGES

All Hideout Members must have a current Amenity Badge on their person in order to use any of the Hideout's Amenities. Guests must also show their guest badges at all times. There are no exceptions to this rule!!!

SOCIAL MEMBERSHIP CARDS

All members and their guests must have their Amenity Badges at all times throughout the community. In order to use our food & beverage licensed facilities, you must either be with a member or have the member purchase a social membership card for you. Social Membership cards are available at the Clubhouse.

HIDEOUT SINGLES OVER SIXTY

This Hideout group is for part timers and full timers. Some members are snow birds and some are not, and some are men and some are women. But, the one thing everyone has in common, is that they want to make new friends and have fun.

The group meets for dinner every Monday at 5:00 p.m. at the Clubhouse. It is more of a meet-up group where people can exchange e-mail addresses, phone numbers, plan dinners, card games or trips. Some may decide to share a table or two at a dinner or dance being held at the Main Lodge because they may not feel comfortable going alone. So, if you would like to meet, join them for dinner on Monday night.

HIDEOUT ADULT SOCIAL GROUP

The HASG was formed in 1980 to provide an opportunity for Hideout members, including renters, age 40 and over, to meet with and socialize with other members of our community. If you enjoy meeting new friends, socializing with old friends and like to party, then the H.A.S.G. is for you. Typical events include dinner dances, picnics, luaus, a "social" golf league, local outings, travel and anything else you can think of that involves socializing, dining and just generally having a great time with wonderful friends new and old.

The HASG meets the second Thursday of each month (except December) at 1:00 p.m. at the Lodge. Refreshments are always served. All interested Hideout members are welcome to attend our meetings. Let us know you're coming and a member of our Welcoming Committee will greet you. For more information please contact Katie Lane (570) 698-5499, nankt@aol.com.

VOICE OF THE PEOPLE

We are a social group for members of all ages. We gather on a monthly basis, or more often if required by you, to talk about issues that are important to all of us in the Hideout. Let your voice be heard and join us. We will welcome your input. Contact: thehideoutvop@gmail.com

GOOD NEIGHBORS CLUB

The Hideout Adult Social Group (HASG) is expanding our recently-formed Good Neighbors Club. We are pleased to coordinate the following Good Neighbors Club services to all members of the Hideout Community:

- Many of us own wheelchairs, walkers and other medical equipment that we are not currently using. Others are in need of some of this equipment for a period of time. The HASG is compiling a list of such equipment. The intent is to have a central contact point where those in need can inquire about who may have the equipment they need and be willing to loan it to a fellow Hideout member. If you possess such equipment and are willing to help out by lending it to a Hideout neighbor, or if you are in need of same, please contact Louise Brevet, Chairperson at (570) 698-5102, or Judy Restaino, Co-Chair at (570) 698-9840.
- A number of us have survived major illnesses: cancer, heart attacks, strokes, etc. If you are a survivor of a life-threatening illness and are willing to talk, one on one, with others currently going through a similar situation, or if you are fighting such a situation and would like an opportunity to talk to someone who has "been there done that" please contact Louise Brevet, Chairperson at (570) 698-5102, or Judy Restaino, Co-Chair at (570) 698-9840. Confidentiality will be observed.
- Many of our neighbors live alone. If you are by yourself and would like a daily phone call from a fellow community member, or if you would like the opportunity to brighten someone's day with a friendly "hello, how are you today?" then again please contact Louise Brevet, Chairperson at (570) 698-5102, or Judy Restaino, Co-Chair, at (570) 698-9840.

The HASG believes in neighbors helping neighbors. Although the Good Neighbor Club is a function of the Hideout Adult Social Group we are pleased to offer these services to ALL Hideout residents.

ENVIRONMENTAL REMINDERS

RECYCLING

Recycling is open
Monday - Sunday 24/7

The Maintenance Department accepts Bulk Items Monday - Friday at the Maintenance Shop between 11:30 a.m. - 12 noon, Saturday morning by appointment only, (570) 698-4100, ext. 133. (fees apply)

No electronics accepted, i.e., computers, televisions, refrigerators, air conditioners, dehumidifiers, etc. Also not accepted are tires, paints, thinners, oils, etc.

COMMINGLED RECYCLING

Single stream (also known as "fully commingled" or "single-sort") recycling refers to a system in which all paper fibers, plastics, metals, and other containers are mixed in a collection truck, instead of being sorted by the depositor into separate commodities (newspaper, paperboard, Corrugated fiberboard, plastic, glass, etc.) and handled separately throughout the collection process. In single stream, both the collection and processing systems are designed to handle this fully commingled mixture of recyclables, with materials being separated for reuse at a materials recovery facility.

TREES

What To Do If A Tree Is About To Fall From One Lot To Another?

Even though the Hideout has an easement between properties, this matter is strictly between the parties involved. This includes limbs, branches and trees. If you have this situation, notify the property owner whose property presents the hazard.

The Hideout does not provide information relative to the Membership. You should call the Wayne County Tax Assessment Office at (570) 253-5970 or the internet at taxassessment.officewaynecountypennsylvania.com. You should also contact your insurance company. Another resource is the internet for the purpose of researching Pennsylvania Real Estate Law on the subject. Again, this is a civil matter between the parties involved and cannot be resolved by the Hideout.

Note: In the event that the tree is on Hideout Common Property, the Land & Environmental Planning Manager should be notified so that the appropriate action can be taken to remove the hazard.

PROPANE TANKS

Safety Guidelines For Propane Tanks:
Homeowners who decide to install a propane tank on their property need to be aware of the new guidelines for such. A Propane Permit is needed. The National

Fire Protection Agency (NFPA) has established a set of rules that govern the requirements for the clearance around propane tanks in the NFPA 58 Liquefied Petroleum Gas Code. Size of the clearance radius will depend on type of installation and the size of the tank.

Vertical Tanks – The requirements for the clearance around vertical propane tanks under 125 gallons depends on the location of ignition sources, venting windows and doors. The tank itself may be placed against the house or building, but it has to be at least ten (10) feet from an ignition source such as a water heater and three (3) feet from a venting window or door.

Horizontal Tanks – Horizontal tanks, also referred to as vessels, come in three main sizes: 330, 550 and 1,000 gallons. The size of the vessel normally depends on the propane requirements and the size of the structure using the fuel. The requirements for the clearance around the 330 and the 550 gallon propane tanks are at least ten (10) feet from the structure. Ten (10) feet from the property line and ten (10) feet from any ignition source. The 1,000 gallon propane tank requires at least twenty five (25) feet of clearance from the structure, the property line and any ignition sources.

Also, be aware that according to our Protective Covenants and ECC Manual, every fuel storage tank on any lot shall be either buried below ground or screened to the satisfaction of the Committee.

APPROVED 2016-2017 FEE SCHEDULE FOR PERMITS

Non-FEE Permits:

Painting – Staining (match to color chart)
Re-Roofing
Siding (vinyl, wood)

FEE based Permits:

Additions	\$ 100
Deck (Replacement) (New \$ 75)	\$ 50
Dock / Bulkhead	\$ 60
Driveway (pave, repave)	\$ 50
Excavation / Demolition	\$ 40
Fuel Storage Tanks (Propane, Oil)	\$ 20
Garage – attached	\$ 100
Garage – detached	\$ 100
Gazebo	\$ 45
Generator	\$ 20
Landscape (major)	\$ 40
New Home	\$ 600
Parking Pad	\$ 45
Pet Enclosure or Electronic Fence	\$ 10
Porch / Sunroom	\$ 100

* New Home Tree Removal Deposit
\$3,000 Refundable

Please remember that if you apply for a permit, it is not automatically given. There is a process, which could take up to two (2) weeks.

The ECC has to review the application and then a permit is approved or denied. If you have been denied, the Hideout will send you a letter with the reason(s) why it was not approved. You can then make the corrections and it will be reviewed again at the next meeting. Also, remember that nearly everything you do outside of your home requires a permit. Please call Francine Spinelli, at (570) 698-4100, ext. 102 if you have any questions. Thank you.

Please pick up your permits at the POA Office. When your project is complete, sign and return your permit to the POA.

MEMBERS AND CONTRACTORS

Among the items that the Environmental Control Committee will look for when going over your application is an "As Built" survey. There are several reasons for this:

- To be sure of the placement of any structures on your property.
- To be sure of setback lines.

When turning in an application for any of the below permits, you must have an "as built" survey. • Garages (both detached and attached) • Decks • Driveways • Sheds • Additions • Dock/Bulkhead • Gazebo, Patio, Sunroom • Major Landscaping. This survey will be marked as "existing" not proposed. If you have any questions, please call Fran at (570) 698-4100, ext. 102. In some cases we might have a copy of the survey in our files. Please understand that this might not be an "as built" survey.

HIDEOUT PET REGULATIONS

as defined in the Consolidated Rules and Regulations. **Paragraph #8**, Page 7 states pets will not be allowed to enter any facility controlled or owned by the Association. (Exception Guide Dogs).

Paragraph #9, Page 8 states pets must be licensed, inoculated, leashed and kept under the owners control at all times.

Paragraph #20, Page 8 states it is the responsibility of the owner of the pet to clean up and remove animal excrement of their pet.

Dogs are only allowed at the Dog Park and on the Walking Trail and must be registered with the POA. Please note, roads are not considered an amenity.

All Pet complaints are processed via the Hideout North Gate Control Center. The owner may be subjected to fines and or sanctions depending on the violation. In addition, the Wayne County Dog Warden has jurisdiction and will respond to animal complaints and take the appropriate action as deemed necessary. Pet regulations are in place for the protection of residents and guests and the ultimate goal is to seek voluntary compliance on the part of the membership.

HIDEOUT DOG PARK REGISTRATION

Bring proof of Rabies and Distemper Shots from your Veterinarian to the Registration Department at the POA. Vet forms must indicate that males are neutered. You will be asked to complete a Hideout Pet Registration Form. The Dog Park Registration section of the form is optional for members wishing to join the Dog Park. Registration will file copies of your documents, collect the \$15 annual fee and issue a Dog Collar Tag authorizing membership and admission to the Dog Park. Your pets must be registered even if you are not applying for Dog Park membership-however, there is no fee unless you are joining the Dog Park. The Dog Park Tag must be affixed to your dog's collar prior to entry to the Park. Note that a current amenity badge must also be carried in the Park at all times.

Dog Park Regulations - You must pick up after your dog. Owners ignoring this rule will be asked to leave and be denied future entry. Mutt mitts for waste disposal pick-up are available. Used Mitts must be placed in Trash containers. Aggressive dogs are not allowed and must be removed immediately. Each car must display a current Hideout Membership/visitor sticker on their vehicle. Each dog must display a Collar Tag issued by the Dog Park Committee indicating Veterinary Certification that each male dog is neutered and has a current immunization for: Rabies and Distemper. Female dogs in heat are not allowed in Park. Children under age of 12 may attend only under supervision of an adult and adult must be supervising the dog. Members may supervise no more than two dogs per adult. Hours of operation are posted. The Park is self policing and dog owners using Park enforce these rules. Small dogs are free to use the Small Dog Area & all areas of the Park. Large dogs must be kept out of the Small Dog Area.

WILDLIFE

ATTENTION MEMBERS

In support of our community's wildlife management efforts and to reduce the need for future culls, that the feeding of any wildlife (with the exception of birds) within The Hideout is prohibited and is subject to an initial Citation and Fine in the amount of \$1,000.00.

Anyone who chooses to feed birds can do so only if they use a bird feeder(s) unit that is kept at a minimum height of eight (8) feet above ground level, if not they will also be subject to a Citation and a \$1,000.00 fine. Motion Made by Rich Straczynski, Seconded by Fred Sakacs Vote was taken-results 7 Yes, 0 No-PASSED NOTE 1) Any additional violation(s) will be subject to a hearing by the Disciplinary Committee to determine any additional penalties.

NOTE 2) Revenues from initial fines and any additional penalties will be used to offset wildlife management expenses in the Land and Environmental Planning Department.

2017 Memorial Day Ceremony

Our annual Memorial Day Tribute to honor the fallen Veterans had to be moved to the Main Lodge due to the rain on May 29. With little notice the staff did a great job of setting up and had coffee & tea ready for us.

We would like to thank the many who braved the weather to attend, and to the honored guests from the American Legion. Special thanks to Mr. Tim French, the 15th Deputy District Commander of the American Legion, who held the members of the audience spellbound as he spoke about the Remembrance and the importance of this time in history, and how we honor those who made the supreme sacrifice. We thank the Commander for the beautiful presentation, and we thank everyone in the Hideout who attended.

Help a Hero Fund reaches \$25,000 milestone

Picture (L to R) are Bill Wagner, Charlie Lawlor, Rhett Mattox (Ledgedale FD) and Bob Wiegand, as the Hideout Help a Hero Fund made a donation to offset FF. Mattox's medical expenses. With this presentation, it brings the Help a Hero Fund to over \$25,000 in donations since the fund began in 2006.

Thanks to all, who made it possible with their donations and for their continued support.

Line Dance Reunion

Kicking off Memorial Day weekend the line dancers had a reunion at the RSC. Everyone brought fruits, cheeses and beverages to share. The Recreation Department arranged a spot for food and reserved the studio for dancing.

And dance they did! A total of 16 ladies returned

for the day. Bette O'Brien and Audrey Straczynski (pictured on left had bright colored neck scarves for long time dancers. Lots of fun and catching up on news took place.

Thanks ladies, it was grand!

The Hideout Adult Social Group (HASG)

held its semi annual trip to Woodloch Pines on Tuesday, May 23. We had a great evening that consisted of good company, very good food and some very funny entertainment. (The weather also cooperated.)

Hideout Quilters Donate to Lake Ariel Fire Department

Photo by: C. Richard Furst

Pictured from the left: Agnes Furst; Fran Molloy, Al Rae, President and Assistant Chief; Ed "Sparky" Sparkowski, Chaplain and Irene O'Brien.

The occasion was the Hideout Quilters donation to the Lake Ariel Fire Department of their hand made treasures.

The Quilters would like to thank all who supported their recent semi-annual quilt sale. The Quilters receive no outside donations and rely on the proceeds from the sale to purchase the supplies needed to make the many donations to the local hospitals and nursing homes.

Aries 3/21 - 4/19: Mid-month fatigue could be a factor in a night driving trip. Although you always welcome a new adventure, be ready to take a safety break.

Taurus 4/20 - 5/20: Fluff up that pillow and sink into a comfy chair. This month is a breeze for most bulls, with some rainy days that shouldn't pose much of a challenge.

Gemini 5/21 - 6/20: A summer cold could slow you down somewhat in the beginning of the month. Renew your commitment to health and exercise.

Cancer 6/21 - 7/22: The stars move in an unconventional alignment. Think opposite not just different!

Leo 7/23 - 8/22: As the moon moves to full glory on the 8th, look for new ideas to populate your thinking. Be critical. If it doesn't work, let it go.

Virgo 8/23 - 9/22: Your exacting nature is just the ticket this month. Review financials and put some plans in motion.

Libra 9/23 - 10/21: You'll be somewhat tried by a loved one's sudden change of fortune. Libra always pitches in for family. But, beware, complicated solutions.

Scorpio 10/22 - 11/21: The stars say double check the details this month as the planets move into favorable alignments for an interview or presentation.

Sagittarius 11/22 - 12/21: If you are feeling blah before the full moon on the 8th, art can perk you up. Visit a show or contemplate sculpture for inspiration.

Capricorn 12/22 - 1/19: Time to address a nagging problem with your usual business-like attitude. Solve it and get it off your mind.

Aquarius 1/20 - 2/18: Don't give in to a negative outlook as the moon enters its last quarter on July 15. A few roadblocks at the beginning of the month make projects or people seem difficult. Stay positive.

Pisces 2/19 - 3/20: You get good news this month that can possibly change your near-term plans.

GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

Even Exchange by Donna Pettman

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.

Cultural Connections May 2017

By: Bette O’Brien

There’s always so much to do in July. So after the swimming, picnicking and viewing waterfalls, there’s even more to explore. The Everhart Museum has two interesting, overlapping exhibits. The amazing Superheroes collection continues until July 17. This is a great place to bring the kids on a rainy day. The admission is \$7.00 for adults, \$5.00 for seniors and students and \$3.00 for children. The new exhibit is called Women of the Everhart and features the works of well-known and regional artists. There is a special program “Honor a Woman in Your Life” which allows a placard to be placed with your favorite work for the duration of the exhibit. Call (570) 346-7186 for summer hours.

Ride the old railroad for 25 miles. Every Saturday during the summer the Stourbridge Line will leave Hawley for a winding trip through NE Pennsylvania often along the scenic Lackawaxan River. The conductors help set the scene for the history of Wayne County and its time in our country’s growth and development. Call Railroad Excursions at (570) 253-1960 for times and prices.

The Wildflower Music Festival is in full bloom for the summer. As printed earlier, July 1 is the Patriotic Brass Ensemble. July 8 is Tom Wopat. You might remember him from Dukes of Hazzard. But Tom returned to his roots as a singer. He also received a Tony nomination for best actor in a musical with Bernadette Peters. Enjoy his easy-listening style.

July 15 is Flatt Lonesome, a family group of six playing mandolin, fiddle, upright bass and acoustic guitars. Their compelling harmonies have earned them quite a collection of awards including 2014 Emerging Artists of the Year. If you love bluegrass, don’t miss this evening. The following weekend features a legendary folk group The Brothers Four. Baby boomers will remember their hits: The Green Leaves of Summer, the John B. Sails, Try to Remember and more. This performance is July 22, so bring a picnic supper and wine to sit back and enjoy.

The last July offering is on July 29. Paperback Writer from Disney Entertainment brings the audience to the most precise experience of the Beatles as possible. Return to Hey Jude, Let It Be and Yesterday under the trees at Dorflinger outdoor amphitheater. There will be two more shows in August.

Before I end, let me re-introduce the Wildflower Festival information. General admission is \$24 with students at \$12. Performances are at 6 p.m. Seating opens at 5 p.m. on a first-come basis (but all areas are just fine). Audiences are encouraged to bring folding chairs or blankets, picnic suppers, and beverages. In the event of inclement weather, the venue moves to Wallenpaupack High School. If in doubt on the day of performance the information is available at (570) 253-5500 or online. There is also an opportunity to help support the ARTS with a contribution and listing in the program. The area is easily reached from The Hideout by using Route 6 to Elizabeth Street in White Mills (that’s halfway between Hawley and Honesdale). Ciao for now.

REAL ESTATE

So You Wanna Sell Your Home? Step 7: Get Ready to Close

Terri Ditty, Broker Associate

Hooray! You’ve found a buyer for your home. You’re done, right? Right?

Not quite. All you have to do now is get yourself—and your house—ready to close, and we’re here to help.

Earnest money

When the buyer makes an offer on your house and you accept, the buyer will write a check for a deposit known as *earnest money*. Everyone at some point gets a bit puzzled by earnest money. It comes down to a simple idea: This is money you put forward that proves that you are earnest about your intentions to move forward on the deal. These funds are held by a third party (usually the seller’s agency) until you close the deal.

If the deal goes through, the earnest money becomes part of the buyer’s down payment (or full cash payment). If the deal falls through because you’re unable to meet the buyer’s contingencies (for example with the inspection or appraisal), that money gets returned to the buyer. Usually. However, if buyers back out just because they randomly change their mind, you may get to keep that money for all the hassle—consider it a hefty consolation prize for having to put your home back on the market.

The inspection

Unless you’ve sold the home “as is” (and sometimes even if you have), the buyer will want an inspection on the home. The inspector’s job is to look for problems like:

- Roof damage
- Structural problems
- Plumbing problems
- Fire hazards like bad wiring or improperly working chimneys
- Major appliance and HVAC issues

Since the buyers hire the inspector, the report will go to them...however you may be entitled to see the full report. If they spot anything amiss, trust us, you will hear about it, as it may become a negotiation point you’ll have to work out before you close.

The appraisal

If your buyers are getting a mortgage, they will also have to hire an appraiser. If the buyer is paying cash, they may include an appraisal contingency. An appraiser is similar to an inspector, in that they come to your house and check it out, top to bottom. Only the purpose is different: Rather than looking for problems and repairs, an appraiser is trying to estimate what your home is worth, so that the lender knows the investment is sound. To do that, the appraiser will not only size up your home in person but check out the sale prices of comparable houses in your neighborhood (much as a Realtor would do for you). If the appraiser’s price matches the one your buyers are paying (or even if it’s higher), all is good.

But if the appraisal comes back *lower* than the asking price, it may become a problem. Typically, lenders won’t loan buyers anything above the appraisal amount. The buyers have two choices: Pay cash for the difference, or negotiate a lower sale price with you. If they choose the latter, you’ve got two choices, too: Accept the lower home price, or walk. To decide, ask yourself: How easy would it be to find a new buyer? If you were deluged with offers, it may be in your interests to move on, but keep in mind that you might run into the same problem with subsequent appraisals. So unless you’re confident your home is worth more and you’re willing to head back to square one, you may want to take a hit just to keep moving forward.

Next up? The close. Hallelujah! We’ll tell you what you need to know about that next time.

Are You Talking To Me?

continued from page 23

frequency sounds you have been missing. Your hearing aids are giving these sounds back to you. This may be bothersome at first, but better understanding comes from letting you hear them. Be patient while your brain gets reacquainted with these sounds. At first, your voice may sound strange to you. Some wearers say that in the beginning they sound like they are in a barrel. In time, it will sound natural.

Background noise is normal. Normal-hearing people hear it, too. Don't give up on hearing aids because noise bothers you. Better hearing will require you to put up with a few inconveniences.

Buying hearing aids won't give you instant gratification. There is a learning curve, which usually takes from six weeks to six months. Success comes from practice and a commitment to wear them all your waking hours. If you purchase a custom hearing instrument, designed to fit your ear, you will likely need to have some adjustments to make it a better fit. Stick with it. You will succeed.

Should your hearing aids ever stop working, do not be alarmed. This is normal. The inner ear canal is 100 percent humidity and remains a constant 98 degrees. Earwax is a combination of salt and corrosive body acid. These conditions are harmful to electronics, but it is in this environment that hearing aids must perform. You will need to bring them in for routine professional care.

THE REWARDS FOR STICKING WITH THE PLAN ARE TRULY WORTH THE EFFORT

There is a common discipline followed by all men and women who successfully make the transition to hearing aids. It is called practice. It is an investment that will cost you time and patience. It is an investment that usually begins to pay dividends with 45 days. Once you have logged the sufficient number of hours for our brain to re-acclimate to ambient sounds, you will be able to go on with your life without thinking so much about your hearing.

While we encourage new users to start at a slow pace at home, your ultimate goal should be to use your hearing aids all day, every day. This includes times when it is quiet, times when it is noisy, and times when you may think you don't need to be wearing them. Unless your hearing aids become part of your habit through daily use, your brain will not be stimulated long enough to learn to interpret the true sounds of your world.

After you have completed your initial week to two weeks of gradual hearing aid use, you should put your hearing aids on first thing when you wake up and take them out at bedtime. It is a mistake to only wear them when you go out to social functions because your brain will be flooded and startled by unfamiliar ambient sounds.

Be patient and don't give up. Retreat temporarily if you become tired, but don't quit. Keep working – it will become easy.

We strongly encourage anyone who is concerned about their hearing to seek professional advice and have a comprehensive hearing exam.

From The Declaration of Independence, 1776

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed.

Thomas Jefferson's First Inaugural Address, 1801

A rising nation spread over a wide and fruitful land, traversing all the seas with the rich productions of their industry, engaged in commerce with nations who feel power, and forget right, advancing rapidly to destinies beyond the reach of the mortal eye. When I contemplate these transcendent objects, & see the honor the happiness, & the hopes of this beloved country committed to the issue & the auspices of this day, I shrink from the contemplation, & humble myself before the magnitude of the undertaking.

Abraham Lincoln's Inaugural Address, 1865

With malice toward none; with charity for all; with firmness in the right, as God gives us to see the right, let us drive to finish the work we are in; to bind up the nation's wounds, to care for him who shall have borne the battle, and for his widow, and his orphans to do all which may achieve and cherish a just and lasting peace, among ourselves, and with all nations.
